**No Go.**

We learn that Rev. (?) Jas. Paterson, who made a speech at the Opera House last Sunday, intended to lecture at Brooklyn Hall last night and stood at the door for a long time trying to persuade the passers-by to purchase tickets of admission, but without success. As a consequence there was no lecture. Somehow or other this climate doesn't seem to be suitable to the genius of Mr. Paterson nor do our people seem to appreciate his wonderful gifts.

There were two cases for the consideration of the Mayor this morning. The first was that of the young man for disorderly conduct, which was continued from yesterday. In that case the charge was sustained and the defendant ordered to pay a fine of \$5, which he paid and was discharged.

The second was a charge of disorderly conduct preferred against Andrew Matzgering, a sailor. He was guilty, but as there were extenuating circumstances judgment was suspended.

**The Weather.**

The Chief Signal Officer of the Army furnishes the following special bulletin to the press:

The barometer is lowest near Eastport and highest north of Minnesota. Clear weather prevails in all districts east of the Rocky Mountains, except in the Tennessee Valley and Northern New England, where cloudy weather and rain or sleet are reported. A storm of slight energy developed on the New England coast during Thursday morning. Heavy rains in Northern New England, Nova Scotia and New Brunswick; the disturbance has moved slowly to the Northeast and is now central near Eastport. The following stations report more than 1 inch of rainfall during the past 24 hours: Eastport, 2.54 inches, and Chatham, 1.86 inches. The temperature has risen slowly in the Southern States, and in the Southern portion of the Middle States, and has fallen slightly in New England, Lower Lake Regions and in the Northwest, and the Missouri Valley. It has fallen from 10 to 20 degrees in Minnesota; it is below zero north of Minnesota. The following temperatures were reported yesterday afternoon: Norfolk, 66; Charleston, 69; Savannah, 69; Jacksonville, 74; Galveston, 72; San Antonio, 77; San Diego, 77; Port Eads, 71. The indications are that fair weather will continue until Saturday morning in the Middle and South Atlantic States, followed during Saturday morning with slightly cooler weather and increasing cloudiness and probably rain during Sunday.

**Death of Mr. Strauss.**

It is with sincere regret that we are again called upon to chronicle the death of one of our oldest German citizens, Mr. John William Strauss having died at his residence in this city at 9 o'clock this morning, aged about 60 years.

Mr. Strauss was a native of Caarsen, Province of Hanover, Germany, but has been a resident of this country for forty years. He arrived in Charleston in 1842, and after having served as mate on the steamer *Gladiator*, plying between this city and Charleston, on the Vanderbilt line, he settled in Wilmington in 1847. He married here and here he has remained ever since, engaged in mercantile pursuits, except for a few years when he was in the employ of the Wilmington & Weldon R. R.

At the breaking out of the war between the States Mr. Strauss, who was at that time on the pioneer corps of the German Volunteers, enlisted for the war and served in Howard's Cavalry. At the organization of the Evangelical Lutheran Church in this city he was elected a member of the Church Council, a position which he held at the time of his death. He was also a member of Cornelius Harnett Council, Legion of Honor, and Clarendon Council, Royal Arcanum, in both of which he had a beneficial.

Mr. Strauss was a man of sterling worth and of an open, upright character and he will be sorely missed and sincerely mourned by a large circle of sorrowing friends. Peace to his ashes.

The answer to the puzzle propounded by us yesterday is 12.

Hazel Kirke will be presented here next Tuesday evening. There will be but one performance and those who wish to see this attractive piece presented by an excellent company, should arrange for it at once. The box-sheet is now open at Dyer's.

**The New Minister.**

Mr. H. B. Eilers received a telegram this morning from Rev. Mr. Peschau, the newly-elected Pastor of St. Paul's Evangelical Lutheran Church, which was dated at Augusta, saying that he would be here with his family to-morrow morning. He stopped in Augusta to-day, with the intention of taking the train there this afternoon, at 6 P. M. Mr. Peschau is expected to preach his inaugural sermon in St. Paul's Church on Sunday morning.

**HER CASE WAS AN INTERESTING STUDY.**

LITTLETON, N. C., Nov. 10, 1881.  
Mrs. JOE PERRON.

Dear Madam:—I commenced last January to use your Bitters and Wash on our little daughter Annie, aged twelve years, for Scrofula, with a tendency to White Swelling, the physician said. At the time I commenced using your Remedy she was very much reduced in flesh, complexion sallow, appetite poor, limbs very much swollen, bones enlarged, with two frightful sores on her left leg near the ankle. After using the Remedy a week or two I could see a change, as I then thought, for the worse. The sores discharged copiously a yellow corruption, sometimes running in a stream to the floor in spite of the linens. But feeling encouraged by your letters I persevered and after using the Remedy a while longer her strength was greatly improved, her appetite good and complexion much improved. These symptoms encouraged me, but the flow of corruption continued for several months, and not until her general health was greatly improved did the sores begin to heal. First the swelling began to decrease below the knee, and continued gradually downward, and when it nearly reached the sores they began to heal. In the meantime the leg from the ankle half way to the knee became covered with running pimples, in fact the leg had become almost a solid sore. After this the sores healed rapidly. The worst one, on the inside, healed entirely, the other to the size of a five cent piece, and it has remained in that condition ever since, which has been several months ago. For a month or more it has not discharged at all, and looks sometimes now as if it was entirely well. As a Blood Purifier and Tonic I think it superior to anything I ever tried. If you could have seen my daughter when she commenced using your Remedy, and now, you would hardly believe her to be the same child. Last January nearly every one thought she would die. Then she was a living skeleton, now she is fat and rosy. Her case was an interesting study from the time she commenced your Remedy. I can most heartily and cheerfully recommend it to be what you claim for it. Wishing you every success with your undertaking, and with many thanks for the benefits we have received from your medicine, I am, very respectfully,  
MRS. R. J. ALLEN.  
The Remedy is for sale in Wilmington by DR. W. H. GREEN. Feb 17
