Special Telegrams to DAILY REVIEW.

CHARLOTTE, Nov. 7.—The Democrats carry this county by 400. The vote is not yet in but is satisfied as to the result. Burke 300, a Democratic gain. Gaston 200, a gain of 300. Rowan votes Democratic. This is a Liberal stronghold. Anson goes Democratic by 500, a Democratic gain. Catawba rolls up 1,300 majority.

FLEMING, Nov. 7.—At Waccamaw township there is a Democratic gain of 14 for the State ticket. Green gains 13 on Canada's vote two years ago.

CONCORD, Nov. 7.—Bennett's majority in Cabarrus county is 500, an increase of 100 on Jarvis' vote in 1880. The Democratic county officers are elected by 400 majority.

HICKORY, Nov. 7.—Total vote here 242; Bennett 496, Dockey 131, Dowd 301, Johnston 137. No material change from old party vote.

WILSON, Nov. 7.—Wilson precinct gives Bennett 171, a gain of 300 over Jarvis' vote; Ruffin and the judicial ticket have 167 majority in Wilson township; all other townships give Democratic gains. Murrays, Ind. Dem., is defeated by at least 300; our whole county ticket is elected. Wilson county has done a glorious day's work.

WADESBORO, Nov. 7.—Bennett has 370 majority at Wadesboro; 341 at Monroe. He carries Anson by about 800 majority—a heavy gain.

ROCKINGHAM, Nov. 7.—Dockey 107

THE DAILY REVIEW.

VOL. VI. WILMINGTON, N. C., WEDNESDAY, NOVEMBER 8, 1882. NO. 266.

majority—a Republican gain of 100, Johnston 86 majority.

WASHINGTON, Nov. 7.—Beaufort county gives a Democratic average majority of at least 200; Shepherd 350, Latham's larger than the State ticket.

BURGAU, Nov. 7.—At this place Bennett has 104; Dockey the same; Green 103; Canada 103; Democratic judges 105, except McKoy, who has 102; Republican judges 104, except Darby, who has 107. Holly township—Democrats 109; Republicans 70.

ROCKY POINT, Nov. 7.—We poll at Rocky Point: Green 112, Canada 320, Darby 235, McKoy 211, Galloway 112, Shepherd 115, McKee 112, Ruffin, Shipp, Phillips and Gilmer 113 each. A Democratic gain of 50 over last election.

STATESVILLE, Nov. 7.—Every township in Iredell county thus far heard from gives a Democratic gain. The present indications are that the Democratic gains in the county will be quite 150, making the Democratic majority 900. All candidates on the Democratic ticket run tolerably well together.

ASHEVILLE, Nov. 7.—Bennett's majority here is 179, a gain of 181. The county is estimated at 400 to 500 majority; the legislative ticket the same.

CHARLOTTE, Nov. 7.—Mecklenburg county goes Democratic by 300 to 500 majority; nine townships, half of the county, give Bennett 279 majority over Jarvis. Cabarrus county has gone largely Democratic. Only two townships giving Liberal majorities.

MORGANTON, Nov. 7.—The Democratic ticket has carried Burke county by 200.

WELDON, Nov. 7.—Bennett's vote at this precinct is 248; Dockey 450; a Republican majority of 204, and 62 net Republican gain over Garfield's vote.

GOLDSBORO, Nov. 7.—The indications are that Person, Independent, is elected to the Legislature. The other member is in doubt, and the balance of the county ticket is mixed. Think Bennett carries the county by a small majority.

GREENSBORO, Nov. 7.—A sweeping Democratic majority in Guilford county, entire county and Legislative ticket is elected by heavy majorities. The Democratic ticket is elected in Randolph, with gains.

LINCOLN, Nov. 7.—Only four precincts heard from, and they give the Democrats small majorities.

SALISBURY, Nov. 7.—The election in Rowan county passed off quietly with a large Democratic gain in Salisbury township over the vote for Governor in 1880. There seems to be no general gain in the county, though the Democratic majority will probably reach 500 over the vote for prohibition. Bennett's majority will fully equal the general Democratic victory.

MONROE, Nov. 7.—Bennett carries Monroe by 341 majority, a Democratic gain; judicial and Congressional about the same. Two county precincts give Bennett a net majority of 65. The county will give Bennett 800 majority. The entire Democratic county ticket is elected.

