"JUST IMAGINE HOW I FELT."
 BRUNSWICK, Co., Va.,
 November 5th, 1881—
 Mrs. JOE PEBSON,
 Franklinton, N. C.

DEAR MADAM:—It is with pleasure that I write to you that your valuable Remedy has entirely cured me of a most fearful looking and painful sore on my ankle. It came more than twelve months ago, very much like a ring worm. I painted it with Tinct. Iodine, until it became a very painful and bad looking place. Then I commenced to try everything I could think or hear of, until it became so very painful I could scarcely walk, when I went to the best doctor in the country for advice. He told me he could cure me if I would take my bed and there remain for four or five weeks, and if I did not do so pretty soon, it could not be cured at all, as the bone would become diseased, and my foot would have to be taken off. Just imagine how I felt, to be told there was no cure for the sore but to lose my foot, or give up all business—either of these Remedies would have ruined me. Mind you this was the advice of one of the best doctors in the State of North Carolina, and this conversation took place last February. I continued to burn with caustic, as he advised until September, but derived no benefit from his treatment. I was advised then by a friend to try your Remedy, (Bitters and Wash) took the first dose the 17th of September, and I am now a well man, the sore is perfectly cured, and I can now walk as far, dance as much and jump as high as any man you know. Put me back to the 1st of September, let me know as much as I now do of the virtue of your Remedy, and I would not hesitate to pay ten dollars a bottle for it, if I could not get it for less. I think more of it than any medicine in the world. It is not only the best Remedy to purify the blood and cure all skin diseases, but I believe it will cure all kinds of blood diseases, and I know it will cure a love for strong drink. I hope you will have this published, as there are many sufferers who could be cured, if they could know of and get your Remedy I am truly and respectfully,
 JOS. R. MASON,
 South Gaston, N. C.
 The Remedy is for sale in Wilmington by Dr. Wm. H. Green. Send for circular of testimonials.

The wife of Police Officer Walter R. Ruby, York, Pa., had her feet so badly frosted, that she was unable to wear her shoes and scarcely to walk. She applied St. Jacobs Oil on a Saturday night, and the next day she was able to wear her shoes and walk to church. Her feet were free from soreness and as well as ever.

An Attractive Offer.
 Capt. John T. Patrick, Secretary of the Dixie Agricultural Society, at Wadesboro, advertises in the Review and JOURNAL for families of laborers to settle on lands in the Pee Dee section. He offers some very attractive inducements, and can place fifty good families on as many farms, already stocked and furnished, on which they can work on shares with the owners. He has made special arrangements with the management of the Carolina Central Rail Road whereby very low rates may be secured for those who may take advantage of his offer. Anson county cotton, it may not be generally known, ranks among the finest upland staple made. This is not an attempt to repopulate North Carolina, but will rather serve to keep her people within her own borders. The Pee Dee section is less than 150 miles West of Wilmington.

Br. Bugs, Roaches, Rats, mice, ants, flies, vermin, moel quitoes, insects, &c., cleared out by "Rough on Rats." 10c. boxes at drug-gists.

Our Little Ones.

The December issue of this charming little monthly has been received. It is the holiday number, and the illustrations are as handsome as they are profuse. It is a publication which might appropriately be found in every household where there are children. We know of nothing of the kind designed for their instruction and amusement which is superior to it. Russell Publishing Company, Boston, Mass.

Coal Oil or Petroleum may be very nice for illuminating or lubricating purposes, but surely it is not the proper thing to cure a cough with. Dr. Bull's Cough Syrup is looked upon as the standard Cough remedy.

Acts of Kindness.
 Kitty Fisher, colored, commonly known as "Crazy Kitty," and Josh James Foy Loftin, colored, commonly known as "Big-headed Josh," have been sent to the County Poor House by a commission *de lunatico inquirendo*, where they will be comfortably provided for.

The buildings appropriated to the use of the insane have been recently improved by the introduction of good heating apparatus, and other additions for the accommodation and comfort of this unfortunate class.

To Builders and others—Go to JACOBI'S for Sash, Blinds and Doors, Glass &c. You can get all sizes and at the lowest prices.

Fell into the Hold.
 A white man, by the name of Daniel Jones, a seaman on board the British barque *Northern Queen*, now lying at Eagle Island, opposite the city, yesterday fell through the hatchway into the hold of the ship and met with some pretty severe injuries. His left kneecap is injured, his nose is cut very severely and there is a lengthy gash in his head. He was removed to the Seamen's Home, where Dr. Bellamy is attending him. His injuries are not serious, but it will probably be a month or more before he can recover.

Real Estate at Auction.
 Two pieces of property belonging to the estate of the late Dr. J. Francis King were offered for sale on Saturday last. One, the vacant lot corner of Third and Chestnut streets, was sold to Mr. A. D. Wessell for \$965, and the other, the three-story brick building, adjoining Odd Fellows Hall, and directly opposite the City Hall, 29 feet on Third street and running back along the alley 66 feet, was knocked down to Mr. J. A. Walker for \$2,500. We understand that the sale of the corner lot will be confirmed but that the sale of the brick building will not be confirmed.

