IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so com-pletely meets the wants of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list as a truly scientific prepara-tion for all blood diseases. If there is a lurk-

SCROFULA AVER'S SARSAPARILLA will
dislodge it and expel it from your system.

For constitutional or scrofulous Catarrh,
CATARRH true remedy. It has cured
numberless cases. It will stop the nauseous
catarrhal discharges, and remove the sickening odor of the breath, which are indications
of scrofulous origin.

ULCEROUS "At the age of two years one of SORES my children was terribly afflicted with ulcerous running sores on its face and neck. At the same time its eyes were swellen, much inflamed, and very sore.

SORE EYES Physicians told us that a powbe employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies; and no treatment of any disorder was ever attended by more prompt or effectual results.

Yours truly, B. F. JOHNSON." "Hutto, Tex., Sept. 28, 1882.

MISCELLANEOUS. We Feel Thankful!

That our efforts to place before our patrons the best goods for the least money are appreciated !

OUR GREAT SUCCESS

We attribute largely to the splendid bargains we have been and still are able to give our customers. It appears that our extremely low prices have caused the impression that there is something mysterious about our system of doing business. A few words will clear away the mystery. We sell low because our system of buying enables us to procure the largest bulk of goods lower than can be manufactured; next, the low expense in proportion to the vast amount of business we do a'lows us to sell at a very small trifle above what the goods cost, Our system is very simple, and these words explain all. We wish the public to understand that we do not advertise goods in a fictitious way, telling you that our goods are worth double what we ask for them; but we claim what we do and do what we claim; and we do most decid dly claim that the goods we are offering are below the prices asked elsewhere. If you purchase any goods from us and don't find that they are in every particular as represented, bring them back and we will refund the money.

OUR OVERCOATS

We can suit all and offer bargains that cannot be had elsewhere; in order to rush them off quickly, we have cut down prices to the lowest point. At these re duced prices it will pay to buy them for next Winter's wear. Call at once at
