Report of the Condition of the First National Bank

Lots of 'em went fishing to-day.
Hon. S. S. Cox lectures in Raleigh to-night.
Last night was the warmest of the season thus far.

The receipts of cotton at this port to-day foot up 144 bales.
The shell road was alive yesterday and to day with vehicles.
There will be any quantity of flowers for the Decoration to-morrow.

A fine assortment of Guns and Pistols at JACOB'S Hardware Depot.
The thermometer in this office registered 79 degrees to-day at 3 o'clock.
The banks and the city offices and the county offices will all be closed to-morrow.

A colored boy was arrested and locked up this morning for furious driving through the streets.
The annual meeting of the stockholders of the Carolina Central R. R. will be held in this city to-morrow.

Strawberries are beginning to be quite reasonable in price. The regular price this morning was 15 cents per quart—or 4 quarts for 50 cents.
The Ladies of the Memorial Association request all who propose donating flowers for the decoration to-morrow to send them in early to the school room, next East of St. James' church.

The following numbers drew the capital and leading prizes in the drawing of the Louisiana Lottery held yesterday: Nos. 71,189, 47,803, 23,433, 10,229, 20,203, 12,110, 15,279, 30,30 621, 62,046, 8,261.

The Henning place, on Masonboro Sound, is for sale or rent. There is no prettier view of the ocean on the coast and the surroundings are such as make it a very pleasant summer resort. Mr. W. L. Smith, Jr., is the owner of the property.

A Denver man hunting wild geese, stood in water way up to his knees. He became very lame, but was cured all the same. For St. Jacobs Oil, is "just the cheese."

The Supreme Lodge, Knights of Honor, is in session at Galveston, Texas. Dr. W. H. H. Cobb, of Goldsboro; P. C. Carlton, of Statesville; S. J. Pemberton, of Albemarle, and Charles R. Jones, of Charlotte, represent North Carolina.

Col. Kerchner yesterday received a telegram from Hon. S. S. Cox which said: "Regret time will not permit me to go to Wilmington." This means that Messrs. Cox, Vance, Green and others will not come down here for the proposed fishing frolic.

City Court.
J. W. Mitchell, colored, was brought before the Mayor this morning, charged with the violation of a city ordinance in selling fish outside of the regular market. The charge was proved and he was fined \$5, which he paid.

The Soldier Boys.
The Wilmington Light Infantry will parade on Market street at 3 o'clock to-morrow afternoon when they will be photographed in line, before taking part in the Memorial procession. It is expected that the company will turn out in goodly numbers for the occasion, as there has been an increasing interest among the members for some time past and the company may now be said to be in a flourishing condition.

A Suggestion.
It has been suggested—and we think the suggestion a good one—that the streets on the line of march of the procession, to-morrow afternoon, be sprinkled as far out as the convenience of the Water Works will admit. This will be the means of preventing much annoyance from dust, and it can be very easily accomplished by the residents along the route who have the facilities offered by the Water Works.

To Builders and others—Go to JACOB'S for Sash, Blinds and Doors, Glass &c. You can get all sizes and at the lowest prices.

Exports Foreign.
Sobr. Mary E VanCleaf, Capt. Small cleared to-day for Ponce, Porto Rico, with 107,109 feet lumber, valued at \$2,465, shipped by Messrs. Northrop & Cumming.

The Gas Company.
The annual meeting of the stockholders of the Wilmington Gas Light Company was held on Monday night, when all of the old officers were re-elected. These are as follows:
President—Edward Kidder.
Secretary and Treas.—R. J. Jones.
Superintendent—Jno. W. Reilly.
Directors—Edward Kidder, D. MacRae, Geo. R. French, W. H. McRary, A. J. DeRosset, E. S. Martin.

