Fayetteville Observer.

ON THURSDAY, FEBRUARY Sth. 1883, the undersigned will revive the publication of the FAYETTEVILLE OBSERVER.

The OBSERVER will be a large 28 commun weekly newspaper, and will be mailed to subscribers, postage paid, at \$2 per annum, al-ways in advance. Is will give the news of the day in as ample form as its space will permit, and both regular and occasional correspondents will contribute letters from the Capita on State politics and affairs.

Democratic in politics, the OBSERVER will

labor, first of all, to assure the prosperity of the Town of Fayetteville, to develop the vast agricultural resources of its own and the GRAIN, & bushelneignboring counties, and to promote all that concerns the welfare of the people of North Carolina.

Opposed to such innovations on the homely ways of our fathers as, in the guise of progres, harm society, the OBSERVER will be found in full sympathy with the new things born of the changed condition of the South which sound judgment or enlightened experience find to be also good. As to the rest: it will strive to deserve the reputation of the name it inherits, feb 10 E. J. HALE, JR.
