**HER CASE WAS AN INTERESTING STUDY.**  
LITTLETON, N. C., Nov. 10, 1881.  
MRS. JOE PERSON.  
Dear Madam:—I commenced last January to use your Bitters and Wash on our little daughter Annie, aged twelve years, for Scrofula, with a tendency to White Swelling, the physician said. At the time I commenced using your Remedy she was very much reduced in flesh, complexion sallow, appetite poor, limbs very much swollen, bones enlarged, with two frightful sores on her left leg near the ankle. After using the Remedy a week or two I could see a change, as I then thought, for the worse. The sores discharged copiously a yellow corruption, sometimes running in a stream to the floor in spite of the linens. But feeling encouraged by your letters I persevered and after using the Remedy a while longer her strength was greatly improved, her appetite good and complexion much improved. Those symptoms encouraged me, but the flow of corruption continued for several months, and not until her general health was greatly improved did the sores begin to heal. First the swelling began to decrease below the knee, and continued gradually downward, and when it nearly reached the sores they began to heal. In the meantime the leg from the ankle half way to the knee became covered with running pimples, in fact the leg had become almost a solid sore. After this the sores healed rapidly. The worst one, on the instep, healed entirely, the other to the size of a five cent piece, and it has remained in that condition ever since, which has been several months ago. For a month or more it has not discharged at all, and looks sometimes now as if it was entirely well. As a Blood Purifier and Tonic I think it superior to anything I ever tried. If you could have seen my daughter when she commenced using your Remedy, and now, you would hardly believe her to be the same child. Last January nearly every one thought she would die. Then she was a living skeleton, now she is fat and rosy. Her case was an interesting study from the time she commenced your Remedy. I can most heartily and cheerfully recommend it to be what you claim for it. Wishing you every success with your undertaking, and with many thanks for the benefits we have received from your medicine, I am, very respectfully,  
MRS. R. J. ALLEN.

**Knights of Pythias.**  
The Twelfth Annual Meeting of the Grand Lodge of Knights of Pythias convened in Goldsboro on Tuesday last, with the following officers:  
Grand Chancellor, J. A. Bonitz, of Goldsboro.  
Grand Vice Chancellor, Chas. R. Jones, of Charlotte.  
Grand Prelate, J. T. Townsend, of Cumberland county.  
Grand Past Chancellor, John L. Dudley, of Wilmington.  
Grand Keeper of Records and Seal, J. W. Phillips, of Fayetteville.  
Grand Master of Exchequer, R. T. Scanlin, of Fayetteville.  
Grand Master at Arms, H. C. Prempert, of Wilmington.  
Grand Inner Guard, W. H. Gerken, of Wilmington.  
Grand Outer Guard, A. Edwards, of Goldsboro.  
The report of the Grand Chancellor shows that since the meeting of the last session of the Grand Lodge, Lodges were revived at Raleigh and in Paulico, and a flourishing Lodge established at Salisbury. Dispensations have also just granted for the organization of two other new Lodges—one at Oxford, with 25 charter members, and another at Newton Grove, in Sampson county, with 15 charter members.  
The Order shows a steady growth within the jurisdiction, and the endowment feature connected with it is likewise growing in strength and popularity. The financial condition of the Order is in a healthy condition.  
Messrs J. H. Shultz, W. H. Gerken and J. C. Brewster were appointed a special committee on the reports of the Grand Chancellor and Keeper of Records and Seal.  
The following constituted the several standing committees during the session of the Grand Lodge viz:  
On Laws and Supervision—Chas. R. Jones, J. J. Fowler and W. T. Hollowell.  
On Finance and Mileage—W. H. Gerken, J. W. Moore and George W. Dewey.  
On Appeals and Grievances—John L. Dudley, L. S. Overman and J. C. Brewster.  
On Credentials—W. S. Farmer, J. H. Shultz and J. C. Brewster.  
On Printing and Supplies—J. W. Phillips, R. T. Scanlin and W. H. Collins.  
On Foreign Correspondence—J. W. Moore, D. G. McRae and Chas. Dewey.  
On State of the Order—Thos. H. Sutton, Junius Slocumb and F. W. Foster.  
Reports from the several standing committees were read and accepted.  
Col. Chas. R. Jones entertained the Grand Lodge during the morning session of Wednesday with an eloquent address full of interesting and instructive suggestions touching the tenets, aims and progress of the Order of Knights of Pythias.  
The Committee on Constitution submitted a new Constitution, which was adopted.  
Considerable legislation affecting the good of the order was enacted.  
P. S. Representative W. H. Gerken, of this city, exemplified the secret work of the order.  
The following Grand Officers were elected to serve for the ensuing year: J. H. Misillier, of Newbern, G. C. H. C. Prempert, of Wilmington, G. V. C. J. T. Townsend, of Lilly's Grove, G. P. R. T. Scanlin, of Fayetteville, G. M. R. of E. John L. Dudley, of Wilmington, G. K. of R. S. J. C. Brewster, of Raleigh, M. at A. Robert Chambers, of Charlotte, G. I. G. W. T. Hollowell, of Goldsboro, G. O. G. Julius A. Bonitz, of Goldsboro, Sup. Rep.  
P. C. John J. Fowler was appointed D. D. G. C. of Stonewall Lodge, No. 1, of this city, and P. C. John W. Gerdt was appointed D. D. G. C. of Germania Lodge, No. 4, also of this city.  
Col. Charles R. Jones, of Charlotte, delivered the closing address which was considered, by those who had the pleasure of hearing him, as a very able effort.  
Every Lodge in the State was represented, and quite a number of Past Chancellors were in attendance.  
Members of the order from this section of the State, who were in attendance, speak in high terms of the courtesy re-

ceived while in attendance upon the meeting of the Grand Lodge at Goldsboro, not only from members of the order there, but from the citizens generally.  
The Grand Lodge adjourned to meet in Wilmington on the second Tuesday in February, 1883.