Explanatory.
We find that there is considerable misapprehension regarding the duties of Marshals Turrentine and Hall at the memorial exercises to-morrow, some having the impression that persons not in the procession would not be allowed to enter the Cemetery. This is an error. Those marshals will have charge of the gates to the Confederate Lot which none will be permitted to enter unless in the procession. The gates of Oakdale will be open to all who may desire to attend the solemn and impressive ceremonies.

Unfortunate.
The Schr. *Hattie R.*, Capt. —, from Nassau, N. P., with fruit to Farrar & Davis, arrived in at Smithville yesterday and was at once ordered to the quarantine station in accordance with quarantine regulations where she now remains. Mr. Seth W. Davis, who went out in the schooner *Egypt* some weeks since, is on board of her, he having an interest in the cargo, and there he will have to remain almost in sight of his family, yet not allowed to visit them until permitted by the quarantine physician. It is very unfortunate, as the fruit, being of a perishable nature, will be liable to decay and should detention last many days, will prove a total loss.

All the Improvements.
Workmen to-day commenced the demolition of the two small frame buildings just South of the National Bank building, on North Front street, preparatory to the erection of one of the finest and most extensive dry goods establishments in the South, on the site from which they are to be removed. The new building is to be built for, and when completed, will be occupied by Messrs. Brown & Roddick, of this city. It will be 125 feet deep and 30 feet wide, inside measurement, and two stories high, with a basement. The front will be of iron and brick, the latter to be of the very best quality and different colors, which will give a varied appearance resembling mosaic work to the exterior. The basement will be ceiled, so as to be perfectly dry, and will be devoted to the wholesale business. It will contain a furnace, the heat from which will be utilized in keeping warm the entire inside of the building. The first floor will be devoted exclusively to the retail trade, and will be luxuriantly furnished and elegantly finished with every appliance and convenience known in these days of progress and improvement. There will be a commodious waiting and toilet room for the ladies, so that "shopping" will become an agreeable recreation rather than an irksome task. There will be three sales counters—one in the centre and one on either side—running the entire length of the building, and, in fact, every appliance, design and improvement suggested by the long and successful career of the proprietors in the dry goods trade. The upper floor, like the basement, will be devoted exclusively to the wholesale trade, and each floor will be connected by an elevator for the speedy and safe removal of goods from one department to the other or for shipping. The building will be pushed forward to completion as rapidly as may be consistent with thoroughness in every part of its construction, and will probably be ready for occupancy by the first of October next. The proprietors are driving, thriving merchants who show by the success they have won what may be accomplished by well directed and persistent effort accompanied by honorable, manly and straight forward dealing.

The steamer *John Dawson*, Capt. Sherman, after having been absent from our waters for several weeks, during which time he has been undergoing repairs at Point Caswell, made her appearance again this afternoon and will resume her regular trips.

The Clinton Telegraph.
We are glad to learn, as we do from Mr. F. W. Foster, that the telegraphic connection with Clinton is an assured fact. Enough money has been subscribed to guarantee the construction of the line which is expected to be in operation within six weeks from this time. It will be built via Warsaw and an office will be established at this latter point, as well as at Clinton.

HEADQUARTERS CONFEDERATE SURVIVORS ASSOCIATION.
Members of the association are requested to meet promptly at the City Hall at 3:30 p. m., to join in the exercises of Memorial Day. They are also informed that rosettes have been placed at Mr. Heinsberger's for free distribution.

The Association cordially and earnestly invite ALL ex-Confederate soldiers and sailors, regardless of rank or regimental organization, to form with them in procession.
The President confidently hopes that every member will be punctual in attendance, believing that all will feel it a duty we owe the noble and devoted Ladies of the Memorial Association and the distinguished orator of the occasion. By order of the President
JNO. J. HEDRICK,
Marshal of the Association.

By act of the last Legislature the 10th day of May, Memorial Day, was made a legal holiday in this State and hence there will be a pretty general suspension of business to-morrow.

Mr. P. Larkins' mail and express wagon will carry bundles to and from Wrightsville Sound. Leave orders at Purcell House. See adv. elsewhere.
