It is said that the hat of a Boston lady
 holds eleven ostrich plumes, and we rise
 to remark that we don't wish to see any
 such hats until after the theatre season
 closes.

The retention of any waste matter in
 the system produces injury. The collection
 of "phlegm" or diseased mucus in
 time of cold or throat affection should be
 promptly removed. Dr. Bull's Cough
 Syrup does it more quickly and effectually
 than any other cough syrup made.

The warm, pleasant weather of yester-
 day flew away on the "wings of the
 morning" and to-day is cold, raw and
 blustering. This is in proof of the an-
 cient dictum,
 "When the days begin to lengthen,
 The cold begins to strengthen;"
 and there has been an increase in the
 day's length of about three minutes.

Flies & Mosquitoes.
 A 15c. box of "Rough on Rats" will
 keep a house free from flies, mosquitoes,
 rats and mice, the entire season. Drug-
 gists.

The Fire.
 The alarm of fire was sounded at 12:45
 o'clock this afternoon caused by the
 burning of the roof of a two story frame
 dwelling house situated on the northeast
 corner of Third and Brunswick streets,
 and occupied by J. A. Ashe, colored.
 The fire ignited on the roof, which was
 considerably damaged, but the building
 was saved. Some damage resulted to
 the furniture of Ashe, but it was incon-
 siderable.

We were unable to ascertain whether
 there was any insurance upon the prop-
 erty or not.

Knights of Pythias.
 At the regular meeting of Germania
 Lodge, No. 4, K. of P. held last evening,
 the following officers were elected to
 serve for the ensuing term:
 G. C.—John Haar, Jr.
 V. C.—Henry Wentzelsen.
 W. C.—C. E. Von Kampen.
 M. of E.—F. W. Ortman, re-elected.
 M. of F.—J. F. Stohr.
 K. of R. & S.—John W. Gerdt.
 Trustees.—John Haar, Jr., John W.
 Gerdt and F. W. Ortman.
 The installation of the above named
 officers, together with the appointive
 officers, will be conducted by D. D. G. C.,
 H. C. Prempert, on Thursday evening
 next.

Complications.
 If the thousands that now have their
 rest and comfort destroyed by complica-
 tion of liver and kidney complaints
 would give nature's remedy, Kidney-
 Wort, a trial they would be speedily cured
 it acts on both organs at the same time
 and therefore completely fills the bill for
 a perfect remedy. If you have a lame
 back and disordered kidneys use it at
 once. Don't neglect them.—*Mirror and
 Farmer.*

 ranted. Sold only at JACOBS. †

"Lo! The Poor Indian."
 Remember that W. H. Scott's troupe
 of live Indians will appear at the head
 of the old market next Monday evening
 at three o'clock, and it is hoped by the
 management that our citizens generally
 will turn out to give them greeting.

Magistrate's Court
 A man, whose name we withhold, was
 brought up on an affidavit charging him
 with a violation of the statute which
 prohibits the sale of intoxicating liquors
 to minors. The testimony warranted
 the examining magistrate in binding the
 defendant over, in the sum of \$100, with
 sureties, to the next term of the Crimi-
 nal Court.

John Bishop, colored, charged with
 the larceny of a pair of pants from Mary
 Carr, also colored. The defendant was
 discharged for want of sufficient evidence
 to bind him over. Judgment against
 the prosecutor for costs.

David Hewes, colored, charged with
 an assault and battery upon Bella
 Hewes, also colored. The defendant
 submitted, paid the costs and was dis-
 charged.

Edith Ison, charged with the larceny
 of a coat from George F. Collins, was
 in default of bonds for his appearance at
 the next term of the Criminal Court,
 sent to Jail.

A New Village.
 We learn that there is quite a brisk
 little village springing into existence in
 Holly Shelter township, Pender county.
 It is located near Shelter Creek, one of
 the tributaries of the Northeast river,
 and is about 15 miles East of Burgaw,
 on the road to Jacksonville, Onslow
 county. The location is an excellent
 one, as the climate is healthy, the soil
 is fertile as any in the State, and
 there is an almost limitless supply of
 all kinds of wood and timber, especially
 of beech, oak, ash, hickory and maple.

In a Western paper we observe:—Mr
 Geo. F. Helderle, of Peru, Ind., says
 that he had suffered very much with
 Rheumatism and used many remedies,
 without benefit. St. Jacobs Oil gave
 him the relief sought.

**Wilmington, Wrightville & Jackson-
 ville Railroad**
 The friends of the above named enter-
 prise held a meeting in this city yester-
 day, and perfected their organization by
 the election of a Board of Directors,
 constituted as follows: E. C. McLenden,
 Robert E. Batts, Joseph T. Foy, A. R.
 Black, E. M. Wooten, Geo. M. Crapon,
 Geo. T. Wasson and E. F. Martin.
 Subsequently the Board of Directors
 held a meeting and elected the following
 officers: President, Joseph T. Foy;
 General Superintendent, F. M. Wooten;
 Secretary and Treasurer, George M.
 Crapon.
 Messrs E. C. McLenden, of Onslow,
 and A. R. Black and E. F. Martin, of
 New Hanover, were appointed a com-
 mittee to secure the right of way of the
 lands through which the road may run.
 The President was directed to appoint
 suitable persons to open books of sub-
 scription to the stock along the line of
 the road.
 The meeting then adjourned to meet
 again in this city on Saturday, January
 7th, 1882.

