"JUST IMAGINE HOW I FELT."
BRUNSWICK, Co., Va.,
November 5th, 1881.

Mrs. Joe Person,

Franklinton, N. C.

DEAR MADAM:—It is with pleasure
that I write to tell you that your valu-
able Remedy has entirely cured me of a
most fearful looking and painful sore on
my ankle. It came more than twelve
months ago, very much like a ring worm.
I painted it with Tinct. Iodine, until it
became a very painful and bad looking
place. Then I commenced to try every-
thing I could think or hear of, until it
became so very painful I could scarcely
walk, when I went to the best doctor in
the country for advice. He told me he
could cure me if I would take my bed
and there remain for four or five weeks,
and if I did not do so pretty soon, it
could not be cured at all, as the bone
would become diseased, and my foot
would have to be taken off. Just im-
agine how I felt, to be told there was no
cure for the sore but to lose my foot, or
give up all business—either of these Re-
medies would have ruined me. Mind
you this was the advice of one of the best
doctors in the State of North Carolina,
and this conversation took place last
February. I continued to burn with
anxiety, as he advised until September,
but derived no benefit from his treatment.
I was advised then by a friend to try
your Remedy, (Bitters and Wash) took
the first dose the 17th of September, and
I am now a well man, the sore is perfectly
cured, and I can now walk as far,
dance as much and jump as high as any
man you know. Put me back to the 1st
of September, let me know as much as I
now do of the virtue of your Remedy,
and I would not hesitate to pay ten dol-
lars a bottle for it, if I could not get it
for less. I think more of it than any
medicine in the world. It is not only
the best Remedy to purify the blood and
cure all skin diseases, but I believe it will
cure all kinds of blood diseases, and I
know it will cure a love for strong drink.
I hope you will have this published, as
there are many sufferers who could be
cured, if they could know of and get your
Remedy. I am truly and respectfully,
JOS. R. MASON,
South Gaston, N. C.

Overboard.

A little white boy from the county,
whose name we did not learn, fell from a
flat, into the river this morning, just be-
fore daybreak. He was asleep on the
flat which had wood on it, and was moor-
ed at Princess street dock, and awaking
suddenly and endeavoring to pass around
the fire, became dazed and stepped over-
board. He was fished out, however, by
a man who was aroused by his cries.

Telegraphic Note.

The Charlotte Observer tells us that
a force of hands is now at work near
Shelby engaged in overhauling the Car-
olina Central telegraph wires of the
Western Union Company. The force
will work this way and it is expected to
thoroughly repair the line all the way
to Wilmington. The wires will in a
great many places be strung anew on the
new poles erected by the American Un-
ion Company before the consolidation.

the First Annual Fair of the Colored

and a number of other prominent colored
citizens, will deliver addresses during
the Fair. We wish the projectors suc-

Rev. Mr. Wood.

Speaking of Rev. Frank H. Wood,
who has been sent by Conference to fill
the pulpit of Front Street M. E. Church
during the ensuing year, the Durham
Plant says:

The appointment of Rev. Frank H.
Wood to Front street church, Wilming-
ton, gives peculiar pleasure to his many
friends throughout the State. As a
preacher Mr. Wood has few equals. We
had the pleasure of hearing him every
Sunday for three years, and if the good
people of Wilmington want good doc-
trine and logical sermons forcibly deliv-
ered they cannot but be pleased with
their pastor, Rev. Frank H. Wood. We
bespeak for him a hearty reception in
this new field.

For the Review

A Startling Denouncement
NEWBERN, Dec 1.—A startling rumor
is in circulation here that Dr. Canedo,
who desires to purchase the Cape Fear
& Yadkin Valley Railroad, is an agent
of the Boston Syndicate, and therefore
allied to the interests of Mr. Best.

If there is any truth in this gossip,
Newbern and Morehead City will eventu-
ally become the great outlet for the
foreign trade of Cincinnati and the Great
West, provided, of course, the Midland
N. C. R. R. is completed to some point
where it would tap the C. F. & Y. V.
road of its Western freights.

Yours, E. A. O.

