Dr. Talmage's Lecture.

From Mr. Alex Sprunt, President of the Library Association, we are sorry to learn that Dr. Talmage, who was to have lectured in this city on the 13th inst., has been compelled to cancel his engagement on account of the railroad schedule. Mr. Sprunt has been very urgent in his appeals to Dr. Talmage, but to no avail; but has the distinguished divine's assurance that he will deliver his promised lecture in this city on his return from Charleston, which will be in a very short time. Dr. Talmage will lecture in Raleigh on the 12th and proceed from thence over the upper route on his south ern tour. We are aware that the post ponement of the lecture will be a great disappointment to many of our citizens but they have the consolation of knowing that they will not be ultimately deprived of the great pleasure of listening to the renowned lecturer.
