**HER CASE WAS AN INTERESTING STUDY.**

LITTLETON, N. C., Nov. 10, 1881.

Mrs. J. O. PERSON.

Dear Madam:—I commenced last January to use your Bitters and Wash on our little daughter Annie, aged twelve years, for Scrofula, with a tendency to White Swelling, the physician said. At the time I commenced using your Remedy she was very much reduced in flesh, complexion sallow, appetite poor, limbs very much swollen, bones enlarged, with two frightful sores on her left leg near the ankle. After using the Remedy a week or two I could see a change, as I then thought, for the worse. The sores discharged copiously a yellow corruption, sometimes running in a stream to the floor in spite of the linens. But feeling encouraged by your letters I persevered, and after using the Remedy a while longer her strength was greatly improved, her appetite good and complexion much improved. These symptoms encouraged me, but the flow of corruption continued for several months, and not until her general health was greatly improved did the sores begin to heal. First the swelling began to decrease below the knee, and continued gradually downward, and when it nearly reached the sores they began to heal. In the meantime the leg from the ankle half way to the knee became covered with running pimples, in fact the leg had become almost a solid sore. After this the sores healed rapidly. The worst one, on the inside, healed entirely, the other to the size of a five cent piece, and it has remained in that condition ever since, which has been several months ago. For a month or more it was not discharged at all, and looks sometimes now as if it were entirely well. As a Blood Purifier and Tonic I think it superior to anything I ever tried. If you could have seen my daughter when she commenced using your Remedy, and now, you would hardly believe her to be the same child. Last January nearly every one thought she would die. Then she was a living skeleton, now she is fat and rosy. Her case was an interesting study from the time she commenced your Remedy. I can most heartily and cheerfully recommend it to be what you claim for it. Wishing you every success with your undertaking, and with many thanks for the benefits we have received from your medicine, I am, very respectfully,

MRS. R. J. ALLEN

**A Hungry Rogue.**  
Somebody broke into the kitchen on the premises of Mr. John A. Scarborough, on the corner of Dock and Seventh streets, on last Saturday night, and took off all of the provisions he could find, not molesting anything else. He borrowed an axe from a neighboring premises and took the sash out of the window, thus effecting an entrance. After getting in he carefully lighted the lamp to aid him in his search, but forgot to put it out when he left.

**Sheriff Ward Very Ill.**  
We are sorry to hear that Capt. A. C. Ward, Sheriff of Pender county, is very ill at his residence at Long Creek, with typhoid fever, and that fears of the result are entertained by his family and friends. He has been sick ever since Saturday, the 25th, ult., a few days after his house was destroyed by fire. He is attended by Dr. G. F. Lucas, a very skillful physician, and we trust that we may hear better reports in a day or two.

## Personal.

Capt. N. F. Thompson, formerly of this city, but now of Savannah, Ga., is here on a brief visit. His family are here yet and he proposes to remove them in the Fall to Savannah or Atlanta. Capt. Thompson, as our readers are perhaps aware, has made a big fight in Savannah for the interests he represents. His company now has the contract for lighting the city and is also engaged in putting up gas works for the corporation. There is a big fight going on in the Courts, however, over the matter, but he is sure of success. We were glad to see him looking so well and to know that he is prospering.

A citizen of the Quaker City, Mr. F. Freed, living at 122 Vine St., recently spoke as follows: "Being afflicted with a distressing cough, Dr. Ball's Cough Syrup was recommended to me for relief. I am happy to say that a few doses not only gave me instant relief, but effected a complete cure."

## Magistrate's Court.

John Garrison was arraigned to-day before Justice Gardner on a peace warrant, sworn out by Maria Garrison, and for an assault and battery committed on the person of Maria. The case was transferred from Justice Millis's court to that of Justice Gardner. There having been no deadly weapons used and no serious damages sustained, and the woman desiring that the case be disposed of at her costs, it was so ordered.

Justice Hall disposed of one trifling case this morning, in which the defendant was discharged and the costs were toted up against the prosecutor.

## A Pretty Plum.

We published in our State news columns on Saturday an item clipped from the *Roxboro Herald*, which stated that the great Moore estate in New York would revert to the heirs next June. This estate is the land on which the City Hall and other public buildings now stand. It was leased originally for 99 years and the lease will expire in June. It is said that the New York city authorities have offered \$8,000,000 for a title to the land, but we do not know how much litigation may result before the heirs get possession of the property. The *Herald* speaks of a number of heirs resident in Person county, in this State. Col. B. E. Moore, of this city, is one of the heirs, his interest being one-fifteenth. We are going to nominate him for Governor when he gets it.

## Attempted Suicide.

An awkward attempt to shuffle off this mortal coil was made last Saturday evening by a colored individual employed in a retail establishment on Front street. The names of the man and the house being suppressed by special request. The man was in an outhouse on the premises, locked in, when one of the clerks and another party who was near at hand heard a shot fired in the house. They hastily approached it, and on their demand were admitted to the house, when the individual who was in it confessed to having fired the shot with the view of taking his own life. The attempt failed, however, whether by inadvertance or design is not known to us, and it was not reported. The cause assigned for the exceedingly rash act is said to have been some domestic difficulties.