LAURENS, Nov. 7.—Richmond co. will give about 400 majority. Laurinburg, Bennett 293, Dockey 217, Stewartville, Bennett 53, Dockey 83, Williamsburg, Bennett 271, Dockey 149, Laurel Hill, Bennett 183, Dockey 238.

ABBOTTSBURG, Nov. 7.—Abbott's township, Bennett 108, Dockey 108, a Democratic loss of 1; Green 103, Canada 107, a Democratic gain of 2; Ruffin 105, Folk 102; For the Senate, Lyon, Liberal 128, Register, Dem., 80. For the House, McEwen, Dem., 120, Newell, Rep., 88. Brown Marsh township, Dockey 102, Bennett 70, Canada 95, Green 71, Newell 101, McEwen 69, Lyon 103, Register 60, Bladenboro, Dockey 4 majority, Canada 17, Folk 5. For the Senate, Register 99, Lyon 95. For the House, McEwen 106, Newell 80.

FAYETTEVILLE, Nov. 7.—Cumberland goes for Canada by a small majority. Our Senator is elected but the county legislative ticket is lost, except probably Rose. A part of the county ticket is elected.

RALEIGH, Nov. 7.—Wake is probably Republican. Scattering precincts indicate gains for Bennett. Forsyth gives 500 majority for Bennett and for Robbins; Salisbury gives 150; Lexington gains 46; Guilford elects the Democratic ticket; Carteret county gives 150 Democratic majority; Newbern gains 150; Cox is certainly elected and Bennett by an increased majority. Raleigh township gives 250 majority for Dockey.

TARBORO, Nov. 7.—One precinct in Edgecombe county gives a Democratic gain of 21. Phillips will run ahead of his ticket. Two precincts give a Democratic gain of 57.

SMITHVILLE, Nov. 7.—The following is the vote of this township: Green 118, Canada 198, Bennett 123, Dockey 107.

GENERAL ELECTIONS.

PETERSBURG, Va., Nov. 7.—Returns for each precinct here show the Readjuster ticket elected by 1,035 majority. The vote stood as follows: For Congressman-at-Large, J. S. Wise, Readjuster, 2,035; John E. Massey, Democrat, 1,000; Jno M. Dawson, colored straight-out Republican, 78. For Congress from the 4th District, B. L. Harner, Readjuster, 2,019; W. A. Reese, Democrat, 1,000; Tazewell Branch, colored straight-out Democrat, 79. For down. Returns are arriving slowly and show Democratic gains.

NEW YORK, Nov. 7.—Seventy election districts, out of 88, give Edison 9,833 and Campbell 6,683. It is conceded that Edison will receive about two-thirds of the whole number of votes cast and Campbell one-third.

CHARLOTTE, N. C., Nov. 7.—Dowd, Dem., in the 8th; Vance, Dem., in the 9th; and probably Robbins, Dem., in the 7th districts are elected. The Democratic ticket is elected. The Democratic

Robeson, Rep., in New Jersey, is probably defeated by 1,500 majority.

The Democrats in Wisconsin claim five and probably six out of nine Congressmen.

MEMPHIS, Nov. 7.—Casey Young has 1,075 majority in the city over Judge Smith, Rep., which indicates Young's election to Congress from this district by 400 majority.

INDIANAPOLIS, Nov. 7.—Scattering returns from a few precincts in this State show small Republican gains in the vote for Secretary of State, for the vote for Governor in 1880. Peole, Rep. for Congress in the Indianapolis district, is probably elected over English. Since the last State election the voting precincts have been divided in all the larger townships and wards, making it difficult to get correct comparisons until the entire township and ward is heard from.

NEW ORLEANS, Nov. 7.—A Times-Democrat Dallas, Tex., special says: The Democrats have swept Northern Texas like a whirlwind. Ireland for Governor, and the entire Democratic State ticket is elected by an enormous majority. The Legislature is overwhelmingly Democratic.

HARTFORD, Conn., Nov. 7.—Eighty towns give Bulkeley, Rep., 20,549; Waller, Dem., 20,643; in 1880 Bigelow, Rep., 25,332; English, Dem., 22,531.

