WILMINGTON, N. C., FRIDAY, JUNE 23, 1882.

NO. 152.

THE DEMOCRATS.

First Guns of the Campaign— The Primary Meetings Held Yesterday and Last Night.

Primary meetings were held yester-
day and last night in the various wards
in the city and townships in the county
for the purpose of choosing delegates to
the County Convention which meets here
next Saturday and to organize for the
campaign. The meetings were all
well attended and much interest was
manifested in the proceedings. The re-
ports for the city will be found below
but only one township, Harnett, has
thus far been heard from:

FIRST WARD.

At a meeting of the Democratic
voters of the First Ward, held in Brook-
lyn Hall, Mr. W. H. Strauss was re-
quested to act as Chairman and Mr. F. C.
Walsh as Secretary.

On motion of Capt. O. A. Wiggins,
the delegates to the County Convention
were elected by acclamation, resulting
in the choice of Messrs. Simon W.
Sanders, Mike Carroll, Chas. Murphy,
W. H. Strauss, Archie Alderman.

The delegates were then instructed to
vote for Waddell delegates to the Con-
gressional Convention.

An election was then held for the
Ward Executive Committee, resulting
in the choice, by acclamation, of Messrs.
O. A. Wiggins, W. H. Morton, W. M.
Parker, John Barry, J. M. Henderson.

The First Ward Club was then per-
manently organized, with Messrs. W.
H. Strauss as President, J. M. Hender-
son as Vice-President and F. C. Walsh
as Secretary.

SECOND WARD.

The meeting in the Second Ward was
held in the Court House, and was well
attended.

On motion of Col. Roger Moore, Mr.
John C. James was called to the chair,
and Messrs. J. Hal Boatwright and
W. H. McFarland, on motion of
Mr. G. J. Boney, acted as Secretaries.

There was but one ticket for dele-
gates to the County Convention and but
one for Executive Committee of the
ward, and these were elected unani-
mously. It being thought best, to cast a bal-
lot for the tickets, Col. J. G. Burr was
appointed to cast that for delegates, and
Col. Thos. C. James that for a commit-
tee. The following tickets were elected:

For Delegates to County Convention
—Roger Moore, DuBrutz Cutlar, E.
D. Hall, Junius Davis, P. Heinsberger.

For Executive Committee—G. J.
Boney, Wm. Goodman, P. Glavine, M.
P. Taylor, G. H. Smith.

THIRD WARD.

There was a large attendance at the
Third Ward meeting, and an earnest
enthusiasm was manifested. Mr. W.
J. Yopp was called to the chair, Mr.
S. Bear, Jr., was requested to act as
Secretary, and Messrs. W. N. Bowden,
J. W. Perdew and A. J. Yopp were
appointed tellers. The following were
chosen as the delegates to the county
convention, which meets at the Court
House on Saturday next:

G. F. Alderman, August Deumelandt,
C. G. Southerland, L. H. Bowden, J.
C. Stevenson.

The following were appointed to meet
with the County Executive Committee
immediately after the adjournment of
the County Convention on Saturday
next:

Samuel Bear, Jr., W. H. Yopp, L.
W. McLaurin, Timothy Donlan, E. G.
Parmelee.

The following resolutions were then
offered and adopted unanimously:

Resolved, That the Democratic voters,
the tax-payers of the Third Ward, de-
sire to express their unqualified ap-
proval of the present system of county
government. It is the only hope of
refuge from a corrupt waste of our
county finances, and of vital importance
to us as a party, and as tax-payers.
We therefore demand from our friends
its support and continuance.

Resolved, That the delegates from
the Third Ward be instructed to urge
upon the County Convention the im-
portance of bringing out a full Demo-
cratic ticket for county officers.

FOURTH WARD.

There was also a fine attendance at
the meeting of the voters of the Fourth
Ward, which was held in the City Court
Room.

In the absence of a member of the
County Executive Committee Capt. W.
P. Oldham, President of the Fourth
Ward Democratic Club, called the
meeting to order, and on his motion
Capt. A. L. DeRosset was called to the
chair and Col. Ed. S. Latimer was re-
quested to act as secretary.

An election for delegates was gone in-
to, with Messrs. M. S. Willard and Al-
bert Gore as Tellers and E. H. Eilers
and H. H. Watters as Recorders. The

following gentlemen were elected on the
respective tickets:

Executive Committee—W. A. Wil-
liams, A. G. McGirt, W. H. Green, R.
H. Grant, R. W. Price.

