Many of the cisterns in this city are very nearly dry.

Col H. B. Short, of Columbus county, is in the city.

Next Sunday is the last in the present Conference year.

The cold wave has passed by and we are now having delightful weather.

If you can't "Bear" a cough, "Bull" it, with Dr. Bull's Cough Syrup.

The churches yesterday were generally well filled with interested congregations.

The Criminal Court will be in session next week and the Superior Court the week after.

Many of the visitors to Synod have left the city on the return to their homes but some of them are with us yet.

We learn that there is an effort being made to purchase a new pipe organ for the First Baptist Church.

Oysters seem to be in good supply but they are not fat as yet. They are waiting for a big rain before they swell out.

Rev. A. A. Watson, D. D., Rector of St. James' Church, returned to the city on Saturday night and filled his pulpit yesterday.

The clocks and watches throughout the city are now run on the new time schedule, the hour of noon having been fixed by proclamation.

Mr. Jas. C. Munds returned to the city last Saturday night, after two weeks passed in New York in the purchase of holiday goods.

M James T. Murphy, of Clinton, Sam son county, is in the city on business connected with the approaching Sa pson Agricultural Fair.

r. John J. Conoley, formerly of Wilmington, but now a resident of Macon, Ga., is in the city on a brief visit to relatives and friends.

There were two cases of disorderly conduct before the Mayor this morning, the first of which was fined \$20 or 30 days and the latter \$5 or 20 days. Both parties went below.

On Friday last, at Masonboro Sound, there were caught in Mr. James A. Hewlett's seine 22,800 mullets at one haul, which we think will stand as the "big haul" of the season.

Mr. A. W. Rivenbark, in this issue, notifies the people where to secure good bargains, prompt attention and courteous treatment. He is a live business man, strictly honorable, and is bound to win.

The drouth hereabouts is becoming something fearful. The water courses are drying up and the wells and cisterns are getting very low. There was a promise of rain last night but it was not fulfilled.

Capt. S. W. Nobles advertises in this issue a fine collection of fruit trees and grapevines for sale. He says he can beat any nursery in the State on size of trees and prices of same; besides his trees are all grown here and are better adapted to this soil than those brought from a distance.

Handkerchiefs are now made to match each toilet. If the dress is of an apple green and dark green combined, the handkerchief must have a centre of the light green and a border of the olive green. Some new handkerchiefs are cut in an octagon and have the days of the week in each of the seven corners and the name of the owner in the eighth.

THE PRESBYTERIANS.

FOURTH DAY—AFTERNOON SESSION.

In the afternoon the Synod re-assembled for the transaction of business.

The Stated clerk presented the following Statistical Report of the Synod of North Carolina to the General Assembly of the Presbyterian Church in the United States:

The Synod of North Carolina respectfully reports to the General Assembly of the Presbyterian Church in the United States that it consists of five Presbyteries, and that these consist in whole of 116 ministers and 234 churches, having under their care 4 licentiates and 10 candidates, viz:

Orange Presbytery—30 ministers, 64 churches, 1 licentiate and 7 candidates.

Concord Presbytery—19 ministers, 38 churches and 1 licentiate.

Fayetteville Presbytery—21 ministers, 51 churches and 4 candidates.

Wilmington Presbytery—15 ministers, 31 churches, 2 licentiates and 1 candidate.

Mecklenburg Presbytery—31 ministers, 50 churches and 8 candidates.

Total—116 ministers, 234 churches, 4 licentiates and 20 candidates.

The Synod further reports that its next Stated Meeting will be held in the Presbyterian Church, Winston, N. C., on the 2nd day of October, 1884, at 7:30 o'clock, p. m.

By order of the Synod.
WM. S. LACY, Stated Clerk.

The Committee on Union Theological Seminary made report through their Chairman, Rev Dr. Wood, which was received and adopted.

Following this was the report of the Agent of Education, Rev. D. Rumpie, which was a broad review of the general work of education, and presented also a summary of educational institutions in the Synod, in part wholly under Presbyterian control. An increase in the number of candidates for the ministry was noted, and a decided increase in contributions from the churches. The amount contributed for 1882 was \$2,077. The Synod approved the effort to increase the endowment of Davidson College, and commended the agent, Rev. Dr. J. B. Mack, to our churches.

Rev. Mr. Peschau, of the Lutheran Church, and Rev. Mr. Sanders, of the Chestnut Street Presbyterian Church, (Northern Assembly), were invited to seats as visiting brethren.

(On yesterday Rev. T. P. Ricaud, of the Fifth Street Methodist Church, received a similar courtesy.)

The report of the committee on Systematic Benevolence was taken from the docket, and after some correction of figures was adopted.

The Presbyteries contributed to the Church's objects of benevolence as follows:

Orange Presbytery.....\$3,886 47
Concord Presbytery..... 4,973 00
Fayetteville Presbytery..... 3,081 00
Wilmington Presbytery..... 1,799 00
Mecklenburg Presbytery..... 5,560 00

Total.....\$19,299 47
Rev Dr F H Johnston, Rev R Z Johnson and Rev J P McPherson were appointed a committee to draft a form, so as to secure uniformity in the reports of the Presbyteries of Statistics, and also on Systematic Benevolence.

The committee on Leave of Absence made report showing a large number excused.

In the evening the Synodical Communion was observed, the services being conducted by Rev Dr W W Pharr and Rev Dr E F Rockwell.

The resolution of thanks was adopted with entire unanimity and great feeling, by a rising vote of the Synod. The resolution is as follows:

Resolved, That the Synod of North Carolina return its thanks to the various railroad and steamboat companies for their courtesies, and to our Christian brethren for the use of their churches, and to the citizens of Wilmington for their large hearted hospitality to the members of the Synod, and that this resolution be read from the pulpits of our churches in this city.

A collection was taken up for Home Missions.

After final roll call the Moderator, before putting the motion for adjournment, made some exceedingly appropriate and impressive remarks. These remarks were made with seriousness and dignity, and the closing exercises were exceedingly interesting and solemn. A hymn was sung by the members of the Synod, standing—"Blest be the tie that binds." A fervent prayer was offered by the Moderator, after which the apostolic benediction was pronounced, and the Synod adjourned to meet in Winston, October 2d, 1884.

Taut as a Bowline.
SOUTH AMBOY, N. J.—Captain John Riley, of the barge "Wm. H. Smith," of this place, says: "I have tried the great pain conqueror, St. Jacobs Oil, and found it a good thing; it cured me. I shall always speak well of it."

How Came it There?

Yesterday four or five dogs were playing in the yard of the Kindergarten School building, on the corner of Fourth and Dock streets, when two or three came from under the building, dragging with them a counterpane. It is not known how the article came to be in such a place, but it is supposed that it had been stolen and carried there by some of the young colored boys who have been in the habit of sleeping under the building during the warm weather.

The Bicycle.

One of the institutions of the city is the Wilmington Bicycle Club, which has been recently formed here. Bicycling is a healthy, invigorating sport, which has become popular at the North, and its popularity is spreading rapidly throughout the entire country. The following are the officers of the Wilmington Club:
President—J. L. Yopp.
Vice President—J. R. Wilson, Jr.
Secretary and Treasurer—H. Burkheimer, Jr.
Captain—J. R. Wilson, Jr.
