"JUST IMAGINE HOW I FELT."

BRUNSWICK, Co., Va.,
November 5th, 1881.

Mrs. JOE PERSON,

Franklinton, N. C.

DEAR MADAM—It is with pleasure that I write to tell you that your valuable Remedy has entirely cured me of a most fearful looking and painful sore on my ankle. It came more than twelve months ago, very much like a ring worm. I painted it with Tinct. Iodine, until it became a very painful and bad looking place. Then I commenced to try everything I could think or hear of, until it became so very painful I could scarcely walk. When I went to the best doctor in the country for advice. He told me he could cure me if I would take my bed and there remain for four or five weeks, and if I did not do so pretty soon, it could not be cured at all. As the bone would become diseased, and my foot would have to be taken off. Just imagine how I felt, to be told there was no cure for the sore but to lose my foot, or give up all business—either of these Remedies would have ruined me. Mind you this was the advice of one of the best doctors in the State of North Carolina, and this conversation took place last February. I continued to burn with caustic, as he advised until September but derived no benefit from his treatment. I was advised then by a friend to try your Remedy, (Bitters and Wash) took the first dose the 17th of September, and I am now a well man, the sore is perfectly cured, and I can now walk as far, dance as much and jump as high as any man you know. Put me back to the 1st of September, let me know as much as I now do of the virtue of your Remedy, and I would not hesitate to pay ten dollars a bottle for it, if I could not get it for less. I think more of it than any medicine in the world. It is not only the best Remedy to purify the blood and cure all skin diseases, but I believe it will cure all kinds of blood diseases, and I know it will cure a love for strong drink. I hope you will have this published, as there are many sufferers who could be cured, if they could know of and get your Remedy I am truly and respectfully,
JOS. R. MASON,
South Gaston, N. C.

The Remedy is for sale in Wilmington by Dr. Wm. H. Green. Send for circular of testimonials.

A Revolutionary Relic

We have received from Messrs Hancock & Daggett an old six-pound cannon ball which was dug up in the basement of the new building they are to erect at their old stand on Market street. It was found several feet below the surface and is without doubt a relic of revolutionary days. It is quite evident that this building was the site of one or more structures in other days. An old brick wall has been unearthed and two brick pavements have been found at intervals beneath the surface.

Maultsby was bound over to the Criminal Court in the sum of \$100 and will spend his Xmas in Jail.

The Jewish Fair.

The Fair to be given at the City Hall next week by the congregation of the Temple of Israel, and for the benefit of the Temple, promises to be one of the most elaborate affairs of the kind ever known here. We were at the Hall this morning and found the preliminary preparations well advanced under the supervision of Mr. A. Weill, Chairman of the Executive Committee, assisted by Mr. J. I. Macks. The most prominent feature on entering the Hall is the centre piece, an octagonal structure, which is to be the Floral Stand, North of it is a mossy well from whence the "soul inspiring lemonade" is to be drawn and South of it and directly in front of the stage is being arranged a large V shaped structure with glass front and with boxes, where refreshments and confectionaries are to be sold. The post-office is on the West side of the hall and there are a number of booths for the sale and display of fancy articles at various points throughout the centre hall. The gallery and the body of the hall will be decorated with the "flags of all nations."

The Fair will be formally opened on next Tuesday evening and will continue for three nights. The opening ceremonies will be inaugurated by a few remarks by Mr. Weill, after which Dr. Mendelsohn will deliver a prayer, then M. E. S. Martin will deliver an address, and at the conclusion of the address Hon. Wm. L. Smith, Mayor of the city, will declare the Fair formally opened. There will probably be a large attendance on each evening of its continuance.

The Register of Deeds issued eleven marriage licenses this week, two of which were for white couples and nine for colored couples.

Mr. J. H. Savage, Superintendent at the Poor House, will give the inmates of that institution on Monday next a regular old-fashioned Christmas dinner of poultry, roast meats, &c.

There are 26 barques, 6* brigs and 9 schooners, a total of 41 vessels, in port at this time; and there are 15 barques, 3 brigs and 1 schooner, a total of 19 vessels, bound for this port.

Hunting around to buy Christmas presents

we found a fine assortment of pocket knives, silver plated ware, table cutlery as well as some of the best stoves we have seen, at Jacobi's Hardware Depot and their prices were lower than we expected to find.