SAN FRANCISCO, Nov. 7.—The election in this city was very quiet and an average vote was polled. Owing to the length of the ticket and bad arrangements for gathering returns, nothing can be known of the result to-night. There was much scratching, and probably some will be elected on both tickets, but the commonly accepted opinion is that the Democrats will have a majority of 2,000 to 3,000 on the general ticket. Reports from the interior indicate a full vote. It is believed that the prohibition ticket will have about 5,000 in the State at large, and this, with the defection from the Republicans, on account of the Sunday law, is likely to give the State to the Democrats.

PHILADELPHIA, Nov. 7.—A special dispatch says: Post, Dem., is elected in the 15th district. This is a Democratic gain.

CHATTANOOGA, Nov. 7.—From reports received by the Times, Dibbald, Dem., is re-elected in the 3d Tenn., and Clements, in the 7th Ga., and Prior, in the 8th Ga. districts.

SAVANNAH, Nov. 7.—In the 1st Congressional District Nichols, Dem., is elected by about 5,000 majority. In the 2nd District Turner, Dem., is re-elected by about 2,000 majority. The vote in the 1st is very light. There was much apathy and especially among the Republicans.

ATLANTA, Nov. 7.—The election passed off quietly. Specials indicate a full Democratic delegation to Congress. Spear and Felton are both defeated.

BOSTON, Nov. 7.—263 towns and cities give Butler 112,660. Bishop 68,311. Butler's plurality 44,357.

AUGUSTA, Ga., Nov. 7.—The election was very quiet here. There was no opposition to Seaborn Reese, Dem., for Congress. About one-sixth of the usual vote was polled.

RICHMOND, Nov. 7.—The vote of this city is as follows: Congressman-at-Large, Massey, Dem., 3,438; John S. Wise, Coalitionist, 3,015. For Congress, 3rd District, Geo. D. Wise, Dem., 5,592; Smith, Coalitionist, 2,950. Returns received to this hour (9:30 p. m.) show steady gains for the Democratic ticket over the vote for Governor last year.

BOSTON, Nov. 7.—Wm Whiting, Rep. for Congress, is elected over Sawyer, Dem., in the 11th District, and Geo D. Robinson, Rep., is elected in the 12th District.

Those Congressmen whose elections are still doubtful, according to the Democratic returns, are Loring, in the 6th District; Lilly, in the 8th, and Thompson, in the 7th. Rice, Rep., is elected to Congress from the 10th District by 2,300 majority.

BOSTON, Nov. 7.—The returns received at Democratic Headquarters indicate the election of Patrick A. Collins, Democrat, to Congress, in the 4th district, over Chas. T. Gallagher, Republican, and the Republicans conceded his election. The election of Henry B. Loring, Democrat, to Congress in the 6th District, is probable, but in doubt. Eben E. Stone, Republican, is elected to Congress in the 7th district over Chas. P. Thompson, Democrat.

The Journal figures a plurality for Butler in the State of 20,000, but claims that the entire Republican State ticket, except Bishop, is elected, which the reporter at present indicates. The Legislature will be Republican by a reduced Republican majority.

WILMINGTON, Del., Nov. 7.—The election passed off quietly, except in third and seventh wards, in the former of which, immediately after the polls closed, there was a serious affray between negroes and whites, in which the negroes, who were the assailants, used pistols freely, and the whites retaliated with a shower of bricks and stones, which scattered their assailants. Two white men were seriously wounded by bullets, and several were hurt by bricks. A woman was also shot in the breast, but not seriously injured. Many arrests were made during the riot, among them Chief Engineer McEntire, Chairman of the City Democratic Committee, for knocking a man down. Returns are arriving slowly and show Democratic gains.

NEW YORK, Nov. 7.—Seventy election districts, out of 88, give Edison 9,833 and Campbell 6,683. It is conceded that Edison will receive about two-thirds of the whole number of votes cast and Campbell one-third.

CHARLOTTE, N. C., Nov. 7.—Dowd, Dem., in the 8th; Vance, Dem., in the 9th; and probably Robbins, Dem., in the 7th districts are elected. The Democratic ticket is elected. The Democratic

ticket for Judges was voted straight in Western portion of the State and are doubtless elected by a good majority.

