There seems to be a nice little scheme on foot in Raleigh to sacrifice the State's interest in the Cape Fear & Yadkin Valley Railroad.

We have glanced over a bill introduced in the Senate authorizing a sale of the State's stock in the Cape Fear and Yadkin Valley Railroad.

That each share of the State's stock shall be entitled to one vote.

We noticed yesterday that quite a number of panes of glass were broken in Tilston School building.

The first pair of shad of the season were caught this morning by Mr. Mills.

A fine assortment of Guns and Pistols at Jacob's Hardware Depot.

A young friend of ours, who found his way into the woods yesterday.

The last number of Frank Leslie's Illustrated gives what claims to be a representation of the ferry at the foot of Market street.

If in addition the road is completed to Patterson the State is to surrender the mortgage bonds received for the convict labor.

Death of Mr. Macks' Mother. Mr. J. I. Macks leaves this city tonight for Baltimore.

A Painful Injury. Mr. W. W. Barnes met with quite a serious accident at his home yesterday.

Specialty of Military and Firemen's Shirts. Messrs. A. & I. Shrier are making a specialty of introducing the Military and Firemen's Shirts of the same styles as worn by New York Companies.

To Builders and others—Go to JACOBI'S for Sash, Blinds and Doors, Glass &c. You can get all sizes and at the lowest prices.

More rain, but with warm weather, the wind heading to the West and Southwest.

Snow was predicted for to-day, both by Vennor and the almanac, but it lacked a great deal of it in this section.

We regret to learn that Mr. George Hooper is lying dangerously sick at his residence on Third, between Queen and Wooster streets.

For Pocket Knives or Table Cutlery, go to JACOBI'S Hardware Depot.

Bishop Northrop.

We are glad to learn, as we do from good authority, that Rt. Rev. Bishop Northrop, who has been stated as appointed to the vacant See in South Carolina.

Nearly All Taken

The stock offered by the Southern Ore Company had, with the exception of a very few shares, been all disposed of before noon to-day.

Scandalous.

So rude, indecorous and noisy were some of those in attendance at the Opera House on Saturday night that many of the finest efforts of the performers were lost upon those who were there for the purpose of listening.

We understand that seal-skin coats are going out of style, and in consequence colds are increasing among the fair sex.

The Railroad Commission.

We publish below an editorial article from the Goldsboro Messenger in which Col. S. L. Fremont, of this city, is very handsomely alluded to.

Present indications point to the establishment of a railroad commission. The gentlemen to compose such a commission should be not only well qualified for the discharge of its duties but possessed of public confidence to the fullest extent.

At least one of the commission should be a man having had railroad experience. A friend suggests Col. S. L. Fremont.

Saturday Night's Fire.

About 10:45 o'clock on Saturday night the wood shed on the premises of Mr. S. Burt, on the corner of Dock and Eighth streets, caught fire and was entirely consumed.

"Felicia."

There was a large attendance at the Opera House on Saturday night to witness the performance of the above named play by Miss Rose Eyttinge and her company.
