A black-fish excursion is on the tapis for next week. The fish are said to be biting like mad dogs.

The steamship *Regulator*, Capt. Boone, sailed at 10:30 yesterday morning for New York.

A thing in the hardware line can be found at reasonable prices at JACOBS.

Steamship *Benefactor*, Capt. Tribon, arrived here this afternoon from New York.

An enricher of the blood and purifier of the system; cures lassitude and lack of energy; such is Brown's Iron Bitters.

Rev. Thomas D. Pitts has been appointed Brigade Chaplain of the Second Brigade, *on Gen. M. P. Taylor's staff.

To Builders and others—Go to JACOBS for Sash, Blinds and Doors, Glass, &c. You can get all sizes and at the lowest prices.

Maj. Geo. C. Winder, Mr. Sol. Haas and Capt. T. D. Kline, all prominent gentlemen in railroad circles, were in the city yesterday.

Our genial, whole-souled friend, Mr. W. Roddick, of the well known dry goods house of Brown & Roddick, left yesterday morning on the steamship *Regulator* for New York.

The *Passport* will not make her regular trip on Friday, because our friends at Smithville contemplate giving an excursion to this city on that day. See adv. elsewhere.

The State Board of Pharmacy will meet in Goldsboro, on Tuesday, May 23d. All clerks in the State who wish to become licentiates of the Board will present themselves for examination.

The Ladies of the Memorial Association request that all contributions of flowers for Memorial Day be sent to the school room next East of St. James' Church as early as possible this forenoon.

Small annoyances in life are vanishing through scientific discovery. In his Skin Cure, Dr. C. W. Benson, of Baltimore, Md., has created a perfect remedy for tetter, eruptions and scurf on the face or scalp. Every person using it will have a clear countenance.

As to-day is a legal holiday, and as there will be but very little business transacted after 1 o'clock, the hope is very generally expressed that there will be an entire suspension of business, to allow every one an opportunity for participating in the Memorial services.

It is worth remembering that nobody enjoys the nicest surroundings if in bad health. There are miserable people about to-day with one foot in the grave, when a bottle of Parker's Ginger Tonic would do them more good than all the doctors and medicines they have ever tried. See adv.

A Foundling.

Yesterday afternoon a white female infant, apparently about 3 months old, was found by Mrs. T. J. Ramsey, in an old field near Chadbourne's Mill. The little waif was nestled snugly in a basket and was supplied with full suits of clothing. Mrs. Ramsey, who has three little ones of her own, kindly took the little babe to her residence on Queen, between Fourth and Fifth streets, where she will care for it until some one who is more able to support it, will take the little foundling. We could not learn of any further particulars in time for this issue.

More Bock.

Mr. R. Portner's bock beer arrived yesterday afternoon and was soon being delivered to customers. It is said to be of an unusually good quality, and is asked for with a vim which attests its merits and popularity. Mr. Leins makes quick time in getting out his bock after its arrival. See adv. elsewhere.

Both of Them.

The whale pavilion was pitched yesterday near the W. & W. R. R. freight depot and quite a number of persons visited the tent to see the two aquatic wonders. Capt. Boyton's suit, "Baby Mine", and medals were on exhibition and attracted much attention. The whale is in a good state of preservation and is a curiosity. It is said to be the only whale of its size that has ever been taken from the water without being cut to pieces. Capt. Boyton will give an exhibition of his remarkable and unparalleled aquatic feats to-morrow at a point down the river near the Orton Light House. The *Passport* has been chartered for the occasion and will take passengers down to witness Capt. Boyton's wonderful skill. See adv. elsewhere.

Freshwater Perch, Trout and Black-fish hooks and lines. A full assortment and lowest prices at JACOBS.

Public Holidays.

Chapter 294, Sec. 1, laws of 1881, authorized the following as public holidays in this State, viz.: January 1st, New Year's; February 22d, Washington's Birthday; May 10, Memorial Day; May 30th, Mecklenburg Declaration; July 4th, National Declaration; and also a day appointed by the Governor of North Carolina as a Thanksgiving Day, and the 25th day of December, Christmas. Whenever any such holiday shall fall upon Sunday, the Monday succeeding shall be deemed a public holiday.