Third Class Matter.
 Any parcel of third-class matter (books, magazines, newspapers, etc.) or fourth class matter (merchandise or samples,) deposited in a postoffice for transmission in the mails, which is sealed, nailed, sewed, tied, or fastened in any manner so that it cannot be easily examined, is subject to postage at the rate of three cents per half ounce or fraction thereof. The parcel may be tied in such a manner as to be capable of easy examination, in which it will pass at the lower rates of postage. As the ruling of the department will be strictly enforced hereafter, it will be advisable for the sender of any parcel to have his or her name and address printed or written on the wrapper, so that it may be returned if "held for postage."

Bargains may be had in foot-wear at Howey's. Stock must be sold. Net cash. 2w

New Music.
 "The World goes Round and Round" is the title of one of the Hutchinsonson's sugar-sweet songs, just published by Oliver Ditson & Co., Boston. Words are by Dr. Holland, and price is 30 cts. They also send us Barby's "Beggar Maid" (30 cts.) and the charming song by Earzials, "A Basket of Loves" (30 cts.). "The Handsome Corporal Polka" (30 cts.) by Herrman, next comes marching on, perhaps to "Twickenham Ferry" (35 cts.) which is arranged nicely for Violin and Piano, by Winner. In company, we have the queer little, easy "Rat-Catcher Waltz" (25 cts.), of the Horse-Shoe Set, and a grand "Pell Mell Galop" Brilliant (35 cts.), by Gobbarta.

With the music comes also an acceptable copy of Ditson & Co.'s Weekly "Musical Record," Dexton Smith, Editor.

His Majesty.

The receipts of cotton at this port to day foot up 1,117 bales. The receipts to date are 87,881 bales as against 84,592 bales to same date last year, an increase in favor of this year of 3,079 bales. And yet we are not happy. It is a curious fact that the receipts of cotton to date this month have very nearly kept pace, bale for barrel, with the receipts of rosin.

Children's School Shoes, both lace and button, AT COST FOR CASH, at Howey's. 2w

A Car Burned.
 On Saturday night last a train No 40, on the W. & W., Railroad which is the fast train coming from the North, was about two miles from Rocky Mount, the baggage car was discovered to be on fire. The car was immediately cut loose from the rest of the train and every effort made to extinguish the flames, but without avail and it together with a few pieces of baggage was destroyed. The rest of the train was not damaged. How the fire originated is unknown but it is thought possible that it might have been caused by the explosion of a lamp.

City Court.
 William H. Forbes, colored, for dis orderly conduct on the streets last Saturday night, was fined \$2 and the costs, upon the payment of which he was discharged.

Edward Roderick, for being drunk and disorderly on the streets last Saturday night, was fined \$2 and costs, which he paid and was discharged.

William Cowan, colored, was drunk and down Saturday night. He was discharged.

Emma Jane Sidbury, colored, taken up as a nuisance, in sleeping in the streets and alleys, was turned over to the authorities of the County Poor House, from whence it is thought she had but recently escaped.

One party taken up on suspicion which however, proved a mistaken one, was discharged.

Oliver Spicer, colored, for assault and battery, was fined \$10 and costs.

Full grown chickens could be bought in the city to day for 40 cents per pair, which is a very reasonable price.

Horse Drowned.
 We regret to learn that Mr. H. G. Everett, the horse tamer, while returning to his home, on the Sound, Saturday evening, had the misfortune to lose his horse and sulky when crossing the river at the ferry. It seems from what we can gather from our informant, that Mr. Everett had gotten his horse upon the ferry boat, when from some cause the horse fell overboard, taking the sulky with him, and was drowned before he could be rescued.

PARTICULARS CONCERNING Otterbourg's C. O. D. Express System
 FRIENDS AT A DISTANCE—You need some new and stylish clothes—don't you? When you buy you want your money's worth, and do not wish to be cheated, do you? You can't spare the time to come to the city can you? Well, read these lines carefully, and then do as we advise you. Ottebourg, as you have doubtless heard, is the most extensive clothing dealer in North Carolina; he carries a stock replete with the very choicest selections and patrons can rely on getting the latest fashions when ordering by letter or buying of us in person. In the country opportunities are scarce wherein a man can get just such clothes as are adapted to his taste, and to wear garments that do not please, offers but a poor relief to the old suit of a previous season. Correspond then, with L. J. Otterbourg, ask for particulars concerning good and prices. Otterbourg will answer all enquiries promptly and with pleasure. Give us a trial order on an Ulster, Ulster or Overcoat, or on a Dress or Business suit; state in every instance style of Coat, color of goods and price desired—send particulars as near as possible and it will astonish you. So near can Otterbourg strike your fancy. No risk to run, privilege to examine in every case. Send for steel engraving of the trial of Guiteau, seventeen pictures from life, of the Judge, Jury, Attorneys and the Assassins. Free to all. Address,

 TO WHOM IT MAY CONCERN—The undersigned, neighbors of Mr. H. G. Everett, take pleasure in voluntarily testifying him this endorsement and recommendation as an efficient tamer and trainer of horses. There is no quackery or humbuggery in his system, but it is founded upon science, art and common sense. His methods are practical, easy of application, and successful in breaking to every kind of service, the wildest or the most contrary or vicious horse. We have been his pupils and we testify from observation and experience as well as from his general reputation where he is known.
