Sixty quails in thirty days is what an BOW.

An international exhibition will be opened in Calcutta next December, and will close on Feb. 29, 1884.

The failures of the year just ended were astonishingly numerous, amount ing to one in every 122 engaged in business. The number of failures was 6,738 or1,156 more than in1881. The liabilities were \$101,547,564. or \$20,391,633 more than in 1881. The record is not as bad as that of the year 1878, which is known as the worst year for business since What Capt. F. M. Wooten of 1857. but it is very bad, and its explanation demands serious attention. The country is prosperous, and the Mr. Petteway send me another ton of people have enjoyed an almost unpre- publican, (published at St. Louis, Mo ...) cedented succession of bountiful harvests. It would seem difficult therefore the death of Fergus McRee, eldest son

to account for the business troubles.

"L'Evangeliste." Alphonse Daudet's age. New Novel, which is now creating such a great sensation in Paris, is in press, and will soon be published by T. B. Peterson & Brothers, Philadelphia. It will certainly create a profound sensation, as it treats of a subject never It is a romance of the conflicts of human emotions, with a gay as well as a grave side, and is .of intense interest. endless discussion. Dandet, who is individual in New York is attempting one of the greatest novelists of the present, day founded "L'Evangeliste" on quent to the close of the war, in the instrange mysticism.

C. The and the flakes melted as fast as they fell.

He had just returned from his summer vacation, and describing the beaufriend, he asked: "Have you ever seen the Cats-kill-mountains?" and she answered: "Not! but I have seen the Bull's Cough-Syrup!"

#### The Freshets.

There is no doubt that there is a big treshet on the way down all of the 1ivers, North East and North West, Cape Fear, Black and South and Lillington rivers. The latest advices are to the effect that the water is rising very rapidly in all of the streams mentioned and their tributaries. A timber merchant told us to-day that he would not be sur-Good oak wood sold at retail this prised if it equalled the famous Sherman freshet, early in the year 1865, when the streams overran their banks Little Cathartic Pills, best ever made, everywhere. The water was at that only 15 Cents. Standard Cure Co., 114 time, we think, more than fifty feet deep at Fayetteville.

> Steamboatmen report passing a number of rafts of timber in the river, one man having counted as many as seven-teen. These raits must have started on the previous rise as there are few people who would care to ship a rait on the top of a high freshet like the pres-the top of a high freshet like the present. We may expect, however, to see Western mails (C. C. Kailway) daily, a goodly number come in on the obbing waters, especially as we understand that the freshet has penetrated into the water courses in Pender, Sampson and Bladen counties.

### The Literary Club.

There was quite a good attendance upon the meeting af the above elub at the Library Room last night, though some were undoubtedly kept away by the bad weather. Mr. Charles Gerhardt was elected Secretary to take the place of Mr. Farie, who has removed from the city. The matter of an entertainment to be given jointly with the Spinster Society, on the last Tuesday In January, was referred back to the Lecture Committee, with power to act, subject to the President's approval.

"Should foreign immigration into as Magnolia. At Weldon it was five this country be encouraged?" is the question to be debated next Tuesday evening, with Messrs. M. S. Willard and James Struthers in the affirmative and Messrs. F. L. Meares and N. F. Parker in the negative.

For Tuesday evening, the 23d inst., the following oppointments were made:

Malaria, Chills and Fever, and Bilties of the mountain scenery to a lady ious attacks positively cured with Emory's Standard Cure Pills-an infallible remedy : never fail to cure the most obstinate, long-standing cases where Quinine and all other remedies had failed. They are prepared expressly for malarious sections, in double boxes, two kinds of Pills, containing a strong cathartic and a chill breaker, sugar-coated; contain no Quinine or Mercury, causing no griping or purging; they are mild and efficient, certain in their action and harmless in all cases; they effectually cleanse the system, and give new life and tone to the body. As a household remedy they are unequaled. For Liver Complaint their equal is not known; one box will have a wonderful effect on the worst case. They are used

and prescribed by Physicians, and sold by Druggists everywhere, or sent by mail, 25 and 50 cent boxes. Emory's
