Ayer's Sarsaparilla.

The following letter from one of our best-mown Massachusetts Druggists should be of microsi to every sufferer:

ATISM, had an attack of Rheumatism, so seere that I could not move from the bed, or dress, without help. I tried several rome-dies without much if any relief, antil I took Aver's Sarsaparilla, by the use of two bottles of which I was completely cured. Have sold large quantities of your Sarsa-parilla, and it still retains its wenderful sopularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public.
