STATE NEWS.

Smithfield Herald: The revival continues at Selma, and the interest throughout the community is said to be on the increase. Up to Sunday night 20 conversions had taken place, and a large number of penitents were enquiring the way of life.

Wilson Siftings: About a week ago Jim Artis and Oscar Harper, both colored, had a difficulty and Harper threatened to kill Artis. Saturday they made up, Harper saying he was satis. of a spiritual turn of mind he accepted Middling9 wished he hadn't as he discovered that he was poisoned. He fell exhausted and was carried to Drs. Peacock & Anderson who administered an emetic which soon brought him to his senses. Artis claims that Harper put strychine in the

Whiteville Enterprise: Mr. W. C. Sowles, of Pireway, killed an eagle which measured seven feet from tip to tip, one day last month. -On Tuesday evening, Col. Toon, Mr. E. D. Meares and Mr. J. P. Waddell came from Fair Bluff, having in charge one Augustus Thompson, charged with tak-ing a registered letter from the mail. He is mail rider on the route from Fair Bluff to Lumberton. He had a preliminary examination before Col. Maultsby and was required to give bond in the sum of \$500 for his. appearance at the next term of the U. S. District Court, in default of which he was committed to jail.

Goldsboro Messenger: The 19th annual Fair of the Sampson county Agri-cultural Society will be held December 5th, 6th, 7th and 8th. Capt. C. Partrick will be the chief marshal. The public fence in Greene county, under the stock law, cost the county about \$4,500. The length of it is nearly 75 miles. The work was quickly done.

—The Board of Aldermen at their last meeting did "the thing handsome."

Messrs H. L. Grant and J. A. Bonitz appeared before the Board as the representatives of the school trustees. ask-The amount was so ordered to be paid. we regret to learn that Senator Vance, who had been invited to deliver his lecture "The Scattered Nation" in this city for the benefit of the Confederate Monument Fund, has declined on the ground that he needs rest. This is the second time that Gov. Vance has been invited by the Rifles, and the boys and the old veterans hereabouts feel much disappointed and "put out" because the Governor can find time to make speeches in New York but declines to help the monumental cause

Tarboro Southerner: Last week Mr. Dorsch, Supt., owed a number of laborers, who where grading Railroad avenue, about \$180. Young Mr. Bryan took out papers of garnishment, and out of the \$180, \$156 went to the support of the State and County. There was wailing and gnashing of teeth among the dusky delinquents, but the deputy, like the law, was inexorable. A strange tale comes from Scot-land Neck fult of horror it true. We give it as we heard it on the streets. A awaiting the arrival of these goods—and oth short time since Mrs Bell died suddenly and was buried by her husband. Suspicions were aroused as to the cause of Latest and Prettiest Styles and Designs her death and parties went to the grave to exhume its remains that an examination might be had. Bell met them at the grave with a shot gun and threat-ened to shoot them if they attempted to open the grave; the crowd went off and got reinforcements, returned, took Bell's gun and dug up the corpse. The neck had been broken. Bell was arrested and lodged in the county jail. It is said that he killed his wife because she would not sign a deed. He told her to sign and upon her refusal he became so enraged that he assaulted her with the result above stated. Bell has lived in this section many years and is known as "preacher" Bell. He was tormerly a member of the Primitive Baptist Church and we believe did preach for a season, but he has long since ceased to be a member of this church from which he was expelled for his misconduct.

News and Observer: The preliminary work on the new mansion for the Goyernor will, it is understood, begin this month. - J. Luther Bright, of New York city, and Thomas Frost, of Charleston, S. C., were yesterday appointed commissioners of deeds for North Carolina. - The number of visitors to the geological museum is very large, on one day no less than 114 being registered. From January 18th to last Tuesday there were 1,826 visitors.

Raleigh will soon have another church. Ground has been broken for it, at the corner of Dawson and Hillsboro streets. The Christian denomination, which is growing in strength here, will occupy it. - It has been some time since there has been a "bond burning" at the Treasury Department. Yesterday there was one, and the Gov ernor, Attorney-General, Treasurer and others saw \$300,000 in old bonds vauish into smoke. —The Supreme be your own landlord. Bullding lots for sale on the instalment plan situated on Seventh, Wilson, Eighth, Ninth, Tenth, Dick inson, Eleventin, Bay, Twelfth, Thirteenth. Court of New York, in general session, has reversed the judgment of the court below in the case of Rencher against Elkins, the effect of which is to establish the claim of Mr. Rencher to a onetenth interest in some very valuable Bacon, Lard, Molasses, mining property in New Mexico.

President Kemp P. Battle tells us that the University Normal school will begin June 21, an continue five weeks. The utmost care is given to the selection of teachers, and only those of marked ability will be chosen. The names of the teachers will soon be announced.

Mr. B. F. Simmons, Weldon, N. C., says: "Brown's Iron Bitters is a standard article and gives general satisfaction."

JOHN J. HEDRICK.

LABORATORY OF STATE ASSAYER AND CHEMIST,

606 East Grace Street. RICHMOND, Va., January 30th, 1883. MR. N. EZEKIEL has made known to me the composition of his Hair Bestorer and I have also subjected it to chemical examination. It contains no lead or sliver, substances very commonly employed in making preparation for the hair, nor anything harmful, and may therefore be used without apprehension of injurious results.

WM. H. TAYLOR, M. D.,

Whilst thanking you, Mr. Ezekiel, for the Hair Restorer you so kindly sent me, I take great pleasure in saying to you that its bene-ficial effects upon my hair have been so appar-ent as to attract the commendation of all my friends who have noticed it.

It is in my estimation a treasure, without which the toilet of none who have used it will be complete. Hoping it may realize you the pecuniary success you so richly deserve,

I remain, very respectfully,
