"JUST IMAGINE HOW I FELT."
BRUNSWICK, Co., Va.,
November 5th, 1881.
Mrs. JOE PERSON,
Franklinton, N. C.

DEAR MADAM:—It is with pleasure
that I write to tell you that your valuable
Remedy has entirely cured me of a
most fearful looking and painful sore on
my ankle. It came more than twelve
months ago, very much like a ring worm.
I painted it with Tinct. Iodine, until it
became a very painful and bad looking
place. Then I commenced to try every-
thing I could think or hear of, until it
became so very painful I could scarcely
walk, when I went to the best doctor in
the country for advice. He told me
he could cure me if I would take my bed
and there remain for four or five weeks,
and if I did not do so pretty soon, it
could not be cured at all, as the bone
would become diseased, and my foot
would have to be taken off. Just imagine
how I felt, to be told there was no
cure for the sore but to lose my foot, or
give up all business—either of these Re-
medies would have ruined me. Mind
you this was the advice of one of the best
doctors in the State of North Carolina,
and this conversation took place last
February. I continued to burn with
caustic, as he advised until September,
but derived no benefit from his treatment.
I was advised then by a friend to try
your Remedy, (Bitters and Wash) took
the first dose the 17th of September, and
I am now a well man, the sore is perfectly
cured, and I can now walk as far,
dance as much and jump as high as any
man you know. Put me back to the 1st
of September, let me know as much as I
now do of the virtue of your Remedy,
and I would not hesitate to pay ten dol-
lars a bottle for it, if I could not get it
for less. I think more of it than any
medicine in the world. It is not only
the best Remedy to purify the blood and
cure all skin diseases, but I believe it will
cure all kinds of blood diseases, and I
know it will cure a love for strong drink.
I hope you will have this published, as
there are many sufferers who could be
cured, if they could know of and get your
Remedy I am truly and respectfully,
JOS. R. MASON,
South Gaston, N. C.

The freshest is booming. For the first
time in months past the waters of the
river at this port are yellow with mud
from the interior.

lotte, and a prominent citizen of Bruns-
wick county, died at his home, at the
above place, on the 28th ult.

Criminal Court.
The report from the Criminal Court
today is not interesting. It was occu-
pied during the forenoon in the trial of
Robert Helsey, Jr., for a failure to list
his poll-tax. He was discharged. The
Court, at the close of our report, was
occupied in the trial of other cases, which
will probably take all of the afternoon.

Harbor Master's Report.
Capt. Jos. Price, Harbor Master, re-
ports as follows for the month of No-
vember: There were, in all, 51 arrivals
at this port during the month, of which
2 brigs, 23 barques and 2 schooners,
with an aggregate of 9,777 tons, were
foreign, and 1 barque, 1 brig, 14 schoo-
ners and 8 steamers, with an aggregate of
11,404 tons, were American.

An Important Meeting.
The meeting of the Board of County
Commissioners, to be held next Monday
and Tuesday, is a very important one.
A statement of the operations of the
year is to be made by the Board, and
perhaps published by them. The bonds
of all county officers will be received on
that occasion, and the Board of Educa-
tion will appoint School Committeemen
for the ensuing year.

Personal.
Mr. J. H. Mallard, with his charming
bride, returned yesterday (Wednesday)
from their bridal tour to the Conference
of the M. E. Church, at Durham, as far
as Rose Hill, in Duplin county. They
arrived at the latter place by the
morning train, and will stop in that vicin-
ity for a number of days, visiting relatives
and friends, before returning perma-
nently to their homes in this city.

Come to Grief.
Four of the "sharps" we named a
few days since as trying to "beat" a ride
on the W. & W. Railroad, it seems
took the back track, and went to Clinton,
Sampson county, where they undertook
to ply their vocation during court week.
They were arrested and brought before
Justices James Mosely and L. C. Hub-
bard, on Tuesday last. The matter was
on trial when our informant left, but as
they were caught at their business, there
is no doubt they will have the full benefit
of Sampson justice.

We call the attention of our readers to
the advertisement of J. Monroe Taylor.
This house has been established nearly
40 years, and their goods are celebrated
for purity and strength. We would re-
commend a trial of their Gold Medal
brand to all who desire superior cook-
ery.

Death of an Old Citizen.

Mr. John Colwell, an old and well-
known citizen of Sampson county, where
he was born and raised, died on Thurs-
day, the 24th ult., at the residence of his
son, A. S. Colwell, Esq., in Duplin
county. The deceased was about 70 years
of age; had been for many years an in-
valid from chronic rheumatism, and had
been for a quarter of a century a con-
sistent member of the Baptist Church.

To always protect the weakest parts
is a duty and it is especially the duty of
those whose lungs are being weakened
by the constant wear of coughing, to
protect them by using a soothing reme-
dy, such as Dr. Bull's Cough Syrup.
Price 25 cents.

Jewish Fair.

We are pleased to learn that our
friends of the Jewish congregation intend
holding a Fair, beginning on Tuesday,
the 27th of December, for four nights, in
aid of their Temple. Committees have
been appointed and from what we hear it
will be on a grand scale, and as there is
ample assurance that it will be, we hope
that our citizens, without distinction,
will aid and patronize them liberally, as
this is the first time they have made
such an undertaking, and our Wilming-
ton Israelites have ever been ready to
contribute to and aid at all times our
churches and beneficial institutions. They
have our heartiest wishes for success.