Best ever made, Emory's Little Cathartic Pills, pleasant to take, sugar-coated; no griping; only 15 cents a box, of Druggists or by mail. Standard Cure Co., 114 Nassau Street, New York, 8m d&w.

The Old and the New.

Mr. N. Nelson, of Charleston, S. C., the new owner of the steamer *Elizabeth*, was here yesterday to look after his purchase. Mr. Nelson will pay over the money and take charge of the steamer this morning. He contemplates putting her on the Wando river, running between Charleston, Cainhoy and intermediate points, as a passenger and mail boat. The *Elizabeth* will start for her new quarters this afternoon. Capt. Bisbee will leave for Boston for the *Minnehaha* to-night, and Capt. Frank Wilkinson, Engineer Jeff. Smith, and Pilot E. T. Burriss will leave on the New York steamer on Friday. The *Minnehaha* is expected here in about two weeks.

Lodges Not Represented—P. G. Crowell, P. G. Forbes, P. G. Peal.
The Lodge adjourned to meet at 9 o'clock this morning.

What Do You Think of It?

Would it not be a good idea for the line of march of the Memorial procession to be sprinkled by the street hydrants? We feel assured that Capt. Brock would have it done if the ladies of the Association would request it. It would take but a few minutes to sprinkle the streets, as hydrants are located at convenient distances along the line of march.

The Wilmington Shirt Factory.

The only shirt factory in the State is in this city. Mr. J. Elsbach, the proprietor, is an old and experienced hand at the business, and is turning out unlaundried shirts which are equal to any made in the country. Mr. Elsbach has twenty hands steadily employed, and will increase his force as necessity requires it. He also manufactures drawers, collars and cuffs to supply the trade. Merchants in the country would do well to give him a trial, and see how much money they could save by patronizing a home enterprise.

Deserving Articles are always Appreciated. The exceptional cleanliness of Parker's Hair Balsam makes it popular. Gray hairs are impossible with its occasional use.

Personal.

Capt. C. B. Denson, of Chatham county, the orator for the Memorial services to-day, arrived in the city yesterday morning, accompanied by Mrs. Denson. They are the guests of Mr. Jno. S. James.

Amos James, Esq., proprietor Huron House, Port Huron, Mich., writes: "I suffered with Rheumatism so badly, that I was unable to use my arm for three months. Nothing gave relief and I was in despair when some one recommended St. Jacobs Oil. I tried it, and to my astonishment found relief. Continuing its use, five bottles cured me entirely. I heartily recommend it to all afflicted with Rheumatism."

Unmailables.

The following is the list of unmailable matter remaining in the postoffice:

Melvinia Lewis, North Lee, Mass.;
Nathaniel Simmons, 459 Atlantic ave, care of T. Hall.

An April Shower that Brought May Flowers.

On Tuesday, April 11th, the 143d Grand Monthly Distribution of The Louisiana State Lottery occurred as it always does on the day fixed. Gen'l G. T. Beauregard of La., and Jubal A. Early, of Va., had as usual the sole supervision. The amount scattered was \$1,100,000—next time it will be over half a million of dollars. The first capital was sold in halves (costing each only one dollar) and was drawn by ticket No. 78,637—one-half to Louis Sausser, a well known jeweller at No. 223 Calhoun st., Port Wayne, Ind.; the other by W. J. Whitney, a locomotive engineer on the Wabash R. R., of No. 418 Broadway, Fort Wayne, also. This city seems in luck. A few months before the capital went there. The second capital, \$10,000, also sold in halves to No. 99,746—one-half to State Senator J. B. Judkins, through the German Bank of Little Rock, Ark.; the other to S. L. Hatfield, of Boston, Mass. The third capital, \$5,000, was sold to ticket No. 78,942, Messrs. Philomene Laurent, No. 315 Chartres st., and J. Pelletier, No. 22 Carondelet st., New Orleans, La. The two fourth capital prizes, \$2,500 each, to ticket No. 18,191, in halves—one-half of which went to J. W. Cohen, of No. 630 Pennsylvania ave., and A. M. McDaniel, No. 1,900 Fourteenth st., Washington, D. C.; and the other to No. 35,720—sold in halves to parties in Chicago, Ill., and Providence, R. I., and whose names are withheld by request. The next Extraordinary Semi-Annual Drawing will occur June 13th, of which M. A. Dauphin, New Orleans, La., will give any one inquiring the full particulars.

