An article published by us yesterday relative to the lecture delivered last night was absolutely unreadable; there was no sense in it whatever. It was mutilated in correcting the proof.

The Lecture Last Night.
On account of the inclemency of the weather, the attendance at the Opera House last night to hear the lecture upon Florida, by Rev. T. D. Pitts, was not so large as it otherwise would have been. Those who did go, however, were amply repaid, for the lecture was very interesting and instructive. The speaker treated of his impressions of the "Land of Flowers," and gave a graphic account of the soil, climate, productions, people, with their habits and customs, in an entertaining manner. He was very gracefully presented by Col. Jas. G. Burr.

Franklinton, N. C.
DEAR MADAM:—It is with pleasure that I write to tell you that your valuable Remedy has entirely cured me of a most fearful looking and painful sore on my ankle. It came more than twelve months ago, very much like a ring worm. I painted it with Tinct. Iodine, until it became a very painful and bad looking place. Then I commenced to try everything I could think or hear of, until it became so very painful I could scarcely walk, when I went to the best doctor in the country for advice. He told me he could cure me if I would take my bed and there remain for four or five weeks, and if I did not do so pretty soon, it could not be cured at all, as the bone would become diseased, and my foot would have to be taken off. Just imagine how I felt, to be told there was no cure for the sore but to lose my foot, or give up all business—either of these Remedies would have ruined me. Mind you this was the advice of one of the best doctors in the State of North Carolina, and this conversation took place last February. I continued to burn with caustic, as he advised until September, but derived no benefit from his treatment. I was advised then by a friend to try your Remedy, (Bitters and Wash) took the first dose the 17th of September, and I am now a well man, the sore is perfectly cured, and I can now walk as far, dance as much and jump as high as any man you know. Put me back to the 1st of September, let me know as much as I now do of the virtue of your Remedy, and I would not hesitate to pay ten dollars a bottle for it, if I could not get it for less. I think more of it than any medicine in the world. It is not only the best Remedy to purify the blood and cure all skin diseases, but I believe it will cure all kinds of blood diseases, and I know it will cure a love for strong drink. I hope you will have this published, as there are many sufferers who could be cured, if they could know of and get your Remedy I am truly and respectfully,
JOS. R. MASON,
South Gaston, N. C.
The Remedy is for sale in Wilmington by Dr. Wm. H. Green. Send for circular of testimonials.

ROCKY POINT, PENDER CO., NOV. 1881.
TO WHOM IT MAY CONCERN—The undersigned, neighbors of Mr. H. G. Everett, take pleasure in voluntarily testifying to his efficiency and recommending him as an efficient tamer and trainer of horses. There is no quackery or humbug in his system, but it is founded upon science, art and common sense. His methods are practical, easy of application, and successful in breaking, to every kind of service, the wildest or the most contrary or vicious horse. We have been his pupils and we testify from observation and experience as well as from his general reputation where he is known.
