"JUST IMAGINE: HOW I FELT."

BRUNSWICK, Co., Va.,

November 5th, 1881.

MRS. JOE PERSON,

Franklinton, N. C. DEAR MADAM :- It is with pleasure that I write to tell you that your valuable Remedy has entirely cured me of a 10th. most fearful looking and painful sore on my ankle. It came more than twelve months ago, very much like a ring worm. place. Then I commenced to try everything I could think or hear of, until it became so very painful I could scarcely walk, when I went to the best doctor in the country for advice. He told me and if I did not do so pretty soon, it could not be cured at all, as the bone would become diseased, and my foot would have to be taken off. Just imag ine how I felt, to be told there was no cure for the sore but to lose my foot, or give up all business-either of these Remedies would have rained me. Mind you this was the advice of one of the best doctors in the State of North Carolina, and this conversation took place last February. I continued to burn with caustic, as he advised until September I was advised then by a friend to try your Remedy. (Bitters and Wash) took the first dose the 17th of September, and I am now a well man, the sore is perfectly cured, and I can now walk as far, dance as much and jump as high as any man you know. Put me back to the 1st of September, let me know as much as I now do of the virtue of your Remedy, and I would not hesitate to pay tea dollars a bottle for it, if I could not get it for less. I think more of it than any medicine in the world. It is not only the best Remedy to purify the blood and cure all skin diseases, but I believe it will cure all kinds of blood diseases, and I know it will cure a love for strong drink. I hope you will have this published, as there are many sufferers who could be eured, if they could know of and got your Remedy I am truly and respectfully,

South Gaston, N. C. The Remedy is for sale in Wilmington by Dr. Wm. H. Green. Send for circunov 14 daw lar of testimnials.

Christmas, 1881.

Is now a thing of the past. The Day, which fell on Sunday, and the day after, which was observed as the holiday, passed off pleasantly and without any serious accident. It was largely attended, and was a very pleasant affair. A delightful feature of the evening was the presentation to Prof. Agostini by a number of his scholars, of a beautiful solitaire diamond ring. The presentation was made very happily by Mr. Geo. R. French, and Prof. Agostini made a bandsome re

#### Log Crushed.

A young colored man by the name of Fred Hampton, who was an employe of the W., C. & A. R. R. Co., met with a sad accident last Saturday night. He jumped from the mail train on that road which had just come in, for the purpose of arranging a switch, and as he alight. ed struck against another man, a wood passer, who was near the train at the time, and whom he did not notice. The wood-passer was knocked down and Hampton also fell with one of his legs extending across the track, over which one of the engine wheels passed, crushing it fearfully. It was found necessary to amputate the leg just below the knee, fications to be seen at office of City Treasurer which was done, and at last accounts the the city because exhausted early yester. injured man was doing well. #### Disastrous:Fire at Wadesboro.

Capt. June Gardner, Conductor on the Carolina Central R. R., told us this raging at Wadesbero when he passed with his train, bound East. He says the Board of Directors of this Bank payable that town last night, about 11 o'clock, that the fire must have originated about January 5th, 1882. 11 o'clock, as it was visible long before the train reached the Wadesboro depot, which is a mile from the town. Wadesboro, be it remembered, is on a high eminence, and a fire can be very plainly visible for many miles in more than one direction. A special to the REVIEW from Wadesboro, received at 3 o'clock, this P. M., gives all of the information relative to the fire we have been able to obtain. It says that seven business houses were burned entailing a loss of \$25,000. There was very little insurance. The sufferers are Wm. Murr & Bro., Geo. P. Horton, Dr. B. B. Horton, Wm. Pinkson, H. Mensing, T. S. Crowson and the Misses Lester. The fire originated from a stove in Mr. G. P. Horton's store.

### The Hebrew Fair.

The spacious City Hall was thronged last evening by those who crowded there in attendance on the opening of the Hebrew Fair, which took place last night The opening exercise were very appropriate. Mr. A. Weill, Chairman of the Executive Committee, presided. A fervent prayer was delivered by Rev. ted at 93 Washington Street, this city, S. Mendelsohn, after which Mr. E. S. Martin, the orator of the occasion, delivered a beautiful and appropriate address. The Fair was declared formally opened The hall was thronged throughout

the entire evening. The tables were loaded with beautiful fancy articles, which were offered for sale and were freely purchased, and the refreshment tables, with their tempting deliccacies were mest my thankfulness for the invention and liberally patronized. The arrangements of the hall are beautiful and very tasteand shall esteem it a duty, privilege and ful. The opening of the Fair was very successful in every respect. It is estimated that there were between four hin dred and five hundred persons present and the receipts of the evening footedup in the neighborhood of \$800. It is bosed that the entire amount realized will be at least \$1,500 and perhaps \$2,000. The Fair will be continued this evening and to-morrow evening.