NASHVILLE, Tenn., Nov. 7.—A fair day was favorable to the regular Democratic ticket and a heavy vote was polled all over the State. The indications now are that Gen. Bates' vote will largely exceed the Democratic vote of 1880 for both Wright and Wilson in many counties. Bates has so far polled a full Democratic vote.

NEW YORK, Nov. 7.—Two hundred and sixty-one election precincts out of 688 give Folger 16,782 and Cleveland 43,833.

7 p. m.—The majority for Cleveland in the State is estimated by the Express from 80,000 to 109,000. The Express Bulletin says: Edison is undoubtedly elected mayor and estimates his majority at 80,000.

The Sun's bulletin says: The Republicans of Massachusetts concede Butler's election as Governor by a large majority.

The Express says: Mahone claims a majority for his ticket in Virginia of 25,000.

7:30 p. m.—Scattering returns from various parts of the State show uniform and heavy gains for the Democrats, apparently making Cleveland's majority almost fabulous. Howard Carroll seems to be running ahead, but is probably swamped with the rest of the ticket.

SAN FRANCISCO, Nov. 7.—A despatch from Carson, Nev., says: Adams, Cassidy and Stone, Democratic candidates for Governor, Congressman and Supreme Judge, respectively, have traded off the balance of the ticket for themselves and friends of other candidates, and the Irish voters in general are working against them. Dispatches to the Reno Gazette indicate the election of Rowing (Rep.) over Casady (Dem.).

HARTFORD, Conn., Nov. 7.—The vote has been quite full throughout the State. There has been a falling off from the vote of 1880, the Republican loss being very much greater than the Democrats. It is probable that Eaton is elected to Congress from the 1st District, and the probability is that the Democrats have elected the State ticket and three Congressmen. Wait, Republican, is undoubtedly elected in the Third District.

ALEXANDRIA, Va., Nov. 7.—Alexandria City gives Massey 597 majority and Barbour 627.

GALVESTON, Nov. 7.—The day has been fine. The State is solid for the Democrats. There was much scratching for Congressional candidates and county officers. The contest was quiet.

BOSTON, Nov. 7.—Butler's plurality in Boston, with some wards to hear from, is 13,621. In 1879 Boston gave Long 18,288 and Butler 23,568. Leopold Morso, candidate for Congress, Democrat, defeats Bowman in the 5th District by a small majority. Theodore Lyman, Civil Service Independent candidate for Congress in the 9th District, has defeated Jno. W. Candler, Gov. Long is probably elected to Congress from the 2nd District.

NEW YORK, Nov. 7.—833 city election districts out of 688, give Cleveland 40,163 majority. In the returns from the State, in only three instances are Republican gains reported, and these amount to 43.

PROVIDENCE, R. I., Nov. 7.—Henry J. Spooner, and Jonathan Chase, Republican, are re-elected Representatives to Congress by large majorities on a light vote. The proposition to amend the constitution so as to authorize the Legislature to call a constitutional convention, was rejected.

BROWNSVILLE, Tex., Nov. 7.—The election in this city was very orderly. Ochiltree, for Congress, polls a heavy vote. There was a disturbance at the 4th voting precinct between the supervisors of election and the deputy sheriffs. There were no serious consequences. Finlay will carry the county by about 300 majority over Ochiltree. Last year the Democrats' majority in the district was 1,700.

BOSTON, Nov. 7.—At the Republican State Committee's room no doubt is expressed of Butler's election; the only question is as to the amount of the majority. Returns, as they arrive, show great gains for Butler and falling off in the Republican vote.

NEW YORK, Nov. 7.—Returns indicate that Cleveland will come down to Harlem river with from 20,000 to 25,000 majority. This city will give him 75,000 majority. Returns from Brooklyn are, if possible, more favorable to the Democrats than those of New York. Kings county will give Cleveland probably 25,000 majority.

OMAHA, Neb., Nov. 7.—Clear warm weather prevails in most parts of the State and a large vote is being polled. The Woman Suffragists have coffee and sandwiches at their halls, but are receiving but few votes in the wards in this city, where they expected the most.

PITTSBURG, Pa., Nov. 7.—Night—the election is progressing quietly and a heavy vote is being polled, notwithstanding the disagreeable weather.

EVANSVILLE, Ind., Nov. 7.—Night—the election is proceeding without undue excitement, a light vote being polled. There have been a good many arrests of negroes and their ranchers.