The Peach Crop.

The reports of the fruit crop from all sections are very encouraging. A commercial tourist, in the liquor business, who has just returned from an extended tour through the Eastern counties tells us that the limbs of peach trees have to be propped up under the weight of the young fruit. As he dilated upon the magnificent prospects of a big crop his eyes sparkled and we know there were visions of peach brandy floating through his mind.

Young Men's Christian Association.

The meeting for the purpose of organizing a Young Men's Christian Association will be held in the First Presbyterian Church at 9 o'clock to-night. All young men and others interested in young men are invited to be present. It is proposed to adopt a constitution and elect officers to-night. The Association will, as soon as possible, secure a trained secretary, and open a library and reading room, and inaugurate an active religious and social work for young men. They will have an employment bureau, visit sick and stranger young men, have a course of lectures and social entertainment, will try to reach commercial travellers and railroad men, and to get hold of the boys. It is an important work and there is plenty of room for such an agency in our city.

Write to Mrs. Lydia E. Pinkham, 233 Western Avenue, Lynn, Mass., for names of ladies that have been restored to perfect health by the use of her Vegetable Compound. It is a positive cure for the most stubborn cases of female weakness.

Memorial Day.

The following is the programme for the services on Memorial Day, Wednesday, May 10th. The procession will form promptly, at 3 1/2 o'clock, in three divisions, as follows:

FIRST DIVISION.

In charge of Marshals John L. Dudley, H. M. Bowden and A. G. Hankins, will form on south side Market Street, the right resting on Fourth:
Brig. Gen. M. P. Taylor and Staff and Artillery Staff.

Wilmington Cornet Concert Club.
Wilmington Light Infantry.
Carriage containing Chaplain and Orator.

Ladies' Memorial Association.
Children's Memorial Association.

Memorial Association of Third N. C. Infantry.

Organization from other Confederate Army and Navy forces in charge of Senior Officers.

Soldiers and sailors of Confederate Army and Navy.
Civil Associations and Citizens on Foot.

THIRD DIVISION.

In charge of Assistant Marshals Peter Smith and L. H. Bowden:
Disabled Confederate Soldiers and Sailors in Carriages.
Citizens in Carriages.

Assistant Marshals C. H. Robinson and John White will have charge of the Confederate Lot and grounds adjacent to the Cemetery.

Ministers of the different churches are requested to have their bells tolled from 3:30 to 4 o'clock.

The route will be up Fourth street to Campbell, out Campbell to the Cemetery. As the head of the procession reaches Campbell street the Cape Fear Artillery will begin to fire a salute of 36 guns from the hill overlooking the Cemetery.

At the close of the ceremonies a salute will be fired by the Wilmington Light Infantry.

The Memorial Services will be opened with a dirge by the Cornet Concert Club.

Prayer by the Chaplain, Rev. T. Page Ricard.

Dirge by the Band.
Memorial Ode by the Choir.
Oration by Capt. C. B. Denson.

Ode by the Choir.
Doxology.
Benediction.

Call of Roll of Honor and Floral Offerings.

Decoration of soldiers' grave in private lots will be done in the forenoon.

Owners of carriages are requested to direct their coachmen not to allow their horses to stand in the circle surrounding the Confederate Lot.

This being a legal holiday, it is to be hoped that all persons will close their places of business in order that every one may have an opportunity of joining in the commemoration of those who died for right, truth and justice.

O. A. WIGGINS, Chief Marshal.

Said one of our old subscribers to us the other day, "do you know that neither of the platform suits me; as both parties seem to want health, strength and long life, more than anything else, they can not do better than have the Hamburg Drops and St. Jacobs Oil planks included. With these they can weather all storms, political and domestic as well as dyspeptic and rheumatic." His logic was good and convinced us.

The Odd Fellows Yesterday.

The visiting Odd Fellows were taken to Wrightsville Sound on yesterday, where they spent the day in strolling on the beach, sailing in the bay and indulging in such other sports as presented themselves. They dined at Pine Grove, where a sumptuous meal, rich in Sound fair and delicacies, had been prepared for them. They returned to this city last evening in ample time to attend the meeting of the Grand Lodge.
