Excursion.

The *Passport* will bring up an excursion party from Smithville Friday morning. She will leave for Smithville on her return trip at 3 o'clock and return to this city by 8 o'clock. This will be a favorable opportunity for those who wish to take a little trip down the river in the afternoon. See ad. elsewhere.

To Promote a Vigorous Growth of the hair, use Parker's Hair Balsam. It restores the youthful color to gray hair, removes dandruff and cures itching of the scalp.

A Bold Rascal.

A young lady in this city, who was a little belated, while hurrying to her home last evening, about 8 o'clock, was robbed by some rascal of the satchel she was carrying in her hand at the time. The fellow came up behind her and suddenly seized the bag and made off with it and when the lady recovered from her surprise she found that she held the handle in her hand but that the satchel was gone. She could not make out whether the man was white or colored, as he vanished too quickly to be recognized.

A Life-Long Parting.

Mrs. H. G. Hashagen, of this city, has determined to return to Germany with her two younger children and will sail from New York, on the 24th inst. for Bremen, with the view of passing the remainder of her life among her family and friends in the old country. Mrs. Hashagen's departure will be a very sad one. All of her married life has been passed in Wilmington, where her children were born and have been raised. Mr. Fred Hashagen will be the only member left here of what was a large family at one time, numbering eight persons.

From Here to Laurinburg.

We are glad to hear that the crop prospects along the line of the Carolina Central Railroad, between this city and Laurinburg, and inclusive of the rich farming sections in Richmond county, are, thus far, quite promising. The complaints so general from other sections are not so frequent there. Cotton and corn both promise well, and the fruit crop is expected to be very fine.

The Duplin Crops.

We are sorry to hear discouraging reports from the crops in Duplin county. The cotton has been injured in many localities by the cool nights and such of the farmers as can obtain seed are busy replanting, while others say that they will put the land in peanuts. The corn, too, is sorry, there being a species of bug which has cut it down in many parts of the county. These facts are learned from a gentleman who came down the road this morning and who conversed with farmers from several localities.

Personal.

Col. W. P. Craighill is registered at the Purcell.

Col. Thos. S. Kenan, Attorney-General of the State, was in the city yesterday, the guest of his brother, Capt. W. R. Kenan.

Peter Mallett, formerly of North Carolina, but now of New York, who has been in the city for several weeks past on a visit to his daughter, Mrs. Gabriel Holmes, leaves here to-morrow morning for Newbern, where he has two sons in business, and with whom he will remain a few days before his return to New York.

Flies and Bugs.

Flies, roaches, ants, bed-bugs, rats mice, gophers, chipmunks, cleaned off by "Rough on Rats." 15c.

More Improvements.

The brick building on North Water street, near Nutt, for some time occupied by Mr. H. W. Bryant, on the first floor, and Mr. I. T. Alderman as an office on the second floor, is being torn down to make room for a new and handsome structure to be erected on that spot. The new building is to be also of brick, with a glass front, and it is expected it will be completed by July 1st. The store will be occupied by its late tenant, Mr. H. W. Bryant. The building is the property of Mr. L. Volders, of this city, an enterprising merchant and property owner who has faith in our city's future, and who has within a comparatively recent date erected other handsome store buildings here.

The Crops Near Charlotte.

A subscriber, writing us from Charlotte, gives a very flattering description of the prospects of the crops in that section. He has recently passed over all of the roads running into Charlotte, and says that such grain crops have not been seen before in thirty years, and that the promise of an abundance of fine fruit was never better. The farmers, he says, are buoyant over their crops. Our correspondent says that he never before saw such wheat, oats and clover, and corn. There is a drawback to the picture, however, in the backward condition of the cotton, which has been injured very much by the recent cool weather. However he says, many of the farmers are re-planting and are confident that they will yet make good crops, provided they are blessed with fair seasons.

Badly Mashed.

Mr. Martin Davis, an employee at the cotton factory, in the South-western part of the city, met with the misfortune yesterday of having the thumb on his left hand caught in a heavy piece of machinery and badly mashed. Dr. W. J. H. Bellamy dressed the wound, and thinks he will be able to save the thumb. It was so badly crushed that it was at first thought that amputation would have to be resorted to.

Episcopal Visitation.

Last week Right Reverend Bishop Northrop visited the Newbern missions, which are under the charge of Rev. J. J. Reiley. At Newbern the Bishop confirmed six persons, and at Goldsboro nine, who had been prepared for the reception of the sacrament of confirmation during the missions given at these places by Rev. F. J. Oberley. At Halifax two persons received this sacrament.

The Right Reverend Bishop, who, by his kindness and affability everywhere gains not only the reverence of his own people, but also the love and esteem of all, has secured lots in Weldon, Tarboro, and Goldsboro, on which he intends to erect churches. Liberal subscriptions have been received for the purpose, and the Bishop expects to be able to dedicate the churches in the above places before the end of this year. The church at Farmer's, as we have previously stated, will probably be dedicated next Sunday, and Bishop Northrop intends to visit the Raleigh and Hickory missions next month.

This article was prepared for yesterday's issue, but was unavoidably forced out.

Decoration Day.

