The threatenings of the past twenty-four hours culminated in a splendid rain here yesterday, which, we understand, was pretty general throughout this section. At this point the rainfall was .62 of an inch, and the shower was worth thousands of dollars to the farmers.

The school children, nearly one hundred in number, of Misses Burr and James' school, indulged in their annual picnic at Wrightsville Sound, yesterday. The rains were a considerable drawback to the pleasure of the day, but the children seemed to have enjoyed themselves, notwithstanding.

THE DAILY REVIEW.

VOL. VI. WILMINGTON, N. C., FRIDAY, JUNE 2, 1882. NO 134.

Exports Foreign.

Ger. barque *Kronprinz Von Preussen*, Capt. Klein, cleared yesterday for Paysander, Uruguay, South America, with 169,337 feet of lumber, valued at \$3,586.59, shipped by Messrs E. Kidder & Son.

Quick Time.

The *Passport* had her running shoes on yesterday, and made some very quick time. On her return trip to this city she ran the distance in 1 hour and 35 minutes. She was timed as she shoved off from the wharf at Smithville, and when she found her wharf at this city.

An Opportunity.

The *Passport* will bring up an excursion party from Smithville this morning. The boat will leave for Smithville at 3 o'clock this afternoon and return at 8 o'clock. This will be a favorable opportunity for persons wishing to spend a few hours out of town to take a trip down the river.

The Depth of Water.

The Cape Fear River has been much improved and the depth of water on the shoals between here and Smithville has been increased to 14½ feet, and 17 feet on the bar at ordinary tide. The dredge boats have done good service and we hope ere long to hear the gratifying report of 20 feet at ordinary tide.

Accidentally Killed.

A small colored boy named Ward, was accidentally shot and killed at Weldon on Wednesday. A gentleman was examining a shot gun, when, by some means, it was discharged, the load taking effect in the neck and left shoulder of the little boy, who is said to have been only about six years old, and who was passing at the time.

Death of a Devoted Christian.

We regret to learn that Sister Cecilia, formerly Miss Belle Gross, sister of Rev. Mark S. Gross, of this city, and Rev. Bishop Gross, of Savannah, died at the convent in Jacksonville, Fla., on the 25th ult., aged 25 years. She renounced the world and entered the convent in 1876 for the purpose of devoting her life to the service of her Master.

Her remains were taken to the Church of the Immaculate Conception where Pontifical Requiem Mass was celebrated by Rt. Rev. Bishop Gross, assisted by Father Mark S. Gross, as Deacon, Father O'Reilly, sub-Deacon, and Mr. H. W. Duffie, master of ceremonies. After oblation the remains were interred in the Catholic Cemetery.

Venor's Coming Weather.

The fact that Venor, in his weather predictions for the past month, came nearer accuracy than he usually does, considering that by many his forecasts are regarded as mere guess work, renders his last bulletin of interest. He says:

The general outlook for the weather of the summer season in Southern and Southwestern sections is improving, owing to the continuance of very windy weather in Northern and Western sections of Canada and the United States. But a "windy spring makes a severe autumn," therefore the outlook for the autumn of 1882 is increasing in severity.

My theory of "weather relationships" is working just now in a telling manner all over the Northern Hemisphere, and I feel much greater confidence in predicting the periods of the more marked disturbances. Hence I here-with reiterate my previous statements respecting "a very cold and stormy autumn" and early setting in of a severe winter, with heavy snowfalls, this reaching to remote southerly points. We are likely to experience one of the coldest periods in a long term of years during the early part of the winter of 1882-83 but the cold will come in a lump, and the latter half of the winter is likely to be mild and open, with an advanced spring.

White Bronze.

Messrs. Aman & Wilson, two enterprising young men of this city, are agents for the White Bronze Monumental Company, of Bridgeport, Conn. They are located on Princess street, near Second, where specimens of the works they offer are exhibited. These need but to be seen to be appreciated. See advertisement in another column.

An Old Story.

We publish in our telegraphic columns on the second page of this issue a very thrilling tale which was conveyed to the *Boston Herald* in a special from Asheville, in this State. This same thing, only the location was in our section of the State, went the rounds of the State press two weeks ago and has had time not only to be varied but to be denied. Somebody has taken the enterprising *Herald* in with an old and a not o'er true tale.

