The Mastadon Minstrels. In speaking of Haverly's Mastadon Minstrels, who are to appear at the

An enormous audience greeted the the Museum last evening, and it is safe to say that a better minstrel entertain ment has never been given in Boston. Musically it is very strong, and the first part is highly enjoyable for lovers of good singing, and it is made amusing by able end men, Hughey Dougherty being the star. The second part includes a song and dance act by Bobby Newcomb, a sketch by Johnson and Powers, a satire on the dudes and an oration by Billy Richardson, which was a queer mixture of brightness and ix, but the music introduced is very pleasing and the piece like everything else on the programme was admirably piece was its costuming, which was remarkably rich, handsome and effective. An excellent drill was introduced. Al. together, it was a most pleasing cuter- 1000 CORDS SEVEN.INCH tainment.

Oysters for Coughs.

It is now-said, on the authority of the Boston Globe, that raw oysters are an excellent remedy for coughs and colds. A lady vocalist of considerable reputation on both sides of the big pond is quoted as having given testimony in favor of this remedy. One would look THE DEMAND FOR SODA WATER, conlong for a more pleasant medicine than | trary to expectation this late in sensor, has this, and there are some people who been so great that we have decided, until forwouldn't mind taking a fresh cold every J.
