"JUST IMAGINE HOW I FELT."
BRUNSWICK, Co., Va.,
November 5th, 1881.

Mrs. JOE PERSON,
Franklinton, N. C.

DEAR MADAM:—It is with pleasure that I write to tell you that your valuable Remedy has entirely cured me of a most fearful looking and painful sore on my ankle. It came more than twelve months ago, very much like a ring worm. I painted it with Tinct. Iodine, until it became a very painful and bad looking place. Then I commenced to try everything I could think or hear of, until it became so very painful I could scarcely walk, when I went to the best doctor in the country for advice. He told me he could cure me if I would take my bed and there remain for four or five weeks, and if I did not do so pretty soon, it could not be cured at all, as the bone would become diseased, and my foot would have to be taken off. Just imagine how I felt, to be told there was no cure for the sore but to lose my foot, or give up all business—either of these Remedies would have ruined me. Mind you this was the advice of one of the best doctors in the State of North Carolina, and this conversation took place last February. I continued to burn with caustic, as he advised until September, but derived no benefit from his treatment. I was advised then by a friend to try your Remedy, (Bitters and Wash) took the first dose the 17th of September, and I am now a well man, the sore is perfectly cured, and I can now walk as far, as much and jump as high as any man you know. Put me back to the 1st of September, let me know as much as I now do of the virtue of your Remedy, and I would not hesitate to pay ten dollars a bottle for it, if I could not get it for less. I think more of it than any medicine in the world. It is not only the best Remedy to purify the blood and cure all skin diseases, but I believe it will cure all kinds of blood diseases, and I know it will cure a love for strong drink. I hope you will have this published, as there are many sufferers who could be cured, if they could know of and get your Remedy. I am truly and respectfully,
JOS. R. MASON,
South Gaston, N. C.

The Remedy is for sale in Wilmington by Dr. Wm. H. Green. Send for circular of testimonials.

No City Court to-day.
Nothing doing in magisterial circles to-day.

Business is quite lively on Water street to-day

Barque *Echo*, Dyer, from London, for this port, passed Lizard on the 7th inst.

Schooner *Irene E. Messervey*, Hart, cleared at Baltimore on the 19th inst., for this port.

Children's School Shoes, both lace and button, AT COST FOR CASH, at HOWE'S. 2w

The travel at this time on the railroads in this section, both local and through, is very heavy.

Schooner *Effi J. Simmons*, Obadwick, hence, with lumber, previously reported at Woods Hole in distress, was towed into Friendship, Me., on the 14th inst., full of water.

To Builders and others—Go to Jacob's for Sash, Blinds and Doors, Glass &c. You can get all sizes, and at the lowest prices.

Freshwater Perch, Trout and Black Fish Hooks and Lines. A full assortment and lowest prices at JACOB'S. †

Large numbers of turpentine hands from Georgia are now returning to this section for the purpose of spending the holidays at home.

Rev. Dr. Yates and family left for Raleigh this morning, and Rev. F. H. Wood's family will arrive from Newbern on Thursday evening.

The schr. *Julia Elizabeth* brought out a lot of very nice fruit this trip. The oranges, especially, are particularly fine. They have been selling from the ship to-day at \$2 by the hundred and \$18 by the thousand.

Eggs were retailing at the stores to-day at 35 cents per dozen; grown chickens at 25 cents each; live turkeys from 75 cents to \$1 each, and dressed turkeys from 15 cents to 16 1/2 cents per pound.

The streets are crowded with old and young of both sexes to-day, who are looking about for their Christmas purchases. The stores are also crowded and the busy salesmen and attendants have as much as they can do to wait upon the throng of customers at the several counters.

Venor's latest prediction is that we may prepare for a "polar wave" about the 25th December, and frequent snow falls, increasing in severity, from the 16th, with good sleighing on the entry of the New Year. There's lots of snow hereabouts to-day; that's a fact. It's snow use denying it. The thermometer at 12 o'clock is at 68, the sun shines bright and it is almost as balmy as in Spring.

Catarrh of the Bladder.
Stinging, smarting irritation of the urinary passages, diseased discharge, cured by Buchu-paiba. Druggists, Dept. Jas. C. Munds.

Baked bananas are said to be a choice breakfast dish. To prepare them peel and cut in halves lengthwise. Lay these strips in close order in a baking pan, strewn with sugar and some bits of fresh butter over and bake in a moderate oven about half an hour. Baste while baking with a few spoonfuls of butter and sugar syrup. No personal responsibility is assumed in publishing this.

A Crotchet for New Years
The latest unique conceit, especially designed for New Year's receptions, is the magic toilette, which appears in daylight very handsome yet devoid of any striking features, but under the electric or brilliant gas jets assumes perfectly dazzling hues, prismatic gleams and silvery lustres. These effects are attained by the ingenious introduction of steel gold, bronze, silver and glass threads and small figures into silk, satin, moire, velvet, gauze, tissue and crepe, and the elaborate of use illuminated, iridescent and prismatic beads.