NEW YORK, Nov. 7.—Night—John Battersby, Independent candidate for Alderman in the first Assembly district, died suddenly last night while he was bunching his tickets. Heart disease was the cause.

NEW HAVEN, Conn., Nov. 7.—Night—the election is proceeding quietly and the total vote will probably not be as large as usual. The weather is threatening.

CHICAGO, Nov. 7.—Night—After a bright morning, the afternoon is cloudy and warm with indications of rain. Reports from the several wards indicate that a full vote is being polled, which is construed as being favorable to the Republicans.

DARTMOUTH, Nov. 7.—Night—The

weather is cloudy, but the rain has stopped. Quiet prevails at the polls. There are indications that a large vote will be cast with a great deal of splitting.

LOUISVILLE, Ky., Nov. 7.—The election progresses quietly. A small vote is being cast, and without the slightest indication of excitement. A noticeable fact is the absence of colored voters from the polls where usually their vote is the heaviest.

NEW ORLEANS, Nov. 7.—Weather clear and pleasant. The election proceeds in an orderly manner, no disturbances being reported from any quarter. The polling indicates only a moderate vote.

MEMPHIS, Nov. 7.—The weather is fine and the general election is going on without excitement. The balloting points to a light vote throughout the county, with favorable prospects for the election of Casey Young (Democrat) to Congress, and the success of the Democratic Legislative ticket.

INDIANAPOLIS, Nov. 7.—The election in this city and State is progressing well. The indications are that a very full vote will be polled. A large amount of scratching is being done on both sides.

BOSTON, Nov. 7.—Returns of both this city and the towns in the State indicate a general scratching of tickets. At noon Butler was ahead in Gloucester, Newburyport, Lawrence, Marlboro, Framingham, Hopkinton, Milford, Natick, Walpole, Holliston, Hudson, Maynard, Ayer, Grafton, Peppercell, Clinton and Acton. In Boston a large vote is being cast.

NEW YORK, Nov. 7.—The Evening Post says, editorially, there is undoubted evidence before us that the Democratic county ticket, with John J. O'Brien's name upon it, is run out of the Republican boxes. We have conclusive proof that, at none of the voting places in several assembly districts, any other Republican ticket could be obtained this morning. The treachery which has been predicted holds to be fully carried out.

ROCHESTER, Nov. 7.—A special to the Post says: The election is progressing quietly. The German vote, heretofore Republican, is being cast almost solidly for the Democratic ticket. Indications favor large Democratic gains in this city and county.

BUFFALO, Nov. 7.—On account of the light rain during most of this morning the vote is not yet large, but now we have clear weather. The anti-Administration Republicans are redeeming their promises and voting for Cleveland. There is no falling off among Democrats and Cleveland's vote here will be all that his friends anticipated.

PORTSMOUTH, N. H., Nov. 7.—Private advices to prominent politicians here indicate the probable election of Edgerly, Democrat, for Governor.

NEW YORK, Nov. 7.—105 election districts out of 688 in this city give Folger 6,632, and Cleveland 18,643.

ST. LOUIS, Nov. 7.—The weather is very fine and the election passed off quietly. There was a great deal of scratching and the count will be slow. There are four city tickets in the field, but some of the candidates are on all of them. Three city Congressional Districts will no doubt go Democratic, and there does not seem a chance for the Republicans to carry a district in the State.

RICHMOND, Va., Nov. 7.—The election to day passed off quietly in this city, except the excitement incident to the arrest of several election judges. Attempts were made during the day by Readjuster Coalitionists to vote on capitation tax receipts, signed by two collectors of delinquent taxes. Judge Christian, of the Hustings Court, decided that the law allowed only one tax collector to each city and county, and instructed the judges of election to refuse votes signed by more than one. The U. S. supervisors arrested the judges and they were taken before the U. S. commissioner and bailed for their appearance to-morrow. A compromise between the U. S. commissioner and Judge Christian followed and votes were received on both receipts, under a protest against one. A contest will be likely to result. The delay caused by this action caused many votes to be lost on both sides. The polls closed while a large number of voters were waiting to vote. John Ambler Smith, Coalitionist candidate for Congress from this district, was arrested here to-day for disorderly conduct at the polls. He was bailed to appear.
