The Augusta Chronicle says: "We would not be a bit surprised if Maryland, Florida and South Carolina followed Virginia temporarily into the Republican camp. But several of the great Eastern and Western States now Republican would gravitate toward Democracy. This would at least knock the bottom out of the solid North and solid South, while electing a Democratic President." We can't see the basis for such a "surprise." South Carolina will not go Republican, and of that fact we are sure, while it does not look as though Florida had any leanings in that direction. Nor do we see any reason why a somersault should be expected in Maryland. It takes the general elections to classify a State correctly, and the South will be as solid as ever next Fall.

BOARD OF ALDERMEN.

Proceedings of Adjourned Session.

The Board of Aldermen met in adjourned session last night at the City Hall.

Alderman DeRosset offered a resolution, which was adopted, that the City Clerk and Treasurer, being tax collector, be required to furnish at his own expense, such assistance as may be required in the collection of taxes.

A motion to go into an election for Clerk and Treasurer was adopted. Alderman DeRosset nominated Col. Jno. D. Taylor for City Clerk and Treasurer.

Alderman Guyer moved to make the nomination unanimous. The motion was adopted, and Col. Jno. D. Taylor was declared unanimously elected.

The committee on Lights reported, recommending that a new oil lamp be placed on the southeast corner of Tenth and Dock streets; that the gas lamp near the corner of Water street and Gable alley be exchanged for the one in front of the City Hall, and that it be placed so as to light the alley more effectively; that the oil lamp on the southwest corner of Dock and Eighth streets be replaced with a gas lamp; that a new gas lamp be placed on Fourth street, between Hanover and Brunswick. The report was received and the recommendations were adopted.

The contract for lighting lamps was awarded to F. M. King & Co.

Alderman Fishblate moved to substitute the name of R. H. Grant & Co. for F. M. King & Co., but the motion was lost.

The committee on Lights also reported, awarding a contract to the Wilmington Gas Light Co. Alderman Fishblate moved that the matter be referred back to the committee. Alderman DeRosset moved to amend by referring to a special committee.

The motion as amended was adopted, and the Mayor appointed as the special committee Aldermen Fishblate, Bear and Chadbourn.

The committees for the various departments were instructed to make up their estimates and hand the same to the committee on Finance.

Alderman Fishblate moved to reconsider the motion referring the matter of gas to a special committee. Adopted.

On motion, the report of the committee on Lights awarding the contract for gas to the Wilmington Gas Light Company, was then adopted.

Alderman Dudley offered a resolution, which was adopted, empowering the committee on Markets and Fees to have the necessary work done to put the city markets in order for occupancy.

The majority of the committee on Streets and Wharves reported adversely on the matter of opening the dock at the foot of Chestnut street. Alderman Guyer, of the committee, made a minority report, recommending that the dock be opened, with concurrence of the Commissioners of Navigation.

On motion of Alderman Dudley the minority report was adopted.

A resolution requiring the city scavenger to use air-tight barrels was referred to the Sanitary Committee.

A petition for a saw-dust sidewalk was referred to the committee on Streets and Wharves.

A petition for opening the dock at the foot of Davis street and for the improvement of Parsley street, was referred to the same committee.

A petition for a market house in the Third Ward was referred to the committee on Markets.

The Board adjourned until Tuesday night, the 17th inst.

The Last Drawing.

Our attention has been called to the fact that the figures published by us yesterday as constituting the numbers of the ticket which drew the capital prize in the Louisiana Lottery drawing on the 10th inst., are different from those published in the Star. The difference is simply in the terminal figure, which was given by the Star as a 9 and by us as a 7. It may be a small matter, but we know of at least one terminal prize in this city depending on these figures. The REVIEW is probably correct, as the Raleigh News and Observer and the Charlotte Journal both published it as we did. The following is a little fuller information on the subject than has yet been given:

No. 62,867 drew \$75,000; No. 72,692, \$25,000; No. 23,969, \$10,000; Nos. 26,502 and 58,507, \$6,000 each; Nos. 25,335, 27,604, 60,116, 69,372 and 97,578, \$2,000 each; Nos. 37,587, 37,216, 88,293 and 17,530, \$1,000 each.

Wilmington Presbytery.

First Day. This Presbytery convened in the First Church of this city at 8 o'clock last evening. Religious worship was conducted by Rev. S. H. Isler, the retiring Moderator.

After these services the Presbytery was organized for business by the election of Rev. J. S. Black as Moderator, and Rev. A. Kirkland and Ruling Elder A. R. Hicks, Jr., as temporary clerks. The reading of the minutes of the last session of the Presbytery was dispensed with, and after prayer the Presbytery adjourned to meet in the lecture room of the church this morning at 9 A. M.

The Presbytery of Wilmington consists of fifteen ministers and one ruling elder from each of the thirty-one churches.

SECOND DAY.

