VIRGINIA.

Confession of a Murderer.

[By Telegraph to Daily Review.] RICHMOND, Aug. 30.—Night.—Emmet Cloud, colored, who was tried last Spring for the murder of John Murrell and Thos. Glover, and was in jail awaiting a second trial in November next, has made a full confession of the crime. He is dying from consumption, and is not expected to live until November.

TENNESSEE.

The Ohio Idea Exemplified.

[By Telegraph to Daily Review.] CHATTANOOGA, TENN., Aug. 30.—Night.—Last night a negro, while stealing potatoes, was shot at by Capt. Murray. The shot took effect and Murray captured the negro, but while carrying him to jail the negro died. Capt. Murray is an Ohio man and has a large garden farm in the suburbs of this city. He is now placed under a bond of \$1,000.

TEXAS.

The Great Flood.

[By Telegraph to Daily Review.] SAN ANTONIO, TEX., Aug. 30.—Night.—The offices are down, but a private letter confirms the report of the flood on the Concho river. Six inches of rain fell all over Northwestern Texas, and it is estimated that 25,000 sheep, besides cattle, horses and mules, and 60 or 75 persons, were swept away. About fifty houses were washed away in Laredo, and the track of the Mexican National R. R. was badly damaged on Sunday. Further destruction is feared when the waters of the Concho reach the Rio Grande. At Abilene several sheepmen lost all of their flocks and are almost ruined.

VIRGINIA.

Mahone Denounced as a Traitor to His State.

[By Telegraph to Daily Review.] PETERSBURG, VA., Aug. 30.—Night.—The Democratic convention, to nominate a candidate for Congress from the 4th Congressional district of Va., which was held at Library Hall to-night, nominated W. A. Reese, of Greenville county, by acclamation. The nominee is about 35 years old and an ex-member of the Virginia Legislature. The convention adopted a resolution calling upon the Democrats throughout the District, by their votes, to defeat the Coalition party and to condemn Mahone, who is called a traitor to his State and a broker, trading on Virginia's honor, and at the expense of her shame.

THE YELLOW FEVER.

[By Telegraph to Daily Review.] WASHINGTON, Aug. 30.—Night.—Surgeon-General Hamilton to-day, received the following: "Pensacola, Fla.—There were 9 cases of fever reported yesterday, and 1 death, and 2 cases reported to-day and no deaths. The President of the Board of Health thinks the disease is in mild form, and the sick were reported as doing well. The disease is confined to the lower part of the city, excepting the case in the hospital. The Board of Health is actively engaged in disinfecting and using all sanitary measures. (Signed: R. C. White, A. A., Surgeon.)"

NEW ORLEANS, Aug. 30.—Night.—A Pecayune Pensacola special to-night reports 14 cases of yellow fever to this date, and 2 deaths. The disease is confined to one district entirely, 4 squares in the lower part of the city. There is no case West of Palfax street. The city is otherwise very healthy. The Board of Health has adopted the most stringent sanitary measures to prevent the spread of the fever. The means at their disposal is the quarantine fund only. This will soon be exhausted. The nurses are furnished by the Board, and disinfectants have been distributed in the yellow fever districts by the sanitary inspectors. The aspect of affairs is more encouraging to-day.

Telegraphic Brevities.

There were 8 deaths from yellow fever at Matamoros yesterday. The manager of the telegraph office at Brownsville, Texas, is dead; hence there is no news from there. Gen. J. Floyd King was nominated for Congress by the Democratic Convention which met at Monroe, La., yesterday. Thomas Williams has been renominated for Congress by the Democrats of the Sixth Congressional District of Alabama. A heavy snow storm has been raging in Leadville, Col., all through the night of the 29th and morning of the 30th insts. James C. Smith, a well-known citizen of Chesterfield county, Va., was thrown from his wagon on the 29th inst., and instantly killed. H. A. Herbert has been nominated without opposition for Congress, by the Democrats of the Second Congressional District of Alabama. There were 111 Russian Jewish refugees sent from Philadelphia back to Europe yesterday, as they could not earn a living in this country. Hon. John Randolph Tucker has been unanimously renominated for Congress by the Democrats of the Sixth Congressional District of Virginia. The Democrats of the eighth Congressional District of Alabama have nominated Luke Pryor for Congress. Gen. J. O. Wheeler declined the nomination.

WASHINGTON.

Secretary Folger Willing to be Governor of New York—Suspension of the Exchange of Bonds.

[By Telegraph to Daily Review.] WASHINGTON, D. C., Aug. 30.—Night.—Secretary Folger stated this afternoon that if he is nominated for the Governorship of New York, and there is a fair concurrence of sentiment, he will accept the nomination. Secretary Folger has issued a circular, giving notice that in order to facilitate the work of the department, the exchange of 34 per cent bonds into 3 per cent will be suspended from Sept. 20th to Nov. 1st, at which last mentioned time it will be resumed. In reply to many inquiries, Secretary Folger announced that the 3 per cent bonds received for transfer, will be reissued in exactly the same denominations as those received.