**For Herringsville.**  
The handsome little steamer *Lisbon* which has just been completed by Capt. S. W. Skinner, at the ship yard in the lower part of the city, will leave here to-morrow morning for Herringsville, in Sampson county, with a tow of lighters. Herringsville is at the headwaters of Black river, about 100 miles from this city, and Capt. Skinner is confident that he can run regularly between the two points.  
The *Lisbon* is a handsome little craft, 50 feet long, 13 feet wide and 3 feet depth of hold. She is a stern-wheel boat, with double engines, and draws about 12 inches when light, and can therefore make her way up almost any watercourse. She is commanded by Capt. K. Phillips, a steamboatman of much experience, and is owned by Capt. S. W. Skinner, who will also be the agent here.

**Eclipses This Year.**  
In the year 1882 there will be two eclipses of the sun, and a transit of Venus over the disc of the sun:  
I. A total eclipse of the sun, May 17, not visible in America, the line of totality passing across Africa and Asia, and visible as a partial eclipse in Europe.  
II. An annular eclipse of the sun November 10, not visible in America, the principal phases being confined to the southern portions of the Pacific Ocean.  
III. Transit of the planet Venus over the disc of the sun, on December 6, visible throughout the United States. There will be four contacts of the circular discs or limbs of the sun and planet, namely, a first external contact of the limbs, and then, after an interval of about twenty-one minutes of time, the second contact, or first internal contact will take place. After an interval of about six hours the third contact or second internal contact will take place, and about twenty-one minutes after the third, the fourth contact or second external contact will complete the transit.

The receipts of cotton at this port to-day foot up 81 bales.  
H. A. Bagg, Esq., Chairman of the Board of County Commissioners, pays an official visit to the Poor House this afternoon.  
There were but two cases before the Mayor this morning, and those were for a failure to pay license tax. The cases were dismissed on payment of the tax.  
There have been lots of our country cousins in town this week and the river is alive with timber rafts, which, tied one to another sometimes reach far out into the stream.  
We are indebted to the Goldsboro Messenger and to Mr. W. H. Gerkin for the report of the proceedings of the Grand Lodge of K. of P., published elsewhere in this issue.  
Schooner *Julia Elizabeth*, Ingram, arrived here to-day, from Nassau, with a cargo of W. I. fruit, which will be sold at auction to-morrow by Messrs. Croly & Morris.  
The river is again swelling. The water was rising slowly at Fayetteville when the steamers left there yesterday morning. At that time there was about 20 feet of water on the shoals.  
Mr. J. L. Croom has leased the building, on North Water street, recently occupied by Mr. R. F. Eiden, deceased, and will open there on March 1st, with a full stock of groceries and liquors.  
The entire time of the Criminal Court was occupied to-day in the hearing of one case, which had not been decided at our close. The testimony had been heard but the arguments had not been made.  
There have been about 75 rafts of timber sold in this market this week. Some of these, however, were small rafts, from the South and Coharie rivers, in Bladen and Sampson counties.  
The delegates to the Grand Lodge of K. of P. at Goldsboro this week, as well as the visiting members from this city, returned here this morning.

**Lippincott's Magazine.**  
Lippincott's for March opens with a second paper on the "Gulf Coast," by Barton D. Jones, which is full of interesting and novel information, while the illustrations are among the best that have ever appeared in the Magazine. "The Burning of Columbia," by S. H. M. Byers, who was a prisoner at that place at the time of its capture, is a singularly vivid account of the scenes which came under the writer's observation, and of his personal adventures. An article on "Some Curiosities of Superstition" is especially noticeable for the similarity which it traces between modern spiritualism and individual necromancy. There are some capital stories in "College Eating Clubs," by Henry A. Beers. G. H. Pierce comments on "Manners, Foreign and Domestic," in a satirical vein. "Bread or a Stone" is a frontier sketch by Helen Campbell, and "Washington on the French Stage" by Theodore Child, catalogues the attempts made by French dramatists to utilize incidents in the American Revolution. There is a long instalment of "Stephen Guthrie," a serial which is attracting much attention. "A Fair Confederate Among the Pines," by Fanny Albert Doughty, is of course a Southern love-story. "Demoiselle Daphne," by Mary Mather, gives pleasant glimpses of Norman peasant life; and "A Breakfast Story," by W. H. Bliss, is very effectively told. Two short poems by William H. Howells and Henrietta R. Elliot, are sure to be widely copied. The "Monthly Gossip" and "Literary Notices" complete a list of contents which is unusually varied, and which includes nothing that is not readable and entertaining.
