one of the pall-bearers at Mr. Strauss'
funeral on Sunday last.

A beer, which weighed 1,200 pounds
was displayed by Mr. John C. Borne-
mann to day in front of his meat store,
on Market street. He will have it in

SEVERE ACCIDENT.
Mr. Thomas Gray, an employe at the
Wilmington & Weldon Railroad shop,
had the misfortune to get badly cut this
afternoon on the left thigh. It is thought
that the injury was inflicted by a saw but
we have not been able to get particulars
in time for this issue.

NO EMASCULATION.
We have the assurance of the man-
agement that the play of Hazel Kirke
will be presented at the Opera House to-
night without a line, a word, or even a
comma being left out, so that our thea-
tre goers may be sure to witness in its
entirety this famous drama, which has
held the stage to crowded houses for a
longer period in consecutive presentation
than any ever produced in New York.

It is further announced that a quar-
tette of Wilmington's finest vocalists
will grace the play by singing in the
third act the beautiful hymn "Abide
With Me."

VETERAN REUNION.
A meeting of a number of the surviv-
ing members of Company K, of the Third
North Carolina Regiment of Infantry,
was held at Burgaw on Monday, the 6th
inst., to make arrangements for a com-
pany reunion in the shape of a "basket
picnic," to be held at that place June
10th, 1882.

Dr. R. T. Saunders was called to the
Chair and Mr. J. W. Rowe was appoint-
ed Secretary. Dr. Saunders, upon taking
the chair, explained the object of the
meeting, and it was then

Resolved, That we have a basket din-
ner at Burgaw on the 10th day of June
next, which will be just 21 years from
the date of our departure from our homes
for the seat of war.

Resolved, That a committee of eight,
composed of the following named gentle-
men, be appointed to make all necessary
arrangements, viz: Capt. K. B. Powers,
Lts. S. P. Hand and R. T. Saunders,
and I. H. Brown, R. T. Bowden, B. O.
Cowan, J. W. Rowe and W. P. Player.

It is expected that good speaking and
good music will be features of the enter-
tainment to add interest to the occasion,
and that the ladies, "as one man," will
be in attendance to cheer by their presence
the heroes who yet remain to tell of gal-
lant deeds upon many a hotly contested
and bloody battlefield.

The popular and efficient representa-
tive of the Watertown and other insur-
ance companies in Grand Rapids, Mich.,
Mr. Wm. Marshall, writes: I cannot
too highly praise the curative powers of
that wonderful Remedy, St. Jacobs Oil,
for it cured me of Rheumatism, when
other remedies failed. I would not be
without a bottle again for ten dollars,
even if I had to pay that much for it.

The Funeral This Morning.

The mortal remains of the late Hon.
R. S. French were consigned to the grave
this forenoon. The funeral services took
place from the residence of the family,
corner of Market and Seventh streets,
thence to St. James' Church, of which
deceased had been for many years a mem-
ber, and thence to Oakdale Cemetery.
The sad and solemn services were con-
ducted by Rev. Dr. Watson, assisted by
Rev. Messrs. Pitts, Morrell and Meares.
Hon. Geo. Davis, Hon. O. P. Meares,
John L. Holmes, Esq., Col. B. R. Moore,
Capt. Jos. Price, Capt. A. L. DeRosset
and Messrs. DaB. Gatlar and M. Bel-
lamy were the pall bearers.

Fatal Accident.

Isaiah Savage, a white boy, about 12
years of age, son of Mr. Lewis Savage,
of Holly township, in Pender county,
while driving an ox team on M. J.
Bannerman's farm, on Saturday evening,
the 4th inst., either fell or jumped from
the tongue of the cart upon which he was
riding, and one of the wheels ran over his
body, causing injuries from which he
died in about 20 minutes. He was seen
to fall and assistance was promptly at
hand to take him to the house of Mr.
Bannerman, where he died in a few min-
utes. He was a bright, active boy
with an inclination for business habits
thus early developed.

Sudden Death.

We learn that Mrs. Bizzell, widow of
Dr. Henry Bizzell, of Clinton, Sampson
county, died very suddenly at her resi-
dence in that town on the night of
Thursday, the 2nd inst. She had retired
a little later than her usual time, and
soon after got up complaining of feeling
badly, and taking a seat in a chair died
almost instantly. It is supposed that
heart complaint was the immediate cause
of death. She was a sister of Mr. John
M. Robinson, of this city, and was a very
amiable and much beloved lady, whose
loss will be severely felt among her many
friends and kindred.

Railroad Meeting at Clinton.

We are indebted to Mr. E. T. Boykin,
the Secretary, for the following report of
the railroad meeting held at Clinton last
Thursday:

A large and enthusiastic meeting of
the friends of the Clinton & Point Cas-
well R. R. was held in Clinton on the
2nd inst. Hon. A. A. McKay was chosen
Chairman and E. T. Boykin Secretary.