A Peculiar Case.

A peculiar case occurred recently in
Charleston as reported by the *News and
Courier*. A colored man, of a respecta-
ble record, formerly in the employ of a
citizen of Charleston who removed from
the city last May, appeared at a broker's
office with \$85,000 in Confederate bonds,
which he said had been given him by his
recent employer, from whom he present-
ed an excellent certificate of character.
The bonds were purchased but the check
for the money, \$742.50, was withheld un-
til the former owner could be communi-
cated with. This was effected when
that individual claimed the bonds
as his. The colored man swore
that they had been given to him. This
the white man denied, but admitted that
he gave to him a large lot of Confederate
notes, but did not give him the bonds.
The matter was compromised by the
white man getting the money for the
sale of the bonds, when the colored man
was discharged from custody. The white
man's name, which was suppressed in the
News and Courier, is said to be Chas.
T. Mitchell, who did a large blockade
business here during the war, occupying
at one time the residence of Dr. A. J.
DeRosset, and who will be remembered
by many of our citizens.

Sudden Death of an Aged Lady.

Mrs. Mantley Bass, wife of Mr. Lewis
G. Bass, died at the residence of her
husband, near Magnolia, Duplin county,
on Monday morning, the 28th ult. She
arose in the morning at the usual hour
and ate a hearty breakfast, in seemingly
excellent health and spirits. After
breakfast she went into her sitting-room,
where she conversed with her husband
and a visitor for some time, with no ap-
pearance of ill-health. Mr. Bass and
the visitor after awhile went out, and in
a short time Mrs. Putnam, Mrs. Bass'
widowed daughter, went into the room
and found her frothing at the mouth and
apparently in a dying condition. She
was placed upon a bed and a physician
sent for, who was soon in attendance and
administered such remedies as the occa-
sion demanded; but with no beneficial
results. She died before noon the same
day. She was 70 years of age and had
been a consistent member of the Baptist
Church for about 40 years.

Good Words for Us.

Capt. Shotwell, of the *Farmer &
Mechanic*, is a good friend to our city
and has on more than one occasion
cheered us with kindly words. He
throws up his hat and hurrahs with a
vim at the prospect before us in the pur-
chase of the Cape Fear & Yadkin Val-
ley R. R. Here is a clipping from this
week's issue of his paper which will be
read with interest:

Capt. Arthur B. Williams, of Fay-
etteville, now in the city, tells us that
the people of the Cape Fear are much
interested in the new railroad project.
Dr. Canedo was sent down the river in a
special steamer on Monday to give him
an opportunity to see its entire length
and capacity. Canedo seems to be in
earnest. He purposes laying the track
to the Carolina Central at once, (over
the already graded Florence route) as a
temporary arrangement until the direct
line to Wilmington can be built. Osc
or two lines of ocean steamships, and an
extensive elevator, are also contemplated
at an early date.

Receipts of Cotton.
The receipts of cotton at this port
during the month of November, just
closed, foot up 35,778 bales, as against
30,430 bales for the same month last year
an increase this year of 5,348 bales. The
entire receipts this year to date are 74,580
bales against 74,559 bales to same date
last year, an increase for this year of 21
bales.

The Late Mr. Patterson.

We stated yesterday that Mr. W. A.
Patterson was born in Milton, Caswell
county, but to-day a warm personal
friend of the deceased gentleman assures
us that he was born in Person county.
He came to Wilmington in 1858, and
this has been his home ever since. He
served the entire four years of the war
and at its close was Orderly Sergeant
of Cumming's battery of light artillery.
He served with much acceptability, and
Maj. Cumming, the Commander of the
battery, has been heard to say that he
was one of the best soldiers in the service.
He was always at his post, was prompt
and reliable in every respect, and it was
said of him once by his commanding
officer that he really did not seem to
know the meaning of the word "fear."
Peace to his gallant spirit in his last
long sleep at Oakdale.

a prompt and convenient remedy is deman-

sia, flatulencies and other troubles are over-
come by it.

NEURAGIA.

Nervous Irritability, Sciatica and all
painful Nervous Diseases.—A treatise
by a well known physician, a specialist
on these subjects, concludes as follows:
"Neuralgia is one of the most painful of
diseases, and is attended with more or
less nervous irritation. Sciatica is also
a form of neuralgia, and all painful
nervous diseases come under that name.
Neuralgia means nerve ache, and there-
fore you can suffer with neuralgia in any
part of the body, as the nerves are sup-
plied to every part.
I have for many years closely studied
the cause of neuralgia, and the nature
of the nervous system, with the many
diseases that it is subject to, and have
found by actual experience that the true
and primary cause of neuralgia is pov-
erty of the nervous fluid—it becomes im-
poverished and poor, and in some cases
starved, not because the patient does
not eat, but because what is eaten is not
appropriated to the nervous system;
there are many cases for this, but Dr.
C. W. Benson's Celery and Chamomile
Pills have in my hands proved a perfect
remedy for this condition and these dis-
eases.
