An Old Soldier's

EXPERIENCE.

" Calvert, Texas, May 3, 1882.

"I wish to express my appreciation of the valuable qualities of

Ayer's Cherry Pectoral

as a cough remedy.

"While with Churchill's army, just before the battle of Vicksburg, I contracted a sewere cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try AYEE's CHERRY PECTORAL.

"I did so, and was rapidly cured. Since then I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung J. W. WHITLEY." diseases.

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily.