The presiding officer, Messrs. E. W.
Kerr and D. M. O'Hanlon made elo-
quent and able speeches, urging the
necessity of an outlet from Clinton, and
showing the ability of the people to
build the road contemplated. Messrs.
J. L. Stewart, J. D. Kerr and E. T.
Boykin also addressed the meeting briefly.

A committee consisting of Messrs. C.
Patrick, W. M. Draughon and Thomas
Hobbs was appointed to solicit subscrip-
tions, and to report at Wilmington on
the 15th inst.

A resolution requesting Messrs. F.
W. Kerchner, Rufus Hicks, J. J. Hed-
rick, A. Adrian, Roger Moore, W. B.
McKoy, Jr., and Preston Cumming, to
assist Messrs. O. Fennell and J. C. Heyer
in securing subscriptions to the capital
stock of said Road, and to report on 15th
inst. at a meeting at the Court House in
Wilmington at 8 p. m., was unanimously
adopted.

THE DAILY REVIEW and Morning Star
were requested by a resolution to pub-
lish these proceedings.

The Secretary says that the people,
generally, since the meeting, are hopeful
that the Road will be built. We are in-
formed that subscriptions aggregating
nearly \$10,000 were secured. It is cer-
tain that this will be largely increased.
If other places along the proposed route
will do as well, especially if Wilmington
the point most to be benefited, will re-
spond liberally on the 15th inst., the road
is a certainty.

The object is at present to get \$50,000
subscribed, so as to organize the road,
this amount being required by the char-
ter as preliminary to organization. The
people of Pender county, between Point
Caswell and the Sampson line, will sub-
scribe \$10,000, those along the route
between the Sampson line and Clinton
will subscribe \$10,000. This
will make \$30,000 of the required \$50,
000, and it is hoped that the balance
may be obtained here. The gentlemen
forming the committee on subscriptions,
are expected to go to work before the
meeting to be held here, which will be
addressed by Edwin W. Kerr, Esq., and
Mr. D. M. O'Hanlon and others.

Board of Aldermen.

The Board of Aldermen met in regular
monthly session at the City Hall last
evening.

Committee on Fire Department were
granted further time on the matter of
the removal of a steam fire engine to the
north side of the W. & W. railroad.

On recommendation of committee the
lease of the school house on Fourth, near
Dock street, to Messrs. McRae and
Chadborn was extended for three years
from July 1, 1882—the building to be
used only for school purposes—subject
to approval of the Board of Audit and
Finance.

Several petitions for fire hydrants near
the properties of the respective petition-
ers were referred to the committee on
Water Works.

On motion the Mayor was requested
to appoint a standing committee on
Water Works. The Mayor appointed
Aldermen Huggins and Alderman as
said committee.

Alderman Worth offered the follow-
ing:

WHEREAS, The deeds for real estate
sold for the taxes of the years 1879 and
1880 and purchased by the city, have
not been made out, it is therefore

Resolved, That the tax collector be,
and he is hereby instructed, to include in
the books of deeds for the property
purchased by the city for the tax of 1881
all the property purchased by the city
for the taxes of 1879 and 1880. The
time of redemption for all property sold
as above shall be extended, as heretofore
ordained, to two years from March 1st,
1882.

On motion the resolution was adopted
The petition of Julius Samson for the
erection of a two-story building adjoining
the Rock Spring Hotel was reported
unfavorably upon, and the petition was
therefore refused.

The proposition of J. W. Taylor to
purchase the Bucket Company house on
Ninth street, between Castle and Queen
streets, was referred to committee on
Public Buildings, to report at next meet-
ing.

Mr. DuBruts On the 4th inst. was granted per-
mission to make a statement to the
Belgian block pavement, and stated
the grounds upon which the city should
refund the amounts collected of property
holders on account of supposed benefits
derived therefrom. The matter was
left open for future consideration.

Reports were received from the Chief
of the Fire Department and the Super-
intendent of Health.

The standing committees were directed
to make up estimates for the amount of
money required by their various depart-
ments, and report at a called meeting of
the Board.

County Commissioners.

The Board of County Commissioners
met in regular session yesterday after-
noon; present, H. A. Bagg, Esq., Chair-
man, and Commissioners Moore, Worth,
Montgomery and Pearce.

The Treasurer submitted his report
for the month of February, as follows:
General fund: Balance on
hand. \$28,193.79
Educational fund. Balance
on hand. 14,763.46
Special fund: Balance due
Treasurer. 162.75

And exhibited twelve bonds of the de-
nomination of \$500, with twelve cou-
pons of the denomination of \$15 each,
payable March 1st, 1882, attached,
which said bonds and coupons were
buried in the presence of the Board.