The Hebrew Fair.
 Last night was the third and last
 night of the Hebrew Fair, which will be
 long remembered as one of the most
 successful of its kind ever gotten up in
 this city.
 Miss Ella Weill, who so graciously
 presided as "Rebecca at the Well," was
 declared the most popular young lady,
 having received 964 votes, and conse-
 quently, to her was awarded the prize
 of a handsome gold watch and chain.
 Mr. E. S. Martin, having received 255
 votes, was declared the most popular
 gentleman, and to him was awarded the
 gold-headed cane. The list of articles
 raffled for is so long that we have not
 space to publish it in full; but will state
 that Mr. Marcus Bear won a bale of
 cotton; Alderman L. H. Bowden won a
 diamond ring; Mrs. S. Blumenthal won
 a pair of diamond ear-rings, and Col. D.
 K. McRae won an ebony clock.
 The receipts of the three evenings
 will exceed \$2,000. The managers, ex-
 ecutive committee and others interested
 were untiring in their efforts to have
 the enterprise crowned with success, and
 we congratulate them upon the well de-
 served and fortunate result.
 All edibles not disposed of were do-
 nated to the Ladies' Benevolent Society.

New Process for Washing Linen.
 An English magazine says:—"In Ger-
 many and Belgium a substitute has
 lately been introduced for soda in the
 laundry, which, while it has all the
 detergent qualities of soda, does no in-
 jury to the linen. Two pounds of soap
 are dissolved in about five gallons of
 water as hot as the hand can bear. To
 this are added one tablespoonful of oil of
 turpentine and three of liquid ammonia.
 This mixture is then well stirred, and in
 the clothes are steeped for three
 hours, the washtub being covered
 up as carefully as possible. Next,
 the clothes are washed, rinsed and
 bleached as usual. The mixture will serve
 a second time, only it must be reheated
 and one-half spoonful of oil of turpen-
 tine and one and one-half of ammonia
 added to it. The process economizes
 time, labor and fuel. The clothes are
 not injured because the ammonia evap-
 orates very quickly; and as for the
 smell of the turpentine, that disappears
 in the drying.

Not to be Commended.
 There was quite a lively scrimmage on
 Front street this afternoon, which was
 of no very creditable to the parties con-
 cerned. It seems that a man was trying
 to get his wife, who was considerably in-
 toxicated, to go home, and she resisted,
 and in the struggle for the mastery that
 ensued the chances were rather in favor
 of the woman. At this juncture a police-
 man to take the woman home. Upon
 this the son pitched into the policeman,
 but the latter, as a matter of course, was
 victorious, and finally the trio were sub-
 dued and taken to the guard house.

ALEX. T. LONDON,
 Commissioner

DEAR MADAM:—It is with pleasure
 that I write to tell you that your valuable
 Remedy has entirely cured me of a most
 fearful looking and painful sore on
 my ankle. It came more than twelve
 months ago, very much like a ring worm.
 I painted it with Tinct. Iodine, until it
 became a very painful and bad looking
 place. Then I commenced to try every-
 thing I could think or hear of, until it
 became so very painful I could scarcely
 walk, when I went to the best doctor in
 the country for advice. He told me
 he could cure me if I would take my bed
 and there remain for four or five weeks,
 and if I did not do so pretty soon, it
 could not be cured at all, as the bone
 would become diseased, and my foot
 would have to be taken off. Just imag-
 ine how I felt; to be told there was no
 cure for the sore but to lose my foot, or
 give up all business—either of these Re-
 medies would have ruined me. Mind
 you this was the advice of one of the best
 doctors in the State of North Carolina,
 and this conversation took place last
 February. I continued to burn with
 caustic, as he advised until September,
 but derived no benefit from his treatment.
 I was advised then by a friend to try
 your Remedy (Bitters and Wash) took
 the first dose the 17th of September, and
 I am now a well man, the sore is perfectly
 cured, and I can now walk as far,
 dance as much and jump as high as any
 man you know. Put me back to the 1st
 of September, let me know as much as I
 now do of the virtue of your Remedy,
 and I would not hesitate to pay ten dol-
 lars a bottle for it, if I could not get it
 for less. I think more of it than any
 medicine in the world. It is not only
 the best Remedy to purify the blood and
 cure all skin diseases, but I believe it will
 cure all kinds of blood diseases, and I
 saw it will cure a love for strong drink.
 I hope you will have this published, as
 there are many sufferers who could be
 cured, if they could know of and get your
 Remedy I am truly and respectfully,
JOS. R. MASON,
 Scott's Gaston, N. C.

The Remedy is for sale in Wilmington
