It is invalua-repair the roof and chimney of the store ble to Ladies who are experiencing the change of Capt. Beck on the corner of Sixth and Red Cross streets. Mr. Thos, S. Tolar and John Bradley, tinners, were on the scaffold double seaming the eaves of the roof when it broke throwing them to the ground. Mr. Tolar, in trying to save himself, fell on the limbs of a tree which broke his fall but scarred him very badly about the face. John Bradley fell from the scaffold head first and was very badly hurt. Dr. A. D. McDonald who was called in thinks that Bradley has sustained some internal injury of an alarming nature. When the scaffold broke a colored boy who was carrying mortar to a mason day, the 22nd., and arrived here at 7:30 o'clock on yesterday morning, making the trip from dock to dock in 53 hours. Heretofore the quickest trip made by the Regulator was 61 hours from dock.

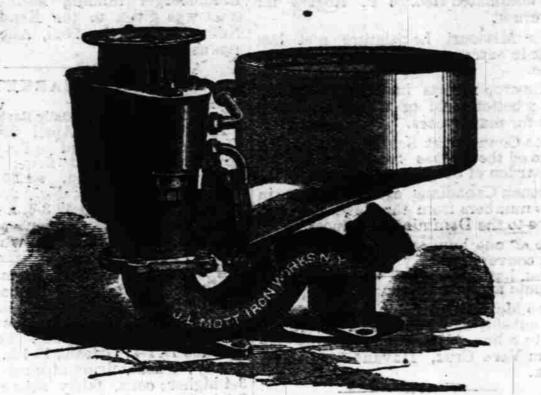

It is worth remembering that nobody enjoys the nicest surroundings if in bad health. There are miserable people the trip from dock to dock in 53 hours. Heretofore the quickest trip made by the Regulator was 61 hours from dock.
