THE DAILY REVIEW

VOL. VI. WILMINGTON, N. C., SUNDAY, AUGUST 13 1882. NO. 192

Shrimps were plentiful yesterday at five to ten cents per quart.

Mr. J Hahn will leave for New York today, where he goes to purchase his Fall and Winter stock of goods.

On and after to-morrow, the wagonette will leave for the Sound at 5:30 o'clock, instead of at 6 o'clock, as heretofore.

To Builders and others—Go to JACOBI'S for Sash, Blinds and Doors, Glass, &c. You can get all sizes and at the lowest prices.

Mr. I. Shrier advertises that all of his remaining stock must be sold anyhow. He means business, as all will find out by calling on him.

The Rev. W. M. Kennedy will preach in the First Baptist church this morning and evening at the regular hours, in consequence of the absence of the pastor, the Rev. Dr. Taylor.

The approaching regatta over the Wrightsville course is not to be strictly a club race. The regattas are open to all but will be sailed under the sailing regulations of the Carolina Yacht Club.

Ah, ye lovers of sport, one more opportunity is afforded you to go to the Blackfish grounds this season. The steamer Passport will take out a party on next Thursday. See advertisement elsewhere.

It is reported that the savannahs near Bargaw have been entered by a gentleman in this city, who proposes going into sheep raising on a large scale. The savannahs afford ample pasturage for a large number of sheep the entire year.

There will be a match of base ball played to-morrow at the Athletic Grounds, between the "Blue Streaks" and "Our Boys" nines. These clubs are said to be composed of the best base ball players among the colored people of this city.

A colored man was attacked with a fit near the foot of Chestnut street, yesterday, and fell through an opening in the wharf, burying his face in the mud. He was discovered by some of his friends, who took care of him. Had the tide been high, he would undoubtedly have been drowned.

Messrs. B. F. Mitchell & Son have recently added the "patent process" and made other extensive and important improvements to their flouring mill and are now prepared to furnish flour equal in every respect to a Northern or Western brand. They are now grinding new wheat of unequal quality and can furnish flour in lots to suit. Merchants and others would do well to give them a call. See advertisement elsewhere.

The receipts of cotton at this port for the period from August 1st to August 12th, foot up 304 bales, as against 194 bales for the first fifteen days in August, 1881, an increase this August of 110 bales. The crop receipts to date this year foot up 136,441 bales, as against 119,254 bales in 1881, an increase this year of 17,187 bales.

Chicken thieves paid their respects to Mr. J. D. Benson, who resides on the corner of Fourth and Dawson streets, on Saturday morning. They stole about twenty chickens and got off with their booty. Mr. J. Sidbury, who resides on the corner of Fourth and Queen streets, was also victimized the same night. All of his stock of chickens was stolen.

Freshwater Perch, Trout and Black fish hooks and lines. A full assortment and lowest prices at JACOBI'S.

A new patented steam brake has been put on freight engine No. 3, on the W. & W. R. R. The brake is put on the driving wheels of the engine by means of steam, and a train can be stopped when under headway, very quickly.

The Mayor's reception yesterday was well attended. Joshua McGuin, disorderly conduct, was discharged. Judy Ann Hunter was fined \$2—or 4 days in prison, for being disorderly. She took the 4 days.

Ada Harris, alias "Long Nine," was fined \$2—or 4 days—for disorderly conduct. She paid up and departed. Anna Williams, same offense, was fined \$3—or 4 days. She went below. Edward Taylor was discharged after having been reprimanded for disorderly conduct.

There was a report in circulation yesterday to the effect that a man had been drowned on Friday night from off one of the river steamers, when within about six miles of this city.

We called at the office of the agents of the steamers and ascertained that the report had been given birth to by a colored deck hand who was a near relative of Baron Munchausen, and who frequently told such yarns in order to "fool" his comrades. The Captain of the steamer was asked about the report, and said he had no knowledge of the matter, and was positive that the man was not drowned from off his boat.

Additional Subscribers. Mr. S. C. White, manager of the Telephone Exchange, is endeavoring to increase his subscription list to one hundred. He has seventy-five business houses and residences on his list, all of whom most cheerfully recommend the exchange to more subscribers.

He has worked the exchange up to a very high standard of usefulness, and it is now almost indispensable convenience. He will in a few days start among the new subscribers in the city, and will we surmise, have no trouble in getting the twenty-five more subscribers desired.

This will be but a stepping-stone to still greater usefulness of the exchange, and we desire to express and cheerfully testify to our appreciation of the high standard to which Mr. White has raised the Wilmington Telephone Exchange.

The attention of the Criminal Court was taken up yesterday in the trial of the case of John Johnson, charged with highway robbery. Mr. Solicitor Moore represented the State and Mr. Jno. D. Bellamy Jr., the defense.

The trial of the case was begun at 9 o'clock in the morning and was given to the jury at 9 o'clock last night. There was quite an array of witnesses for the defense. Mr. Solicitor Moore addressed the jury for one hour and a half and made one of the best speeches of his life.

Mr. Bellamy's speech is also highly spoken of. The jury were out about ten minutes and brought in a verdict of guilty. The convicted felon has not yet been sentenced.

Information Wanted. EDITOR REVIEW—It is currently reported that despite the fact that "Judge Darby held the position of City Attorney and received pay for the same, the Boards of Audit and Finance and Alderman did not have confidence in his legal ability and competency for the position, and hence numerous fees were paid to other competent members of the legal fraternity for their advice and services.

Doubtless it was this that caused Colonel Chadbourne, of the First Division of the Radical army, to move the abolishment of the office.

Now, Mr. Editor, if this be true "Judge" Darby should have been removed long ago and his place filled by an able and more competent man and the city relieved of the burden of paying other attorneys for his incompetency and lack of ability.

Query: If the "Judge" was not a lawyer of sufficient calibre to make a competent city attorney what method is proposed to remodel him into competency for a judgeship?

Would it not be amusing to see the antics of "Judge" Darby upon the bench, deciding a point of law, with such learned (in the law) gentlemen as Hon. George Davis, upon one side of the question and Hon. Duncan K. McRae upon the other?

In conclusion, allow me, as a tax-payer, to call upon the Mayor or City Treasurer to enlighten our people by publishing the amount paid by the city for legal advice and services to other members of the bar, since Mr. Darby has held the position and received the pay of City Attorney.
