LOCAL NEWS. For other locals see fourth page. Two of our force are sick. Provoking, but can't be helped. The receipts of cotton at this port yesterday foot up 32 bales. The steps leading to the U. S. Court room have been strengthened with iron braces. The winds were from the South yesterday afternoon and we may look for warmer weather now. The steamer *Passport* will be ready to resume her regular trips on Monday next. So glad, ain't you? Steamship *Gulf Stream*, Capt. Ingram, cleared at New York April 29th for this port, and sailed the same day. We are sorry to hear that Dr. Thos. F. Wood is sick. He is in bed but it is thought that he will be up and out in a few days. "The Little Workers" will hold a lawn party at the Rectory of St. Paul's Church on Wednesday evening from 4:30 o'clock to 9:30 o'clock. An invaluable strengthener for the nerves, muscles, and digestive organs, producing strength and appetite, is Brown's Iron Bitters. Messrs. H. M. Bowden & Co. will open a new harness and saddlery establishment on Market street, about the latter part of the week. A little bucket of ice cream about noon, on a sultry summer's evening, is very refreshing. Mr. P. Christ has it. See advertisement elsewhere. Freshwater Perch, Trout and Black-fish hooks and lines. A full assortment and lowest prices at JACOBI'S. We were pleased to meet on yesterday our quondam friend, Mr. W. S. O'B Robinson, the newly-appointed District Attorney for this district. Mr. Robinson is a young gentleman of ability, great energy and sterling qualities. We add a large number of new subscribers to our city list to-day, composed mainly of those who have subscribed at previous dates, with the understanding that their subscriptions should begin on the first of the month. We will be glad to have prompt notification from them of any failure to receive the paper promptly and on time, so that the trouble may be remedied at once. To Builders and others—Go to JACOBI'S for Sash, Blinds and Doors, Glass, &c. You can get all sizes and at the lowest prices. High Water. Steamboatmen report that there is a big freshet in Black river, which has existed for some time, as if determined to run in opposition to the Point Caswell and Clinton Railroad. It has been navigable for boats and rafts this season for a much longer time than usual, and in some localities has proved quite a hindrance to farming operations. City Court. Only two cases for adjudication before this court yesterday morning: Aaron Jones, colored; disorderly conduct. Judgment suspended. Aaron Jones, for resisting police was fined \$20 or 30 days in city prison. Took the 30 days. A verdant youth got a little too much ob' be joyful on board, and was run in by the "perlice" Saturday night. Discharged on account of his freshness. To Leave Us. Mr. E. W. McGann, chief officer of the Signal Office in this city, received private information by wire yesterday that he will soon be ordered to Rochester, N. Y. Mr. McGann made application for the change some time ago, and we are pleased that his efforts have been crowned with success. We regret to see him leave us, but are pleased, on his account, as the climate does not agree with his family, and for the reason that the system of rotating the offices is to be abolished by the War Department. Mr. McGann will soon be located near his old home, and the associations and surroundings will be much pleasanter for him.

The New South. The first issue of the *New South* made its appearance bright and early yesterday morning. It is well gotten up editorially and typographically, and presents a variety of reading matter, instructive and interesting. Mr. Oldham, the publisher, aims to make the *New South* an organ by which the material interests of this State and section may be fostered, its educational interests advanced, its political welfare jealously guarded and its prosperity, wealth and influence established on a firm and sure basis. He is an earnest worker, and we wish him the success his enterprise and energy richly merit.

Cotton. The receipts of cotton at this port foot up 2,374 bales for the month of April just closed, against 1,079 bales in April of last year, an increase for this April of 1,295 bales. The receipts to date this year foot up 134,043 bales, against 114,729 bales to same date last year, an increase this year of 19,314 bales. Deserving Articles are always Appreciated. The exceptional cleanliness of Parker's Hair Balsam makes it popular. Gray hairs are impossible with its occasional use.

U. S. District Court. The U. S. District Court for the District of the Cape Fear, met in this city yesterday, His Honor Judge A. S. Seymour, successor to the late lamented Judge Brooks, on the bench, and Mr. W. S. O'B Robinson, the newly appointed District Attorney, at his post. There were no admiralty cases ready for trial, and the Court adjourned until this morning at 10 o'clock, at which hour the jurors are expected to appear.

Don't Die in the House. "Rough on Rats." Clears out rats, mice, roaches, bed-bugs, flies, ants, moles, chipmunks, gophers, &c. Complimentary Reception. Mr. and Mrs. Nathan Mayer gave a reception complimentary to Mr. Leopold Brunhild, on Sunday evening, at their residence in this city. Mr. Brunhild is soon to leave us for a trip to the Old Country and his many friends were gathered together to wish him "bon voyage" and a speedy return. There was an expression of sentiment exchanged, showing in what high esteem Mr. B. is held both by his many Jewish and Christian friends. The affair is one which will long be remembered.

Name Wanted. Ehrlich & Co., of New York, say that they have received an order from a lady of this city who forgot to sign her name to the letter, and if this notice meets her eye she will understand that it will be necessary for Ehrlich to have her address before she can get the goods. We publish this notice gratis, not to oblige Ehrlich, nor yet to oblige the lady, but to save some poor hard-working fellow from having to pay twice for the same goods. We must say, at the risk of offending some of our lady friends, that we can feel but little sympathy for the losses of those who pass over our merchants here at home and order their goods from the North, paying just as much and often much more than the same goods can be had here at home for, with the advantage of being able to inspect them before buying.

The Elections. Special telegrams to the DAILY REVIEW announced the result of the municipal elections to-day at Laurinburg, Magnolia and Smithville. At Laurinburg the dry ticket carried the day, prohibition having been voted by a majority of four. The white ticket was elected by an overwhelming majority. At Magnolia the Democrats, as usual, swept the field. Jas. T. Carroll was elected Mayor and J. D. Wilson, J. H. Heath, J. W. Brinkley, A. H. Morris, H. E. Newbury and B. C. Barden, Commissioners. At Smithville Lewis A. Galloway, was elected Mayor and H. R. Ruark, William Swain, Arthur Pinner, Bryant Morse and James W. Mints, Jr., Commissioners.

The cold winds have interfered very seriously with the fish market. Those who do not attend the Arion Society entertainment at the Opera House this evening will miss a rare musical treat. Hon. Jesse Harper, of Illinois, and Col. Jno. R. Winston, of this State, registered at the Purcell last night. They are to deliver political speeches to their Greenback friends to-night at the site of the old Market.
