"JUST IMAGINE HOW I FELT."
BRUNSWICK, Co., Va.,
November 5th, 1881.
Mrs. John Pearson,

Franklinton, N. C.
DEAR MADAM:—It is with pleasure that I write to tell you that your valuable Remedy has entirely cured me of a most fearful looking and painful sore on my ankle. It came more than twelve months ago, very much like a ring worm. I pointed it with Tinct. Iodine, until it became a very painful and bad looking place. Then I commenced to try everything I could think or hear of, until it became so very painful I could scarcely walk. When I went to the best doctor in the country for advice. He told me he could cure me if I would take my bed and there remain for four or five weeks, and if I did not do so pretty soon, it could not be cured at all, as the bone would become diseased, and my foot would have to be taken off. Just imagine how I felt, to be told there was no cure for the sore but to lose my foot, or give up all business—either of these Remedies would have ruined me. Mind you this was the advice of one of the best doctors in the State of North Carolina, and this conversation took place last February. I continued to burn with caustic, as he advised until September, but derived no benefit from his treatment. I was advised then by a friend to try your Remedy, (Bitters and Wash) took the first dose the 17th of September, and I am now a well man, the sore is perfectly cured, and I can now walk as far, dance as much and jump as high as any man you know. Put me back to the 1st of September, let me know as much as I now do of the virtue of your Remedy, and I would not hesitate to pay ten dollars a bottle for it, if I could not get it for less. I think more of it than any medicine in the world. It is not only the best Remedy to purify the blood and cure all skin diseases, but I believe it will cure all kinds of blood diseases, and I know it will cure a love for strong drink. I hope you will have this published, as there are many sufferers who could be cured, if they could know of and get your Remedy I am truly and respectfully,
JOS. R. MASON,
South Gaston, N. C.
The Remedy is for sale in Wilmington by Dr. Wm. H. Green. Send for circular of testimonials. nov 14-daw

Beautifully your omeos by using the N. Y. Enamel Paint, ready mixed and warranted. Sold only at Jacob's.

Magistrate's Court.
Charles Williams, colored, and John Deal white, were before Justice Gardner today, charged with forgery. In default of a bond of \$50 each they were committed for trial before the Criminal Court.

Quick Work.
Chas. Anderson, the man who shot at a woman yesterday afternoon on Nutt street was put through a quick course of justice. He appeared before the Mayor this morning and was sent on to the Criminal Court, where he appeared today and was tried in two cases, both cases having been disposed of. All of this was done in less than twenty-four hours.

An abandoned child.
A colored child, a boy, about two months old, was found last night at the door of the residence of a colored man by the name of Moore, residing on the corner of Market and Eleventh streets. The child was in a basket and there was found with it \$2 in money and a lot of material for making clothes. It was kindly taken in and will be cared for. The couple at whose house the little waif was left are aged people and have grown-up children. They are kind people and it is said that they will keep the child. There is no clue as to its parents.

Criminal Court.
The following cases were disposed of in this Court today:
State vs. Wm. Gordon, for carrying a concealed weapon. Defendant submits.
State vs. David Brown, on a peace warrant. Ordered that defendant give bond of \$100 for his appearance at the April term.
State vs. Chas. Anderson, for carrying a concealed weapon. Defendant submits.

State vs. David Harrell, for assault and battery. Verdict, guilty.
State vs. Beverly Scott, on a peace warrant. Ordered to give bond of \$20 to keep the peace until next term and to pay the costs.
State vs. Lewis Jackson, for larceny and receiving. Verdict, guilty.
State vs. Jno. Ferris, for assault and battery. Verdict, guilty. Sentenced to 30 days in the House of Correction.
State vs. Chas. Anderson, for assault and battery. Defendant submits. Judgment suspended on payment of costs.

Will Withdraw.
The Agricultural Insurance Company, of Watertown, N. Y., of which Messrs. Jno. W. Gordon & Bro. are the agents here, has decided to withdraw from North Carolina, and its agents have been instructed to cease work for the company. All policies in force are good till expiration. The State law will not allow the Company's \$10,000 deposit in Raleigh to be withdrawn as long as the Company has any policies in force in the State.

To Builders and others—Go to Jacob's for Sash, Blinds and Doors, Glass, &c. You can get all sizes and at the lowest prices.

City Court.
Chas. Anderson, charged with carrying a concealed weapon and attempting to use the same, was arraigned before the Mayor this morning, and was bound over for an appearance at the Criminal Court. Anderson, who is said to be a runner for a sailor boarding house, had a difficulty yesterday afternoon with a young woman by the name of Sue Johnson, and drew a pistol and fired at her, fortunately for both of the parties, without effect.
Virginia Bolden, drunk and disorderly, was sent below for 30 days.

Fell Headlong.
On last Saturday night the fireman on one of the tugs in port met with a pretty severe accident. He had been ashore imbibing pretty freely, and on his return to the boat, having lost his key, he could not get into the engine room, and so stepped into the fire room. In this there are no steps, only a ladder leading down from the entrance to the room in front of the furnace. He missed this and plunged headlong to the bottom, a sheer fall of seven feet. His head and face were badly cut and when the tug arrived at Smithville the next morning a surgeon was called in who sewed up a long gash in his head and gave him other necessary attention. He will recover.

Blind Tom.
This musical prodigy will appear at the Opera House to-morrow evening, on which occasion he will probably draw a large house. As a curiosity, he is well worth seeing and hearing. He is a wonder and a marvel and has been looked upon as such for years past all over this country and Europe. We first heard him in Richmond, in the Spring of 1862, and there heard him play with one hand Yankee Doodle and with the other Dixie, on the same instrument, a mental feat which we have seen equaled in but one instance, and that was in the case of two operators in the Western Union Telegraph office in New York who were sending one dispatch with one hand and receiving another dispatch with the other, at one and the same time.

Freshwater Perch, Trout and Black fish Hooks and Lines. A full assortment and lowest prices at JACOBI'S.

Campaigns of the Civil War.
We have received from the publishers, Messrs. Charles Scribner's Sons, New York, the first two volumes of the series of Campaigns of the Civil War now being issued by them. The first is entitled "The Outbreak of the Rebellion," and the second "From Fort Henry to Corinth."

The first is written by John G. Nicolay, Esq., Private Secretary to President Lincoln, and late Consul-General to France, and is a preliminary volume, describing the opening of the war, and covering the period from the election of Lincoln to the end of the first battle of Bull Run.
The second volume is by Hon. M. F. Force, Justice of the Superior Court of Cincinnati and late Brevet Major-General U. S. V., commanding the First Division of the 17th Army Corps. It is a narrative of events in the West from the Summer of 1861 to May 1862, covering the capture of Forts Henry and Donaldson, the battle of Shiloh, &c. Each volume is accompanied with maps. Price \$1.

A Word in Season.
Illustrating the truism that "a word in season" can often bring happiness to a person or household, Mr. W. W. Eckels, Druggist, Springfield, Tenn., tells the following: I have a customer whose wife had been ill for ten or twelve months, so that she had not walked in that time. As almost everything had been tried, and the doctors had failed to relieve her, I told her husband of St. Jacobs Oil. He procured two bottles, but did not use much more than one, before she was walking around the room.
