"JUST IMAGINE HOW I FELT."
BRUNSWICK, Co., Va.,
November 5th, 1881.

Mrs. Joe Person,
Franklinton, N. C.
DEAR MADAM:—It is with pleasure
that I write to tell you that your valuable
Remedy has entirely cured me of a
most fearful looking and painful sore on
my ankle. It came more than twelve
months ago, very much like a ring worm.
I painted it with Tinct. Iodine, until it
became a very painful and bad looking
place. Then I commenced to try every-
thing I could think or hear of, until it
became so very painful I could scarcely
walk, when I went to the best doctor in
the country for advice. He told me
he could cure me if I would take my bed
and there remain for four or five weeks,
and if I did not do so pretty soon, it
could not be cured at all, as the bone
would become diseased, and my foot
would have to be taken off. Just imagine
how I felt, to be told there was no
cure for the sore but to lose my foot, or
give up all business—either of these Re-
medies would have ruined me. Mind
you this was the advice of one of the best
doctors in the State of North Carolina,
and this conversation took place last
February. I continued to burn with
caustic, as he advised until September,
but derived no benefit from his treatment.
I was advised then by a friend to try
your Remedy, (Bitters and Wash) took
the first dose the 17th of September, and
I am now a well man, the sore is perfectly
cured, and I can now walk as far,
dance as much and jump as high as any
man you know. Put me back to the 1st
of September, let me know as much as I
now do of the virtue of your Remedy,
and I would not hesitate to pay ten dol-
lars a bottle for it, if I could not get it
for less. I think more of it than any
medicine in the world. It is not only
the best Remedy to purify the blood and
care all skin diseases, but I believe it will
cure all kinds of blood diseases, and I
know it will cure a love for strong drink.
I hope you will have this published, as
there are many sufferers who could be
cured, if they could know of and get your
Remedy. I am truly and respectfully,
JOS. R. MASON,
South Gaston, N. C.

In clearing away the earth for the exten-
sion to the alley of Messrs. Hancock &
Daggett's store, spoken of by us yester-
day, the remains of a brick pave-
ment have been disclosed, three feet
below the surface.

The thermometer in this office indica-
ted 70 degrees at 12 o'clock to-day.
There had been no fire and the doors had
been open the entire morning. This may
be taken as being unusually warm for
the time of year, even in this latitude.

Making allusion to its valuable quali-
ties, John Stein, Esq., City Brewer,
Danville, Ill., says: I have used St. Jaco-
b's Oil in my family, and recommend it
to my acquaintances. It has always
given the best satisfaction, and is truly a
wonderful remedy.

The attention of our lady readers is
called to the fact that a pound party, for
the benefit of that excellent institution,
the St. James' Home, is to be given at
the Rectory, on Market street, between
Third and Fourth, to-morrow evening.

Improving.
We are glad to hear of Mr. James
Sprunt's continued improvement. He
has been able to sit up for a week past
and has once been rolled out upon the
piazza. We are in hopes that he may
be able to venture abroad before many
days.

Badly Bruised.

C. H. Strode, who is well known as a
detective hereabouts, was picked up last
evening at the foot of the City Hall
steps, bleeding profusely, and with some
pretty severe injuries about the head and
face. He claims, we understand, that he
was struck and knocked down the steps
by some man whom he did not recognize.
Dr. Walker was called and rendered the
necessary attendance. Strode's injuries
are severe, but are not considered seri-
ous.

Every one has a will and a mind to
think for himself, yet many will go about
backing and coughing until a friend re-
commends Dr. Bull's Cough Syrup for
that cough.

Pine Forest.

The regular annual meeting of the lot
owners of Pine Forest Cemetery was
held at the city court room last night.

and the following board of directors was
elected for the ensuing year: J. W. Tel-
fair, J. G. Norwood, Lewis LeGrand, J. H.
Cutlar, Ed. Dixon, J. P. Green and
J. H. Howe. A vote of thanks was ten-
dered to the City Council and Chief of
Police for the use of the court room.

Pender County Pecan Nuts.

Mr. R. H. Murphy, of Pender county,
having read in the REVIEW about the
pecan nuts raised in Brunswick county,
called on us this morning to show us some
grown by him, on his place, at Moore's
Creek in Pender county. They are cer-
tainly the largest nuts of the species we
have ever seen, being, some of them, al-
most as large as butternuts. The kernel
is full and delightfully flavored. Mr. M.
has several varieties of the nut, all grow-
ing from trees which were planted by
him from nuts brought from Texas years
ago. They would sell readily in this
market.