Presbytery met at 9 o'clock this morning pursuant to adjournment and opened with prayer, after which the minutes of the last meeting were read and approved.

Several ministers and lay delegates appeared in Presbytery and rendered satisfactory reasons for tardiness, which were accepted.

A communication was received from Rev. Dr. Chapman, giving reasons for his absence, which was accepted and the stated clerk was directed to express to him the sympathy of Presbytery.

On motion, a committee on leave of absence and tardiness was appointed. Presbytery proceeded to the examination of Rev. J. M. Rose, who presented a certificate from Memphis Presbytery, and he was received as a member of Wilmington Presbytery.

Rev. Frank H. Wood, pastor of Front Street M. E. Church, being present, was invited to sit as a corresponding member.

The agent of Home Missions submitted his report which was made the first order of the day for to-morrow at 10 o'clock a. m.

The agent of Foreign Missions submitted his report, which was made the second order of the day for to-morrow.

Report of the agent on Publications was made the third order of the day for to-morrow.

The report on Sunday Schools was made the first order of the day for Saturday.

The Committee on Minutes of Synod submitted their report, which, on motion, was taken up *seriatim* and adopted.

It was ordered that hereafter Foreign Missions be considered at the Spring meetings, and Home Missions at the Fall meetings of Presbytery, and that an evening be set apart for their consideration at each meeting.

Rev. Mr. Jones, of the Baptist church, being present, was invited to sit as a corresponding member.

Rev. C. M. Payne was appointed Chairman of Committee on Narrative in General Assembly.

The stated clerk was directed to furnish necessary blanks for each session.

The treasurer submitted his annual report, which was accepted and approved.

The overture of Concord Presbytery to the General Assembly was referred to committee on Bills and Overtures.

The committees appointed to visit certain vacant churches submitted their report, which was accepted and approved.

The commission appointed to install Rev. A. McFadyen, having failed to perform the duty assigned them, presented their excuses, which were accepted.

Adjourned to meet again at 9 o'clock to-morrow morning.

Madison Square.

A letter received here yesterday by a friend of Mr. Joe Hart, the popular Manager of the Madison Square Theatre Company, states: "I will be with you on the 27th, with the same elegant company that played 'Hazel Kirke' and 'Esmeralda' in your city. We shall present the latest great success at the Madison Square Theatre, *Young Mrs. Winthrop*, bringing new scenery and effects. In reply to your inquiry, I will state that the popular actor, Mr. George Beckworth, who impersonated 'Pitius Green' and 'Esterbrook,' is still with us, playing a leading part in 'Winthrop,' with great success." We are glad that this popular company will visit us, and we are sure that a large house will greet them.

Rev. A. McFadyen is appointed by Presbytery to preach in the First Presbyterian Church, corner Third and Orange streets, to-night, services to begin at 8 o'clock.

The New Markets.

We have received a communication from Long Creek relative to the agreement between the city authorities and the butchers, for the occupancy of the new markets, which is disposed to very strongly criticize the market regulations here. We do not publish the communication, because it is unaccompanied by a name, but we reply to some of the charges made, because it is to the interest of all of our readers that the city and the country should understand each other well on this subject.

The agreement which has been made, by which the city is to prohibit the sale of meats, fish, vegetables, and all farm and garden products at any other point than at the markets, is perfectly correct and proper. It will amount, we presume, to nothing more or less than the market regulations which were in force here for so many years prior to 1874, whereby sales were prohibited at any other point than the market, during market hours. These latter were 10 o'clock in the Summer and 11 o'clock in the Winter, and after those hours the dealers could go off and sell wherever they pleased. There is surely no hardships in this to the producers. The same plan worked well enough here years ago, and why shouldn't it work well now!

Our correspondent's witticisms in regard to a want of room and accommodations are not very felicitous.—There is room provided especially for the "poor countryman," whereby his horse and his vehicle and himself will be protected from the weather. As it is now the horse and man for the sale of fish and vegetables are exposed to the elements at all seasons of the year.

As to the suggestion that cotton and peanuts must be classed a farm products that is absurd. The market regulations will be simply for the sale of articles of food. We are sure that when promulgated by the Board of Aldermen they will prove wise and equitable and will not bear any harder on the producer than on the consumer.

Chestnut Street Dock.

The action of the Board of Aldermen last night relative to the opening of Chestnut street dock is very strange. Two reports came in from the special committee, one from the majority, reporting adversely to the opening of the dock, and the other from the minority, recommending that the dock be opened, and the minority report, which was presented by Alderman Guyer (col.) was adopted.

It is only a few years since the dock was closed at considerable cost to the city. It is the only dock thus closed North of Market street and as it is now is a matter of much public convenience. To open it will be to open a nuisance, as it will be full of trash and filth at all hours of the day and night. As it is now, the movement for the opening of the dock is calculated to benefit the pockets of two or three individuals at the expense of the public comfort and convenience.