## Another Approach Needed.

A city correspondent makes a suggestion which will strike many very favorably. He thinks that there should be two roads to Oakdale Cemetery. Large numbers of our citizens visit this beautiful City of the Dead every day and on a fair, pleasant Sunday the number of visitors is especially large. Strangers, too, who stop over in the city, almost invariably pay a visit to its beautiful shades. The suggestion our correspondent makes is that an additional route be made by opening up Twelfth street, from Market to Campbell, the intersection of the two streets being within one hundred yards of the entrance to the Cemetery. By setting out shade trees, of which there is an abundance not far off, two pleasant routes to Oakdale could be opened up for the convenience of those residing in different sections of the city. It would also make a pleasant drive, going to the Cemetery by one route and returning by another.

## Death of Judge French.

It is again our sad province to chronicle the death of a very prominent citizen of Wilmington. Judge French, who as our readers are aware, has for many weeks past lain afflicted on his bed, died at 2 o'clock to-day. The shock is not so severe as it might have been under the circumstances, for the reason that his death has long been expected and it is for him beyond question a happy release from pain, however much his departure may be mourned by those who loved and honored him here.

ROBERT STRANGE FRENCH was born near Hampton, Va., and was 66 years old. He was first cousin to Judge Strange, of Fayetteville, the father of our deceased Col. Robert Strange, for whom he was named. He received his collegiate course at William and Mary and when a young man removed to Mississippi, where he entered upon the practice of law, and there he became an intimate friend of the famous Mississippi lawyer, S. S. Prentiss. He removed to North Carolina about the year 1846 and settled in Robeson County, where he resided up to the close of the war. For many years previous to the war he held the position of Clerk and Master in Equity of the Superior Court of Robeson county, and was universally commended as an exact and competent officer.

In 1860 Judge French was appointed by Gov. Ellis a Judge of the Superior Court in North Carolina, which position he filled most worthily and satisfactorily until October, 1865, when he was removed by the mandate of the military authorities. Not long after Judge French removed to Wilmington where he associated himself in the practice of the law with the late Judge Samuel J. Person. This partnership was dissolved by the death of Judge Person and ever since Judge French has continued the practice alone.

Judge French was an excellent lawyer, a judge of probity, uprightness and integrity and great discrimination and a lawyer whose mind was thoroughly versed in the lore of his profession. He was one of whom North Carolina had reason to feel proud and his name will hereafter be enrolled among those of the honored sons of our good old North State.

## The Funeral Yesterday.

The funeral of Mr. Jno. Wm. Strauss took place yesterday afternoon from the residence of the family, thence to St. Paul's Lutheran church and thence to Oakdale Cemetery. It was very largely attended, an evident token of the respect, and esteem in which the deceased was held by all in this community. The services were conducted by Rev. Mr. Peschau, Pastor of St. Paul's Church, and Rev. Mr. Payne, Pastor of the Second Presbyterian Church. The remains were escorted to the grave by the lodge of the Royal Arcanum and that of the American Legion of Honor, of both of which deceased was a member. The pall bearers were Messrs. H. B. Eilers, L. Vollers, E. Schulken and J. F. Rulls, from St. Paul's Church, and Capt. R. S. Radcliffe and Messrs. B. J. Jones, E. Peschau and M. M. Katz, for the Lodges.

## The New Minister.

Rev. F. W. E. Peschau, the new Pastor of St. Paul's E. L. Church, preached his first sermon in that church yesterday morning, in English, from the text, 48th Psalm, verses 12 and 13: "Walk about Zion, and go round about her; tell the towers thereof. Mark ye well her bulwarks, consider her palaces; that ye may tell it to the generation following." He preached a beautiful and eloquent discourse, but it was not intended as an inaugural discourse. That, the reverend gentleman said, he would defer until Sunday next, in consequence of the death of Mr. Strauss. On that occasion he proposed to speak plainly to those who had called him to the sacred charge of their spiritual welfare; to define his duties towards his congregation and what he conceived to be the duty of the congregation towards their pastor. Mr. Peschau also preached at night, and in German, and on both occasions to very large congregations. He has made a very pleasing impression upon all who heard him, many of whom were of other denominations, and we can but express the hope that the relations between pastor and people, so happily begun, may continue for many years.

Mr. Peschau is a married man and his wife and three children arrived here with him on Saturday. He is now the guest of Mr. H. Vollers but will move into the parsonage attached to the church to-morrow.

The Board of Aldermen meet this evening in regular monthly session.

The regular meeting of the Historical and Scientific Society will be held this evening.

The fire steamer *Cape Fear* was out this afternoon, at the foot of Market street, for practice.

The County Commissioners were in session this afternoon but nothing but routine business was transacted. We may report the proceedings to-morrow.

## Two Steamers.

Steam yacht *S. Y. Brunette*, from Philadelphia, for Savannah, put in here yesterday for coal. Also steam yacht *Medellin*, from New York for Vera Cruz, put in yesterday for coal and for some repairs to her machinery.
