Quebec and there is no indication of any immediate diminution in the quantity. It is feared that when a thaw sets in the floods will cause great damage to property.

The Rev. Mr. Hicks, of Washington, Guiteau's spiritual adviser, has entered suit in the City Court against the American, for \$35,000 damages, for a publication asserting that he disposed of Guiteau's bones for a money consideration.

Col. Chas. R. Jones, late of the Charlotte Observer, has been recommended for nomination for Mayor of Charlotte. It was hard to believe that there were to be any municipal election in Charlotte this Spring, so quiet has it been there, until we saw the name of Wm. Johnston suggested for the position and then we know that it would be warm weather in Charlotte soon.

A return of the shipping and tonnage which has passed through the Suez Canal from its opening in 1869 to the end of last year has been issued as a parliamentary paper. This shows that the amount for 1882 far /exceeded that of any previous year. Of the total of tifully painted ceiling. 3,198 ships (as against 2,727 in 1881) which passed through the canal in 1882, 2,565 were English, their gross tonnage being 5,795.584, as against 1,326,541, the gross tonnage of the foreign vessels.

A young man has just died in Baltimore, who seems to have compressed a wonderful amount of experience into the twenty-six years of his life. He was educated in Germany, wrote an opera in Paris and a volume of poems in London, spent several years in Mex ico as a civil engineer, acted for a season in San Francisco theatres, taught languages one winter in New Orleans, and finally reported for a Baltimore newspaper.
