The Hewlett men had a grand turn out last night at the head of the old market site. Tar barrels burned, a band played and hundreds of the faithful were seen on the grounds. The Election Law.

The following communication from Col. B. R. Moore, County Attorney, to Gen. S. H. Manning, Chairman of the Republican Executive Committee, will sufficiently explain itself and will, we

trust, set at rest the question which has been raised as to the deposit by the voter of his ballot in the ballot box :

WILMINGTON, N. C., Oct. 31st, 1882. Gen. S. H. Manning, Chairman Republican Frecutive Committee of New Hanover County:

DEAR SIR :-- In reply to your communication asking answers to three questions as to the manner of conducting an election under the existing laws of North Carolina, I have the honor to

say as follows, respecting your ques-tions and giving my replies thereto serialim:

1st. "Does the voter place his ballot in the box, or does he hand it to the poll-holders to be by them deposited in the proper box ?"

In reply to this question I have only to quote the words of the statute, chap. 275, section 16, Laws of 1876-'77, "and each voter whose name may appear registered, and who shall not be challenged and rejected, shall hand in his vote to the judges who shall carefully deposit the ballots in the ballot boxes." 2nd. "Has the voter the right to vote a tolded or sccret ballot?"

In reply to this question, I can only say that the act of Assembly evidently intended that the voter might, if he de-sired, vote a folded or secret ballot.

3rd. "In case a ballot shall be placed in the wrong box, shall it be counted?" In reply to this question I answer that such ballots should not be counted. If they were counted, the result would be tantamount to a system of camu-lative suffrage, and would open the door

to the perpetration of fraud. This can easily be shown by a sup-posed case. In the approaching elec-tion there will be provided six boxes for the denosit of the ballot. Supressible to keep the assortment full. Good, reliable goods at LOW PRICES, will bring the trade. For Clothing for Children, Boys, Youths or Men, go to
