New moon this evening at 5 minutes past 6 o'clock.

The receipts of cotton at this port yesterday foot up 1,106 bales.

Steamship *Gulf Stream*, from this port, arrived at New-York yesterday.

Do you think President Arthur will feel like giving thanks on the 30th inst?

Mr. Eugene McDonald, of Baltimore, Md., has established himself in the cotton business, in this city.

Poultry in this market is fabulously high; chickens retail at 40 to 50 cents apiece and a venerable goose at 75 cents.

The comet is still clearly visible. It rises about 2 o'clock and presents a handsome, although a dissipated appearance caused, perhaps, by the late hours it has been keeping.

Let's all try and get down to hard pan now and go to work and catch up with business which has fallen behind in consequence of the excitement and concern over the elections.

There seems to be no doubt of Capt. Browning's election as Treasurer of Halifax county, but he is somewhat worried because he thinks his friends will push him for the Presidency in 1884, as he has carried his county by 6,500 majority.

Improved.

We are pleased to know that Mr. *Fred. Metts'* condition was considered more favorable yesterday. He has a very severe attack of cerebro spinal meningetis. Capt. J. I. Metts, his brother, did not leave for Newbern yesterday morning, because he was informed by telegram that Mr. Metts' condition was much more favorable than on the day before.

A Fox Hunt.

The Wilmington Fox Club gave a special hunt last evening. An old and sly fox, previously caught alive, was turned loose at the Mineral Spring on the Turnpike, which afforded much excitement and pleasure to the many gentlemen present. The hounds were in splendid condition, the music was sweet and the gallop over the country, some three miles, was very exhilerating. The fox seemed to enjoy its freedom and showed game to the death.

Thermometrical.

From the Signal Office in this city we obtain the following record of the thermometer, at the points named, at 3 o'clock yesterday afternoon:

Atlanta 68; Augusta 71; Charleston 68; Charlotte 66; Cedar Keys 72; Galveston 77; Havana 80; Indianola 82; Jacksonville 72; Key West 77; Montgomery 92; New Orleans 74; Palestine (Texas) 79; Pensacola 71; Port Eads 76; Punta Rasa 78; Savannah 68; Wilmington 64.

The Old and Reliable Clothing House.

Messrs. A. & I. Shrier, the proprietors of the above old and favorite Clothing House, No. 34 Market Street, ever on the alert to introduce the latest and most fashionable styles in their line of trade, have spared no pains this season in the selection of their Fall and Winter Clothing for Men, Boys and Childrens' wear, and in these selections have exhibited their usual exquisite taste. The house has always borne a high reputation for keeping only the best of goods, and selling them at the lowest price. The members of the firm are old stagers in the business and always know when and where to buy. This is the universal verdict of the large flourishing trade which the firm has commanded for long years. Indeed Messrs. A. & I. Shrier have become special favorites with the people, not only of Wilmington, but wherever they have become known. An examination of their stock yesterday fully convinces us that there is no handsomer stock this side of Baltimore, and it is only necessary for the buyers to examine their extensive stock in order to be fully satisfied that they can find all they may need for the comforts of man.

In addition to the above there were 246 scattering votes cast for Treasurer, 84 scattering for Register of Deeds, 64 scattering for members of the Legislature, and 44 scattering for Coroner.

The Situation.

A press dispatch from Raleigh, received here after midnight, says that the returns now indicate the election of Pool, Rep., in the First district, instead of Latham. It also says that doubts are entertained as to the election of Bennett and Robbins. We have always feared for Latham and Robbins but have not had any fears as to Bennett's election. We still believe that he is elected.

In this district Col. Green is certainly elected. We figure his majority at 550. This gives him 479 majority in Columbus, 28 in Carteret, 10 in Cumberland, 610 in Duplin, 290 (estimated) in Harnett, 491 in Onslow and 500 in Sampson. Canaday has 328 in Bladen, 142 in Brunswick, 1,182 in New Hanover and 206 in Pender. Moore is not carried to either account in this estimate.

Special dispatches to the REVIEW give Democratic gains as follows on the vote for Bennett: Beaufort 300, Martin 104, Pamlico 180, Pitt 25, Wilson 412, Carteret 200, Chatham 400, Durham 237, Johnston 265, Nash 100, Orange 200, Alamance 219, Davidson 50, Cabarrus 616, Catawba 1,064, Gaston 190, Mecklenburg 532, Union 800, Alexander 350, Buncombe 400, Burke 300, Cleveland 900, McDowell, 150, Stokes 800, Guilford 251, Randolph 450, Rockingham 800, Onslow 401, Iredell 543, Rowan 200.

The following majorities are for Dockery: Chowan 170, Pasquotank 540, Perquimans 240, Craven 1,500, Edgecombe 1,846, Halifax 2,700, Warren 1,275, Wayne 65, Granville 150, Wake 416, Vance 194, Davie 300, Wilkes 500, Craven 1,395.

The above do not confirm the vote of all the counties heard from, but only those reported yesterday and last night.

A dispatch from Asheville says that Vance is elected by over 3,000 majority; that we lose two and gain one member of the Legislature, and that Bennett holds Jarvis' vote in the Western counties, the gains and losses offsetting.

Green is elected and Bennett is elected and the Legislature is safe, but we fear that Latham and Robbins are both defeated.

The Troubadours.

It will not be forgotten, amid all of the excitement in reference to the elections, that Salsbury's Troubadours are to give us a delightful entertainment at the Opera House next Monday evening. The New York *Mirror* says of them:

Monday evening Booth's Theatre was crowded to greet Salsbury's Troubadours in their new musical novelty by Bronson Howard, called Green Room Fun. The composition met with instant favor, due in a great measure to the clever acting of the people engaged in its delineation. The farcical incidents, grotesque situations, pertinent colloquialisms, songs and dances, kept the house in a roar of laughter from beginning to end. Green Room Fun is as fresh, bright and attractive as any entertainment which has visited New York since last Summer.