Delegates—W. A. Cumming, Jas.
Madden, Owen Fennell, S. H. Fish-
lago, W. P. Oldham.

FIFTH WARD.

The meeting of the Democracy of the
Fifth Ward was largely attended. Mr.
G. W. W. Davis was called to the
Chair, and Mr. H. E. Orr, Jr., acted
as Secretary. The following are the
names of the delegates selected for the
County Convention:

Jordan Branch, Wm. H. Griffith,
Fred. Rhew, John Branch, Joseph H.
Hanby.

The following were appointed to
meet with the County Executive Com-
mittee, which meets immediately after
the adjournment of the County Con-
vention, on Saturday next:

W. H. Griffith, R. M. Capps, W. E.
Mayo, C. L. Frost, and H. E. Orr, Jr.
The meeting then proceeded to orga-
nize a Ward Democratic Club, with the
following officers:

J. D. H. Klander, President; W. H.
Griffith, 1st Vice President; Wesley
Millis, 2nd Vice President; H. E. Orr,
Jr., Secretary; Capt. D. S. Bender,
Treasurer.

HARNETT TOWNSHIP.

At a meeting of the Democratic
voters of Harnett Township, held at
its voting place yesterday, Capt. A. A.
Moseley was chosen Chairman and Mr.
James Macomber Secretary.

The chair having explained the busi-
ness of the meeting, nominations being
in order, the following gentlemen were
elected delegates to the County Con-
vention:

W. B. McKoy, A. A. Moseley.
Alternates—C. H. Alexander, G. W.
Harper.

The following gentlemen were elected
as Executive Committee:

Louis R. Mason, Wm. F. Alexander,
W. B. McKoy, E. L. Pearce, A. A.
Moseley.

After the business for which the
meeting was called was concluded,
those present proceeded to reorganize
the Democratic Club of Harnett town-
ship by the election of Capt. A. A.
Moseley as President and Mr. James
Macomber as Secretary.

The meeting then proceeded to elect
a Club Executive Committee, many
members of the party being present and
all sections of the township being well
represented. All present were well sat-
isfied with the good work so well begun
and the bright prospects before them.

Here's Your Chance.

An excellent opportunity is offered
our up-country friends along the line
of the Carolina Central R. R. to visit
Wilmington and Smithville at very low
rates. The Hotel Brunswick at Smith-
ville, will be formally opened next week
and a schedule of rates has been adopt-
ed that should tempt many to run down
here and get a mouthful of salt air.
The tickets issued at the excursion rates
will be good from June 26th to July 1st.
See advertisement elsewhere in this is-
sue for particulars.

Prompt Delivery.

We have before us now a letter which
was written by a gentleman in this city
to a friend who was at the time in New-
bern, the letter being, unfortunately,
addressed on the envelope to Smithville
while the direction in the body of the
letter was to Newbern. It is dated
June 26th, 1876, and it came promptly
to hand June 13th, 1882, the recipient
being Maj. Graham Daves, who is now
in charge of the Atlantic Coast Line of-
fice in Charleston, and the writer Gen.
M. P. Taylor, of this city. Where this
letter has been wandering for so
many years, it might be difficult to say.

A. ything in the hardware line can
be found at reasonable prices at JACO-
BI'S.

Sun Spots.

There has been an extraordinary out-
burst of sun spots within the last ten
days. Last week a spot resembling in
its general appearance and its position
upon the disc the great spot that accom-
panied the magnetic storms of April,
crept slowly around the eastern edge of
the sun, advanced with the revolution
of the orb, until a few days ago it was
well situated for observation. The area
covered by this outburst of spot is a tri-
angular figure containing, in round
numbers, a thousand millions of square
miles of the solar surface. The distur-
bed region is visible as a black dot with-
out a telescope, when the eye is protect-
ed by a smoked or deeply colored glass.

Samaritan Nerveine.

