## The Daily Review.

Ring soft across the dying day. Angelus! Across the timber tinted bay, The meadow flushed with sunset ray, Ring out, and float and melt away, Angelus!

The day of toil seems long ago, Angelus! While through the deepening vesper

Far up where holy lillies blow. The beckoning bell-notes rise and flow, Angelus!

Through dazzling curtains of the West, Angelus! We see a shrine in roses dressed,

Angelus! O, has an angel touched the bell,

Angelus? For now upon its parting swell All sorrow seems to sing tarewell, There falls a peace no words can tell, Angelus!

-- Francis L. Mace.

James Donahue was arraigned in the Superior Court at Bridgeport, Conn., the other day charged with causing the death of his wite, and for extraordinary reasons his trial was postponed until February next. Mrs. Donahue died from the effects of a blow with a chair, "You claim too | which inflicted a serious wound above much for SAMARE her right eye. Her physicians supposed says a skeptic. her to be slowly recovering until the How can one end of the tenth day, when lockjaw set in. Dr. L. Porter, who assisted at the sy, Dyspersia, autopsies on Mrs. Surratt and Guiteau.
Alcoholism, made the autopsy in this case. He discovered that death had been caused by air having found its way through the wound into the veins, and thence to the heart. Dr. Porter says it is the first case of the kind since 1818. This eviadditions herein referred to. It's known world dence will probably involve some fine points of legal discriminations, and may necessitate a change in the indict-

#### Reserve Power a Necessity.

It is not wise to work constantly up quiets and composes the patient-not by the to the highest rates of which we are introduction of opiates and drastic cathartics, but by the restoration of activity to the stomach capable. If the engineer of the railroad and nervous system, whereby the brain is re- were to keep the speed of his train up heved of morbid fancies, which are created by to the highest rate he could attain with his engine, it would soon be used up. It a horse is driven at the top of his speed for any length of time, he is ruined. It is well to try the owner, occasionally, of a horse or engine, by putting on all the motion they will bear but continuously. All machinists construct their machines so that there will be a reserve force. If the power required is four horse, then they make a

The reserve power keeps the body in repair. It rounds out the frame to full proportions. It keeps the mind cheer-ful, hopeful, happpy? The person with no reserve force is always incapable of taking on any more responsibility than he already has. A little exertion puts him out of breath. He cannot increase his work without feer of an explosion. Such are generally pale, dyspeptic, bloodless, nervous, irritable, despondent, gloomy. We all pity them. The great source of power in the individual is the blood It runs the machinery of life, and upon it depend our health and | are the best. 25c.

serve power must be stored up in this that a change is necessary, and that it is best to stop expending and go to accumulating, just as the miller does when water gets low in the pond. Such successfully. Dr. A. G. Olin, Box 242, Chicaa course would save many a person from physical bankruptcy.—Herald of

## er" Successor.

Gen. Phil. Sheridan has now become General in-Chief of all the armies of the United States. He was one of the most barbarous of the Vandals | who "Bummered" and Beast Butlerized Virginia.

From an old Confederate newspaper, a powerful stimulus to the weakened Nervous | printed in 1864, we take the following account of a single raid, in a single county, by a single expedition of Sheri-dan, who swore he would "make Virginia so poor that crows would starve in flying over it":

ing is a fair and accurate exhibit of the losses inflicted upon this noble county of the "old commonwealth" by the Yankees in their last raid up the Valley. It has been obtained by our county ployment of all the means necessary to paper which tells the truth without fear of approximate accuracy in such a calcu-ation. The court after being called sents the news of all the world without waste consisting of thirty-six magistrates and standing, located in every section of the Lord, 1884. From 228 lbs. to 120! I had been country, and after a careful and an and you will read it with accustomed diligence doctoring for my liver, but it did me no accurate canvass of the county, they and profit during what is sure to be the most good. I did not expect to live more than have furnished the estimate of the losses interesting year in its history. If you do not hereto appended. Look at the exhibit: yet know fue SUN, it is high time to get into