Professor Everett.

We call the attention of those interest-
ed to the advertisement of the above
named gentleman, which appears in our
advertising columns to day. The Pro-
fessor, notwithstanding his misfortune in
losing a valuable horse by the recent
accident at Big Bridge Ferry, is pre-
pared to carry on his system of instruc-
tion in horse training and taming.

Speaking of his misfortune of a few
days ago, mention of which was made in
our local columns at the time, the Pro-
fessor was in our office this morning and
gave us a complete history of the affair,
illustrating the same by a diagram
which showed that it was one of those
unforeseen accidents which will happen
when least expected. Extravagant ru-
mors have been in circulation regarding
the matter, but it was simply, as we have
stated, an unforeseen accident.

At cost for cash. The large stock of
boots and shoes at Howey's. 2w

The Largest Yet.

The steamship Santa Domingo, Cap-
tain Pennington, from New York, arriv-
ed at the wharf of the Clyde line of
steamers in this city at one o'clock this
p. m. She belongs to the Clyde line and
her regular trips are to the West Indies,
from which she is temporarily borrowed,
while the Benefactor is withdrawn for a
short time for the purpose of having
new boilers. The Santa Domingo is
1,640 tons burthen; has double engines
aggregating 800 horse power; is 260 feet
in length over all and forty feet beam.
She is square rigged forward; has
three decks, and has a compli-
ment of 39 officers and men. She has
first-class accommodations for
officers, men and passengers, and is sup-
plied with all the modern improvements
which make a sea-going life infinitely
more comfortable than it was 25 years
ago. Everything on board is "ship
shape and Bristol fashion," and shows
that she is officered and manned by
men who know every part of their duty
and see that it is performed. In fact,
the Santa Domingo is a magnificent
vessel, such as has seldom before visited
our waters.

We are under obligations to the Chief
Mate, Mr. T. B. Tucker, and to other
officials for courtesies rendered.

Rossi as Othello.

As will be seen by reference to our
advertising columns, Rossi, the eminent
Italian tragedian, will appear in the
above character at the Opera House, on
Monday evening, the 19th inst. He has
been but a short time in this country,
but wherever he has been he has carried
the most critical audiences by storm.
His impersonations have been pronoun-
ced faultless by the critics of Boston,
New York and Philadelphia.

Exports To-Day.

Swedish barque Marie Louise, Jen-
sen, cleared at this port to-day for Cork
for orders, with 500-barrels rosin and
1,124 casks spirits, shipped by Messrs.
Alex. Sprunt & Son; Norwegian barque
Cathinka, Overgaard, cleared for Liv-
erpool, with 1,322 bales cotton, shipped
by Messrs. Alex. Sprunt & Son, and
Swedish barque Ulrika, Cedergen, cleared
for Liverpool with 2,448 barrels rosin,
shipped by Mr. C. P. Mebane.

The Excursion Party from this city for
Atlanta, via the Carolina Central R. R.,
will leave here to-morrow morning at
9:45 o'clock.

TRIBUTE OF RESPECT.

At a meeting of the Wilmington Light In-
fantry, held at their Armory, December 12,
1881, the following preamble and resolutions
were unanimously adopted:
It is very right that we who still wait on
the borders the summons to cross the river,
should place on record our estimate of the
lives and characters of those of our comrades
who have passed over and sleep under the
shade of the trees; and, whereas, among the
many whom it is our pride to number and
claim as our brothers in arms, our late fel-
low member, THEODORE CALHOUN JAMES,
took rank with the foremost in those quali-
ties which made up the character of the
brave, chivalrous, high-toned soldier and
gentleman; be it
Resolved, That we mourn with no ordi-
nary grief our loss in the death of our friend
and brother, and feel, alas, too sensible the
feebleness of words to express in fitting lan-
guage the tribute we would pay to a cour-
age as dauntless, and a sense of personal
honor as chivalrous, as ever victor of battle-
field or tourney could boast.

Resolved, That in the death of THEODORE
CALHOUN JAMES, this body has lost a brave,
upright, kind and just member and com-
rade; removed from among us by One "who
doeth all things well."

Resolved, That a page of our records be
dedicated to his memory, as a memorial of
his worth, and a testimonial of appreciation
of his character.

Resolved, That to the parents and loved
ones of our deceased brother, we tender our
profound and heartfelt sympathy in this,
their and our affliction and bereavement.

"We shall know the loved who have gone
before,
And joyfully sweet will be the meeting,
When over the river, the peaceful river,
The Angel of death shall carry us."