MISSISSIPPI.

A Colored Republican Nominated for Congress.

NEW ORLEANS, Aug. 30.—Night.—A Magnolia, Miss., special says the Sixth District Republican Convention met here to-day. There was a full attendance and the proceedings were harmonious. Hon. Jno. R. Lynch, colored, was declared the unanimous choice of the Convention as their candidate for Congress amidst enthusiasm and applause. Lynch then addressed the Convention in an able speech, which was cautious and conservative. He spoke of his fidelity to his people, the Republican party and the South, and counseled moderation, and invited Maj. Van Eaton, the Democratic candidate to stump the District with him. He pledged a respectful conduct of the canvass, and paid the Democratic nominee some glowing compliments. He would acquiesce in the result in case of a fair ballot, but would contest to the last any suspicion of fraud.

ALABAMA.

Action of the Cotton Exchange of Montgomery.

[By Telegraph to Daily Review.] MONTGOMERY, ALA., August 30.—Night.—A meeting of the Montgomery Cotton Exchange was held this evening to consider the advance in cotton rates by Southern railway and steamship associations. Resolutions were unanimously adopted that the previous rates were higher than on other articles; that it will work to the disadvantage and loss of Montgomery; that it gives places doing a river business an advantage over those dependent on the railroads; that Eastern buyers cannot pay as much for cotton, which will greatly damage the inland markets; that it will cause our receipts to fall off, with very little profit to the railroads; that it will be a direct tax on the producers, and greatly injure the trade of Montgomery and other inland cotton markets, and the South at large. A committee was appointed to present the resolutions to the railroad officials and request them to reconsider the change in the rate of freightage, as it will sooner or later, cause shipments to flow into the unusual, and for some time past, closed channels of trade.

FOREIGN NEWS.

[By Cable to Daily Review.] LONDON, Aug. 30.—Night.—Gen. Wolsey telegraphs from cavalry headquarters at Mahremeh camp on Tuesday, that only the household cavalry, seventh dragoon guards were seriously engaged in the fight at Kassasin Lock on Monday evening. The former had 3 troopers killed and 8 wounded. Maj. Townshend received a sabre cut on his wrist. The Guards had two troopers wounded. A correspondent of the Times, at Berlin, says: A Representative of a Great Power of St. Petersburg, having asked the Government whether he should hire rooms at Moscow in the autumn, for his use at the coronation of the Czar, was informed that the ceremony certainly would not occur before May.

LONDON, Aug. 30.—Night.—The condition of the Archbishop of Canterbury continues grave. ISMAILIA, Aug. 30, 5 p. m.—The official report of Gen'l. Lowe, regarding the action of the cavalry at Kassasin confirms the details already printed. He says: After the charge the ground was strewn with the bodies of the dead Egyptian infantry. After praising the gallantry of the household cavalry, Gen'l. Lowe adds that their excellent behavior is at all times on a par with it. Gen. Wolsey states that the enemy are now throwing up works in front of Kassasin. An important order was received at Woolwich to-day, to forward to Egypt at once a formidable light siege train. It will weigh, with the equipment, 2,000 tons, and will require 1,136 officers and men. The ordnance will consist of 36 pieces of artillery of various calibres, including 10 40-pounders and 10 25-pounders. A despatch from Ismailia, to Reuters' Telegram Co., says: The British are advancing in full force toward Kassasin.

The Daily News has the following, dated Ismailia, August 30: The British did not anticipate the recent attack. The result shows that we are ready for anything. It is reported that the enemy fled to Tel-el-Kebir. Our positions remain much as they were, but the cavalry have advanced a few miles on the extreme right. A despatch to the Times from Durban states that the Kaffer Chief, Secoceni, his son and 14 followers, have been killed by a Mampoen Chief who was put into Secoceni's place by the British. ATHENS, Aug. 30.—Night.—Additional troops have been ordered to the frontier where the government has determined to concentrate 4,000 men immediately. The Hoars says that this number will be sufficient if the movement of the Turks is in any way instigated by the Turkish local commander, but if the impulse emanates from Constantinople the struggle will prove serious. ALEXANDRIA, Aug. 30.—Night.—Gen. Hawley and a brigade of Highlanders, under Gen. Allison, have

embarked on four transports for Ismailia.

Gen. Sir Evelyn Wood has assumed chief command of the troops in Alexandria and vicinity. A Greek merchant, who left Cairo on the 25th, reports that Arabi Pasha, Ali Fekeny, a number of troops from Kari el Duwan were at Tel el Kebir when he passed there. ATHENS, Aug. 30.—Night.—Advices from the frontier claim that the Turkish troops were repulsed on Monday and Tuesday with heavy loss. The Greeks occupy a strong position at Vigla, which is exactly on the new frontier, to the North of Zorbas. The Bishop of Platanaona, with 80 peasants, has joined the Greeks.

Indications.