The Register submitted his monthly
report for February, showing the
amount of \$25.65 collected in marriage
fees, and exhibited his receipt from the
Treasurer for the same.

It was ordered by the Board that the
Treasurer of the county be authorized
to transfer from the general to the spe-
cial fund one thousand dollars as a loan
from the general fund to the special
fund.

It was ordered that the Finance Com-
mittee be authorized to settle with Col.
B. R. Moore, Solicitor of the Criminal
Court and County Attorney, under the
old arrangement, and that the agreement
made between him and the Board at
the regular meeting in December be
rescinded.

The following persons were drawn to
serve as jurors at the approaching term
of the Criminal Court: O. G. Parsely, Jr.,
J. W. Robbins, Thomas C. McIlhenry,
Aaron Kellogg, William Mosely, George
F. Lamb, B. A. Hallist, Allen Evans,
J. H. Mallard, W. C. Orr, Joe M. Branch,
J. T. Bosman, Geo. Henssett, Wm. E.
Davis, J. H. Gorton, J. H. Smith, D. L.

Going to Leave.

Mr. James W. Stroud, who has for a
number of years had charge of the grain,
meal and feed store of Mr. W. P. Old-
ham, on Water, between Princess and
Mulberry streets, has resigned this posi-
tion to accept of one which has been
tendered him at Florence, S. C., and will
leave to-morrow morning for the latter
place. His family will remain in this
city for a short time, or until he can
make suitable arrangements for their re-
moval. Mr. Stroud is a clever, industri-
ous and honorable young gentleman, and
while we regret to see him depart from
our midst, he has our best wishes for his
success in his future home, and we be-
speak for him the regard and respect to
which his many sterling qualities entitle
him. Good bye Jimmie!

That Problem.

None of the solutions received by us a
few days since of the arithmetical prob-
lem—If 6 and 4 made 8, what would 8 and
7 be?—are correct. Some of the responses
have gone very wide of the mark. The
problem is a perfectly legitimate one and
is easy enough,—once you know how to do
it. There are three processes by which it
may be worked, two of them analyti-
cal and the other by the arithmetical rule
of three. Of course, the real product of
8 and 7 will bear the same relation to the
supposed product as the real product of
6 and 4 bears to the supposed product.
Hence we have, by rule of three: As 10
is to 8 so is 15 to the answer. Multiply
the two means, 8x15, and dividing by
the first extreme, we have 120, divided by
10, which gives 12, the answer. To prove
it, by the same rule of three process, we
have the product of the means, 8x15,
equal to the product of the extremes,
10x12. It is a very neat problem and
is similar to that which we have heard
ascribed to the late J. Ghost Elliott? If
the third of 6 is 3, what will the fourth
of 20 be?

Indications.

North to East winds, local rains and
partly cloudy weather, generally higher

HER CASE WAS AN INTERESTING STUDY.

LITTLETON, N. C., Nov. 10, 1881.
MRS. JOE PERSON—
Dear Madam:—I commenced last Janu-
ary to use your Bitters and Wash on our
little daughter Annie, aged twelve years,
for Scrofula, with a tendency to White
Swelling, the physician said. At the
time I commenced using your Remedy
she was very much reduced in flesh, com-
plexion sallow, appetite poor, limbs very
much swollen, bones enlarged, with two
frightful sores on her left leg near the an-
kle. After using the Remedy a week or
two I could see a change, as I then
thought, for the worse. The sores dischar-
ged copiously a yellow corruption, some-
times running in a stream to the floor in
spite of the linens. But feeling encour-
aged by your letters I persevered; and after
using the Remedy a while longer her
strength was greatly improved, her appete
good and complexion much improved.
Those symptoms encouraged me, but the
flow of corruption continued for several
months, and not until her general health
was greatly improved did the sores begin
to heal. First the swelling began to de-
crease below the knee, and continued grad-
ually downward, and when it nearly reach-
ed the sores they began to heal. In the
meantime the leg from the ankle half
way to the knee became covered with run-
ning pimples, in fact the leg had become
almost a solid sore. After this the sores
healed rapidly. The worst one, on the in-
step, healed entirely, the other to the size
of a five cent piece, and it has remained
in that condition ever since, which has
been several months ago. For a month
or more it has not discharged at all, and
looks sometimes now as if it was entirely
well. As a Blood Purifier and Tonic I
think it superior to anything I ever tried.
If you could have seen my daughter when
she commenced using your Remedy, and
now, you would hardly believe her to be
the same child. Last January nearly
every one thought she would die. Then
she was a living skeleton, now she is fat
and rosy. Her case was an interesting
study from the time she commenced your
Remedy. I can most heartily and cheer-
fully recommend it to be what you claim
for it. Wishing you every success with
your undertaking, and with many thanks
for the benefits we have received from your
medicine, I am, very respectfully,
MRS. R. J. ALLEN