Pender Court.

The Fall term of Pender Superior Court, Judge Shipp presiding, convened at Burgaw on Monday, the 19th inst. The attendance on Tuesday, the 20th, which is usually the day when there is the greatest gathering, was not near as large as might have been expected.

We can, without hesitation, say that Dr. Bull's Cough Syrup has given the best satisfaction. We have sold an immense amount of it during the past winter. WALLACE, HILTON & Co., Druggists, Lock Haven, Pa.

A Good Chance for Investment.

By reference to our advertising columns it will be seen that Mr. Robert Henning, as Executor of the estate of the late James Cassidy, will sell, on the 12th day of January, next, very desirable real property belonging to said estate. The store is one of the best locations in the city and both pieces of property offer splendid inducements to investors.

Hebrew Feast of Lights.

Chanuka, the Hebrew feast of dedication, commemorative of the purging of the temple and the rebuilding of the altar after the Syrians had been driven out, began Friday night at sundown and will continue eight days. It is a joyous festival, and in ancient times the temple and all the private houses were lighted up within and without for eight days, for which reason it is called the Feast of Lights.

Terrible Loss of Life.

Millions of rats, mice, cats, bed-bugs, roaches, lose their lives by collision with "Rough on Rats." Sold by druggists, 15c.

Caring of Rev. Dr. Yates.

A very pleasant affair occurred at the festival of the Front Street Methodist Church, at the City Hall, last evening when Mr. James W. King, in a very creditable manner, presented Dr. Yates, in behalf of the young men of the Sabbath school, with a golden watch. Dr. Yates was taken by surprise, having no intimation of this personal attack which was to be made upon him, but replied in a very feeling, touching and pleasant manner.

Wilmington Library Association.

At the regular annual meeting of the stockholders of the Wilmington Library Association, held in their rooms, on Market street, on Monday night, the following officers were elected for the ensuing year:

President—Alex. Sprunt.
Vice President—Richard J. Jones.
Directors—W. L. Smith, G. W. Williams, John Cowan, F. W. Kerchner, B. A. Hallett, C. H. Robinson, Thos. F. Wood.

Mr. C. H. Robinson, the former President, who has served so acceptably and so efficiently for several years past, declined a re-election.

Gems of the Season.

Fashions in jewelry change as often almost as do fashions in dress, the leading fancy stones at present being the spinel, a natural crystal, tourmaline and jargon. These stones are remarkable for their brilliant colors, and are well adapted for rings and lace pins. The Alexandrite, named after the Emperor of Russia, is emerald green by reflected light, being, therefore, green in the daytime and red at night. It is very rare and exceedingly valuable. Cat's-eyes have also crept into favor, and are much in demand for a centre stone surrounded by diamonds. It is not so much what one wears now as is the exclusiveness of the design.

Masonic.

At a meeting of Wilmington Lodge No. 319 A. F. & A. M., held yesterday evening, the following officers were elected for the Masonic year:

W. M.—W. H. Chadbourne.
S. W.—E. G. Barker.
J. W.—R. S. Radcliffe.
Treasurer—A. J. Howell.
Secretary—W. S. Warrock.
S. D.—Charles Schwarz.
J. D.—John H. Handy.
Stewards—Wm. Olersee, H. Wentzen.

Chaplain—Samuel Northrop.
Marshal—J. L. Cantwell.
Tyler—B. G. Bates.

The above officers will be installed on St. John's Day, December 27th, at 3 o'clock in the afternoon.

The almanac predicts snow for to-day and to-morrow, but it will probably all come to-morrow.

Knights of Pythias.

At a regular meeting of Stonewall Lodge No. 1. K. of P., held Monday evening, the following officers were elected for the ensuing year:

C. C.—John H. Davis.
V. C.—Thos. D. Meares.
Prelate—James W. King.
M. of E.—W. S. Warrock.
M. of F.—Wm. L. Jewett.
K. of R. and S.—W. J. Gordon.

For 1882

We have received a copy of the "Western Farmers' Almanac" for 1882, published by Messrs. John P. Morton & Co., Louisville, Ky. It contains, besides the usual calendar, a series of weather predictions for the year, and a weather map, in which the country is divided into districts, which might be studied with interest and, possibly, profit. Aside from these, there is a large amount of reading matter, useful to the farmer as well as to others. The present number is for the 55th year of its publication.

A homely young girl has the consolation of knowing that if she lives to be forty she'll be a pretty old girl.

When a man says he makes his living by keeping a country tavern, isn't it a sort of declaration of inn dependence.