Police Reports for May.

The police made 41 arrests during the month of May, as follows: Sixteen white males, 2 white females, 18 colored males and 5 colored females. The following are the charges: Abusing an officer while in discharge of duty, 2; assault and battery 1; committing nuisance on street 1; disorderly conduct 25; drunk and down 7; larceny 1; resisting arrest 1; throwing stones in street 2; applied for lodgings 4 white males and 5 colored males; fines collected \$38.45. Ten places of business were found open at night. Sentences fined and paid 11; fined and not paid 6; judgment suspended 8; case dismissed 1; case dismissed upon payment of costs 1; sent to city prison 3; discharged 11.

Criminal Court.

This tribunal met yesterday and disposed of the following cases: State vs. Jno. W. Gordon and W. J. Gordon. Insuring without a license. Not guilty.

State vs. Herbert Thompson, motion for new trial. The Court stated that it would overrule the motion and did not care to hear arguments. This was excepted to by defendant's counsel. Motion for new trial to be in writing. Defendant's counsel stated that they would decline to make an argument.

State vs. Chas. Williams, assault and battery. Not guilty.

State vs. John McGuire, mismarking hogs. On trial.

The witnesses in the case of Richard Gause were discharged.

The Grand Jury returned one true bill.

The Grand Jury finished its labors yesterday and after visiting the Jail were discharged.

The Excursion Yesterday.

The excursion given on the *Passport*, yesterday, complimentary to the visiting Royal Arch Masons, was, we are glad to hear, a pleasant affair, and was much enjoyed by our visitors. The boat was not crowded, and the young folks, and some of the old ones, indulged in the dance, the music being furnished by the harpers. Arriving at the inlet, the steamer tied up to the wharf, and the party disembarked. Some visited what is now left of Fort Fisher, while others indulged in fishing from the rocks. About an hour was spent pleasantly by the excursionists, when they again boarded the steamer and glided on to Smithville. Here they spent an hour in looking about the town, when they were summoned to dinner which had been prepared for them at the Hotel Brunswick, by Mr. Perry. While they were at dinner a very severe shower passed over the town, but, fortunately, did not interfere with the pleasure of the party. After dinner the boat steamed out, giving the visitors a view of Fort Caswell, Bald Head Light, and ran out as far as the bar buoy, but as the seas were running high she turned back and started on her journey to this city.

Not a bale of cotton was received in New York yesterday, neither was there any received in Wilmington. The reason why New York was "left" is obvious.

The opening prayer was made by Rev. Prof. J. B. Davis, D. D.

After reading the minutes and correcting the same, the committee on the president's report offered for adoption the following:

Resolved, That this General Synod select and sustain a missionary in the foreign field, through the foreign mission board of the General Synod North, to be known as "Our Missionary."

The committee on literary institutions submitted a report.

EVENING SESSION.

Rev. A. R. Rude, D. D., of Columbia, made the opening prayer.

The president, Rev. Prof. Scherer, stated that the object of the meeting was to discuss the union, or re-union, with any other general body of the Lutheran church of the United States.

Rev. Dr. Gilbert, of Winchester, Va., the offered, in behalf of the Committee, the following report:

Your committee, appointed to consider in what definite form the question of union with other general bodies of our church should be presented for discussion, beg leave to recommend that the roll of the General Synod be called, and that each member be privileged to express his opinion upon the general question as he may feel moved;—no member is to occupy more than 15 minutes.

D. M. GILBERT,
S. A. REFASS,
J. HAWKINS,
S. F. HALLMAN,
W. A. TIGNER.

The report was adopted.

The roll was called.

After prayer the Synod proceeded to the discussion of the report of the committee appointed at a previous meeting to bring before the Synod in a proper form the subject of organic union or re-union with the General Synod North to which organization this body belonged before the war.

A lengthy discussion ensued, and the Synod adjourned until the next day, without having reached a vote.

On Monday's proceedings, Tuesday's have not yet been published in the *Charlotte Observer*, from which we have had our reports.—**REVIEW.**
