"JUST IMAGINE HOW I FELT."  
BRUNSWICK, CO., Va.,  
November 5th, 1881.

Mrs. JOE PERSON,  
Franklinton, N. C.

DEAR MADAM:—It is with pleasure that I write to tell you that your valuable Remedy has entirely cured me of a most fearful looking and painful sore on my ankle. It came more than twelve months ago, very much like a ring worm. I painted it with Tinct. Iodine, until it became a very painful and bad looking place. Then I commenced to try everything I could think or hear of, until it became so very painful I could scarcely walk, when I went to the best doctor in the country for advice. He told me he could cure me if I would take my bed and there remain for four or five weeks, and if I did not do so pretty soon, it could not be cured at all, as the bone would become diseased, and my foot would have to be taken off. Just imagine how I felt, to be told there was no cure for the sore but to lose my foot, or give up all business—either of these Remedies would have ruined me. Mind you this was the advice of one of the best doctors in the State of North Carolina, and this conversation took place last February. I continued to burn with caustic, as he advised until September, but derived no benefit from his treatment. I was advised then by a friend to try your Remedy, (Bitters and Wash) took the first dose the 17th of September, and I am now a well man, the sore is perfectly cured, and I can now walk as far, as much and jump as high as any man you know. Put me back to the 1st of September, let me know as much as I now do of the virtue of your Remedy, and I would not hesitate to pay ten dollars a bottle for it, if I could not get it for less. I think more of it than any medicine in the world. It is not only the best Remedy to purify the blood and cure all skin diseases, but I believe it will cure all kinds of blood diseases, and I know it will cure a love for strong drink. I hope you will have this published, as there are many sufferers who could be cured, if they could know of and get your Remedy. I am truly and respectfully,  
**JOS. R. MASON,**  
South Gaston, N. C.

Gros grain silks in the rich blue and olive shades make up beautifully, associated with brocaded velvet.  
Large hats with obelisk crowns and halo brims are the first choice of the most fashionable young ladies.

## Personal.

Rev. Frank H. Wood, the newly appointed pastor of the Front Street M. E. Church, arrived in the city last evening, with his family, and stopped with Mr John F. Garrell, where they will remain for a few days, until some necessary repairs upon the parsonage can be completed.  
The Philadelphia Times writes properly—"An Historical Turpique."—*Morning Star*.  
You have slipped up this time, Bro. K. A historical turpique is correct, according to the best rules. If the "h" in historical was silent, then "an" would be correct, but as it is not silent, "a" is the proper article to be used.  
Indications.  
For the South Atlantic States cooler fair weather, westerly veering to northerly winds, higher pressure. The Chief Signal Officer of the army furnishes the following bulletin to the Press: Cooler fair weather is indicated for Saturday east of Mississippi River, and for Sunday in New England, the Middle, South Atlantic and Gulf States.  
Four Lives Saved.  
Dr. Bull's Cough Syrup relieved four of my children of a most alarming attack of Whooping Cough, from which their throats and necks became so swollen as to prevent them from swallowing. Nothing would give them even temporary relief, until this Syrup was tried. One bottle, in one night, saved their lives, I verily believe.

## A Fowl Proceeding.

One of the grocers on Water street this morning presented one of the attaches of the Review office with a very fine turkey, whereat the latter is glad, and hopes that the generous donor, Mr. F. A. Newbury, may live forever and die happy. There are several other married men in the Review office, including the proprietor, whose turkeys are yet on the wing.  
Bed-Bugs, Roaches, Rats, mice, ants, flies, vermin, mosquitoes, insects, &c., cleared out by "Rough on Rats." 15c. boxes at druggists.  
The Cape Fear.  
The water in the river at this port is discolored but there is no fresher to report as yet. The steamers *D. Murchison*, *Waves*, *Gov. Worth* and *Bladen* are all here, expecting to leave this afternoon, with large cargoes of Christmas supplies. When they left Fayetteville yesterday it was raining and it continued to rain all of the way down. It was also raining very hard in the interior yesterday and we think that better water is sure to result.  
To Builders and others—Go to Jacobs's for Sash, Blinds and Doors, Glass, &c. You can get all sizes and at the lowest prices.  
Accident to the Wm. Nyce.  
While the steam tug *Wm. Nyce* was towing a vessel from Messrs Parsley & Wiggins' saw mill this forenoon, the connecting rod broke just below the crosshead, and the follower flew up and broke the cylinder head in four pieces, besides breaking the rim of the cylinder. This, of course, rendered her unserviceable for the time, and she was taken in tow by the little steam yacht *Navassa*, and brought to the wharf at the foot of Market street where she now lies and is being repaired. Fortunately no one was injured by the accident.  
Can't something be done for Chestnut street, between Second and Third. It is in a fearful plight, as the result of the recent rains.  
Condensed Benefit.  
The way people now use the great beverage—beer—it would be supposed that each glass thereof is brimful of benefit; it may be. But there is another liquid of national reputation, every bottle of which is filled with immeasurable benefit to such as need its services. Mr. Edward A. Kenney, Supt. Boston Beer Brewery, Boston, Mass., thus speaks of it: I distributed several bottles of St. Jacobs Oil among those of my men subject to severe pains caused by exposure to care them. I can therefore safely recommend it to all parties suffering from pains of any kind.

## Complications.

If the thousands that now have their rest and comfort destroyed by complication of liver and kidney complaints would give nature's remedy, Kidney-Wort, a trial they would be speedily cured. It acts on both organs at the same time and therefore completely fills the bill for a perfect remedy. If you have a lame back and disordered kidneys use it at once. Don't neglect them.—*Mirror and Farmer*.