The National Decoration Day was duly observed in this city yesterday. The various colored military and civic organizations, together with the Howard Light Infantry of Fayetteville, formed in line in front of the City Hall, and, headed by a band of music, marched to the National Cemetery on East Market street. Arriving at the Cemetery the ceremonies were opened with music by the P. and S. A. Club, and the Rev. J. F. Thomas read the prayer. Hon. Geo. B. Everett delivered the oration. His effort is said to have been a fine one and his address is kindly spoken of. At the conclusion of Mr. Everett's remarks the benediction was given and the graves were decorated. The crowd at the Cemetery was unusually large, but the small number of whites in attendance was generally noticed and commented upon. During the ceremonies the national salute of 38 guns was fired from the *Revenye Cutter Colfax*, Lieut. John U. Rhodes commanding, which was at anchor in the river at the foot of Market street. The Court House, Post Office and Custom House were closed, and the flag on the latter building was at half mast. The Court House, Post Office and Jail were decorated with small flags.

Re-Union of Veterans at Point Caswell.

There promises to be a good time at Point Caswell on the 4th of July next, the occasion being a reunion of the surviving members of Co. E., 18th N. C. Regiment, and to which all members of this glorious regiment are invited. The following proceedings of a meeting held for the purpose will explain the whole matter:

At a meeting of members of Co. E., 18th Regiment N. C. V., held at Point Caswell, May 27th, 1882. Capt. J. R. Hawes was elected President, Captains F. Thompson and John Moore, Vice-Presidents, D. J. Corbett and H. A. Colvin Secretaries and Capt. John Moore Treasurer.

The following resolution was then adopted: Resolved, That on the 4th of July, 1882, a re-union of the surviving members of Co. E. be held at Point Caswell, N. C., and that members of the 18th Regiment N. C. V. be invited to meet with us and participate in the good times and festivities of that occasion. On motion, the following were appointed a committee to invite a speaker to deliver an address on that occasion: Capt. John Moore and Messrs. G. W. Woodcock and H. A. Colvin.

Resolved, That a copy of these proceedings be sent to the Wilmington JOURNAL and Weekly Star for publication. CAPT. J. R. HAWES, Chairman.

D. J. CORBETT, } Secretaries.
H. A. COLVIN, }

The citizens of Point Caswell, in view of the proposed re-union of the veterans of Co. E. have taken action to give interest to the occasion, as the following will show.

At a meeting of the citizens of Point Caswell and vicinity the following resolution was adopted: Resolved, That we cordially invite

the public generally to a basket picnic, to be given at Point Caswell on the 4th day of July, 1882, on the occasion of the re-union of the surviving members of the 18th N. C. Regiment, by special invitation of Co. E., of the same regiment.

All persons are expected to bring a liberal supply of the needful, as a very large crowd from this and adjoining counties is expected.

The following persons are hereby appointed on the part of the citizens, a committee of arrangements:

Messrs. J. R. Paddison, L. Volders, E. A. Hawes, C. C. Woodcock, O. J. Hollingsworth, R. P. Paddison, C. P. Moore, W. F. Monroe, R. C. Johnson and Drs. G. F. Lucas and James F. Simpson.

Grand Chapter of Royal Arch Masons.

This body convened at St. John's Hall in its Thirty-Fourth Annual Convention last evening. Grand Officers were present as follows: James Southgate, Grand High Priest; H. H. Munson, Deputy Grand High Priest, *pro tem*; J. H. McAden, Grand King, *pro tem*; Andrew J. Blair, Grand Scribe; Wm Simpson, Grand Treasurer; D. W. Bain, Grand Secretary; Samuel Northrop, Grand Capt of Host; F. H. Glover, Grand Prin'l Soj'r; Isaac Patterson, Grand Royal Arch Captain; H. M. Strouse, Grand Master 3d Vail; R. H. Bradley, G. M 2nd Vail, *pro tem*; W. L. Wall, G. M 1st Vail, *pro tem*; B. G. Bates, Grand Tiler.

J. B. Neathery, T. E. Bond and Charles R. Jones were appointed a committee on credentials, who reported ten chapters represented. The report was retained by the committee to add other arrivals on to-morrow.

The Grand High Priest presented an interesting address, furnishing valuable information concerning the condition of Royal Arch Masonry and his labors during the past year. The revival of old chapters and contemplated organization of new ones in different localities of the State, point to an increase of this branch of the Order. The address was referred to C. R. Jones, W. H. Chadbourn and Thos Daniels as a special committee who will report thereon this morning.

The Grand Secretary's report set forth in detail his official duties during the Masonic year and the indication of greater progress in Royal Arch Masonry in North Carolina. His report was referred to the Committee on Finance.

Standing committees were appointed as follows:

Charters and Dispensations—Sam'l Northrop, Ferdinand Ulrich, F. H. Glover.

Unfinished Business—W. L. Wall, J. W. Gerlick and H. G. Springs.

Returns of Subordinate Chapters—J. B. Neathery, N. H. Cohen, J. H. Carter.

J. I. Macks, Committee on Foreign Correspondence, made a report announcing the review of the proceedings of the several Grand Chapters through out the country and, at his request, the Grand Chapter authorized him to furnish the same to the Grand Secretary for publication with the proceedings.

On motion of W. L. Wall, an invitation was extended to all Royal Arch Masons in good standing to visit the sittings of the Grand Chapter. On motion of E. H. White the election of Grand Officers was made the special order for to-day at 11 o'clock.

At the opening of the Grand Chapter, J. I. Macks, in a well-conceived address, welcomed the members of the body and visitors to the hospitalities of the Royal Arch Masons of Wilmington. The Grand High Priest very appropriately acknowledged the invitation. The Grand Chapter and visitors are to be given an excursion to Smithville to-morrow on the steamer *Passport*, by Concord Chapter No. 1, of this city. We are pleased to observe that the visiting Masons are enjoying their stay in Wilmington.