We notice that a number of South-
ern papers which have been advertising
Samaritan Nerveine have dropped it
since the exposure made by us a few
days since. "Dr. S. A. Richmond" is,
as we had occasion to say a few days
ago, a consummate rogue who has
never been known to pay an advertis-
ing bill. He is an ignorant rogue, too,
as the following circular published by
him will show:

St. JOSEPH, MO., June 1st, 1882.
Gentlemen: My quarterly advertis-
ing bills are now coming due and I find
it impossible to meet them promptly, as
the advertising has not run long enough
to create but a limited demand for the
medicine. I own valuable Hotel
Property here in my own name, worth
\$125,000, with mortgage on same to
the amount of \$47,500. I am now try-
ing to sell the property, if I succeed it
will enable me to pay off my debts
soon. I have recently sold out my in-
terest in the manufacture of Dr. Rich-
mond's Samaritan Nerveine and formed
a Stock Company, said company re-
fuses to pay contracts for advertising
made by the old company, therefore I
request you to cancel my contract and
I will agree to pay you for the adver-
tising already done as soon as I possi-
bly can. Hoping that this explana-
tion will meet with your favorable ap-
probation, I am Very Respectfully,
S. A. RICHMOND.

STATE NEWS.

Greensboro Patriot: Rockingham
crops are reported to be very fine. To-
bacco is unusually promising. Har-
vesting is going on, and the yield every-
where is immense.

Durham Plant: The wheat and oat
crops now being harvested are said to be
the finest seen in this county for a num-
ber of years. —Rev. Frank H. Wil-
kins, colored, pastor of the Baptist
church, baptized nineteen persons in a
pond, just outside of town, Sunday.

Charlotte Observer: Gen. D. H. Hill,
it is stated, has reconsidered his in-
tention to resign the Presidency of the Ar-
kansas Industrial University, and will
remain in the position which he has so
efficiently filled. —The postal au-
thorities have made arrangements with
the Richmond & Danville Railroad
Company, to have the fast mail trains,
which were discontinued last February,
put back on the road and next Sunday
the first trip under the new arrange-
ment will be made.

Raleigh Visitor: Lewis Clyde Belvin,
four years old, son of W. L. Belvin, fell
from a porch last Saturday, and broke
his left collar bone. —There are nine
dry goods stores on Wilmington street,
between Hargett and the corner of Ex-
change Place, and three grocery stores
and four bar-rooms, one restaurant,
one shoemaker's shop, a barber shop
and an auction house in the same
space.

Goldboro Messenger: The farmers
report improvements in the cotton
crop. —A slight hail fell in some
parts in this county on Monday. In the
Mount Olive section it did some dam-
age to the growing crops. —The
wheat crop throughout this section is
said to be the finest known for many
years, notwithstanding the recent ad-
verse reports of injury. The oat crop,
too, is better than it has been for sev-
eral seasons. —Last Sunday morn-
ing Mr. John Burnham and a com-
panion, both living on the Alvin Whit-
ley plantation, in the "Roundabouts,"
five miles distant, went in bathing in
Neuse river, and the former, getting in-
to deep water and being a poor swim-
mer, was drowned before succor could
be had.

News and Observer: During the past
thirty days 40 convicts have been sent
to the Western North Carolina Rail-
road. —Two children of Mr. Thos.
Johns, twins, aged six weeks, died of
cholera infantum Monday night, near
Auburn. The deaths were in ten min-
utes of each other. —Sunday morn-
ing, at 9 o'clock, Rt. Rev. Bishop
Northrop began the ceremonies of ded-
ication of the Church of the Sacred
Heart of Jesus. He was assisted by
Fathers White and Oberly. —One
dealer in fruit sold in this city last week
1000 quarts of wild plums, at 5 cents
per quart. It is said that the physi-
cians are considering the propriety of
presenting him with a suitable testi-
monial. —Capt. B. J. Williamson
has just received returns from the sale
of peaches shipped by him to New
York. The price they brought was \$5
per bushel crate, but it cost just \$3 to
pay express and other charges, so the
net result is \$2 per bushel.

Malaria, Chills and Fever, and Bil-
ious attacks positively cured with Em-
ory's Standard Cure Pills—an infallible
remedy: never fail to cure the most ob-
stinate, long-standing cases where Qui-
nine and all other remedies had failed.
They are prepared expressly for malari-
ous sections, in double boxes, two
kinds of Pills, containing a strong car-
thartic and a chill breaker, sugar-coat-
ed; contain no Quinine or Mercury,
causing no griping or purging; they are
mild and efficient, certain in their ac-
tion and harmless in all cases; they ef-
fectually cleanse the system, and give
new life and tone to the body. As a
household remedy they are unequalled.
For Liver Complaint their equal is not
known; one box will have a wonderful
effect on the worst case. They are used
and prescribed by Physicians, and sold
by Druggists everywhere, or sent by
mail, 25 and 50 cent boxes. Emory's
Little Cathartic Pills, best ever made,
only 15 Cents. Standard Cure Co., 114
Nassau Street, New York. S. M. & W.