The "startling announcement" has not
startled us much. We do not believe
that there is any connection whatever
between Mr. Best and Dr. Canedo.
One represents Bostonians and the other
New Yorkers. We believe that Dr.
Canedo is perfectly sincere in his profes-
sions and that he may be relied upon to do
as he says he will do. But as this is a
matter of business Dr. Canedo's propo-
sition will be scrutinized very closely
and ample guarantees will be required,
and will no doubt be given, that the
contract as made shall be carried out in
good faith. We think that the interests
of Wilmington and of Fayetteville and
of the Cape Fear & Yadkin Valley R.
R., which are in many things closely al-
lied, can be safely left in the hands of
the gentlemen who compose the State
Commission.

Fall From a Horse.

Rev. S. S. Yarbrough, whose wife, by
a fall from a horse, received a severe
bruising and a bone broken, and who
used St. Jacobs Oil with splendid effect,
—in a communication upon the subject,
observes: It would have done one good
to listen to her eulogizing the oil. This
good lady's experience is simply that of
multitudes throughout the country,
whose absolute faith in the efficacy of St.
Jacobs Oil is rewarded by never a disap-
pointment.

The receipts of cotton at this port to-
day foot up 1,445 bales.

Nor. barque *A. M. Schweigaard*,
Johnsen, cleared at this port to-day for
Liverpool, with 1,690 bales of cotton,
shipped by Messrs. Williams & Murchi-
son.

It is said that Coup's Circus, although
it will perform in Sumter early in Janu-
ary, will not stop in Wilmington longer
than will be necessary to change the
trucks of his cars, and herein Mr. Coup
may make a mistake.

The Raleigh papers have been felic-
itating themselves over the supposition
that Bishop Northrop will make his re-
sidence in Raleigh, but we understand
that there is good reason to believe that
the Episcopal residence will be in Wil-
mington.

Unmailable

Unmailable matter, addressed as fol-
lows, remains in the Postoffice in this
city:

Andrew Jackson, May Park, Fla.;
Mr. Morris Thomas, Armour, N. C.;
one stamped colored envelope illegibly
addressed.

A Prompt Response.

Here is an illustration of the benefits
of advertising. Yesterday a gentleman
in this city advertised in the Review for
the recovery of a strayed cow, and very
soon after the paper was on the streets the
cow walked into the back gate, which
happened to be open at the time, and
took her place as usual in the cow lot.
She remained there until this morning
and was turned out into the street again,
as she didn't happen to be the right cow
after all.

Household Hints.

A piece of zinc placed on the live
coals in a hot stove will effectually clean
out the stovepipe, the vapors produced
carrying off the soot by chemical decom-
position.

If a little vinegar or some cider is mix-
ed with stove polish it will not take much
rubbing to make the stove bright and
the blacking is not likely to fly off in fine
dust.

When patting away the silver tea or
coffee pot which is not used every day
lay a little stick under the top; this will
allow fresh air to get in and will prevent
mustiness. It will then be ready for
use at any time, after being first thor-
oughly rinsed with boiling water.

Criminal Court.

The Court was occupied all of the
forenoon in the trial of the case in which
Hiram Merrick and Sarah Merrick, col-
ored, are the defendants, the former for
the larceny of a gun and \$140 in
money, and the latter for receiving
the articles, knowing them to have
been stolen. The case was begun
yesterday and has excited much in-
terest. Col. B. R. Moore, the Soli-
citor, assisted by Mr. Frank H. Darby,
appeared for the State and Messrs. Jno.
L. Holmes and Marsden Bellamy for the
defence. The case was given to the jury
this afternoon, and a verdict of not guilty
as to the latter was returned.

Persons who stand upon their Feet,
whether men or women, are often troubled
with serious pains and weaknesses in the
back, loins and other parts of the body.
It has been proven beyond a doubt, how-
ever, that Warner's Safe Kidney and
Liver Cure is a certain preventive of
these troubles.

Misplaced Confidence.

A colored woman by the name of
Diana Alderman, hailing from Flem-
ington and on her way to Fayetteville,
bought a lot of goods yesterday, and on
her way to the steamer, the *Wave*, she
was accosted by a colored man who offer-
ed to take charge of her bundles for her
and see her safely on the boat. She ac-
cepted the offer and after some conver-
sation loaned the man, at his request,
\$.50, he promising to pay her as soon
as they got to the boat.

He managed to give her the slip, how-
ever, and the woman now mourns the
loss of the bundles as well as the money.
She applied to Justice Millis, who issued
a warrant for the rascal's arrest, but he
could not be found. The woman had
two small children with her, who were
taken care of by friends last night.
