Barrow with their spears. The Watch Regiment the rear.

forces was something less than 4,000 of the day had been decided. men. The length of the front was 350 ol the main force.

BEGINNING THE ATTACK.

The troops advanced over sand knolls and scrub for a mile from Fort Baker along the Teb road, when the rebels opened fire with their Remington FIGHTING WITH SPEARS AGAINST rifles, but the range was too long and their shots proved ineffective. The followed, covering the rear upon the left, formed in three lines and distant some 900 yards from the main army.

fired four rounds from Trinkitat Harbor, but the range was too great and the shells burst a mile short of the enemy's position. The firing was stopped, as the shells were dangerous to the English. The cavalry and mounted infantry advanced on the left towards the rebels, who retreated slowly, though they were not indisposed to fight. The infantry continued to advance steadily. I wo or three times a halt was made in order to allow the sailors and artillery, who were dragging the guns, to rest. The square was well maintained, but where the ground was difficult the men marched by four right in columns of companies.

The road towards Teb was studded with hundreds of corpses of Baker Pasha's ill-starred fugitives, which filled the air with pollution and around which swarms of carrion flies lazily

Atter an advance of three miles had been accomplished the carthworks of the rebeis came in sight. Guns were mounted and standards were flying in the sultry air. The rebel fire had now guns. almost ceased except on the extreme right and left, where it still continued to be directed at the scouts. The British stepped forth as if on a holiday parade the bagpipes playing and the Highlanders footing cheerily. They ad vanced till they were within 800 yards of the rebels' position, where an old sugar mill was standing, surrounded by

was ordered and the men were directed three men, Horton, Miller and Burtick the wind dispersed the smoke of the and Anderson have avoided capture thus rebel fire, disclosing the rebels' move far and are in hiding in the Monn ments. The British opened fire with tain fastnesses. This reward will prob-AND ROE SHAD" can be found at rebei fire rapidly to slacked and almost to cease. At this the bugle sounded a fresh advance. The troops rose, wheeler and approached the rebei works. The and approached the rebei works. The rebeis were in no military order, but rebeis were in no military order, but rebeis were in no military order, but rebeis were in no military order, so as to rebeis were and there, so as to rebeis were and there were rebeis were and there, so as to rebeis were and there were rebeis were and there, so as to rebeis were and there were rebeis were and there, so as to rebeis were and there were respectively. They are set that the persons who were of they speak, that in the total way.

The persons who were set that the persons who were set were scattered here and there, so as to take advantage of the abundant cover which the ground afforded. They clung to their position with desperate tenacity. There were over 2,000 rebels directly in front, while many hundreds hung around the two sides of the law, and the peace and order loving citizens call for relief. The outlaws, for many ot them are outlaws, come into this State from East Tennesse and Virginia and when pursued in this State return facturer's prices, can be found at Jahung around the two sides of the law.

fall right and left, though some of the braye fellows reached within five paces of the square. None of them bolted; they only fell back sullenly when they were forced. Having cleared the ground in front with their Martini rifles the British attacked the fort.

CHARGING THE REBELS' WORKS.

Col. Burnaby was the first to mount the parapet, firing a double-barrelled shotgun into the enemy. Around the works the rebels fought with furious LONDON, March 1.-Despatches re- energy, and a frightful melee of bayoceived from Trinkitat announce that nets and spears took place. At last the the expected battle between General Graham's forces and the rebels occurred yesterday near Trinkitat, about three miles from Fort Bakea. The rebels but the Arabs still contested every inch. fought with desperate courage, but were They would not submit to be driven

The force under command of ing containing an iron boiler. This Graham numbered about 4,000 they stormed and succeeded in disloc'g-

them possessing only spears or scimi-tars, with which they rushed upon the English only to be stricken down by the fierce shower of bullets that rained havor there. The British pursued them upon them. The latest advices received as they tell back, and advanced as far by the War Office state the English loss as the fresh water wells at Teb, where the rebels made their last stand. Sheikhs, Four of the killed and nineteen of the who advanced empty-handed to show work, capturing three guns. At the On Thursday night Gen. Graham's end of tour hours of arduous fighting force encamped near Fort Baker. The the British gained possession of the

BULLETS.

All advices from Trinkitat concur in rebels in swarms occupied the high acknowledging that the Arabs fought ground in front and on the flanks of the with desperate bravery. Osman Digna, British army. They retired slowly as the rebel leader, who gained so easy the English advanced, keeping within and so signal a victory over Baker about 1,200 yards of the main body of Pasha upon almost the same ground the British forces. The British cava ry where he yesterday met with decisive defeat, brought 12.000 men into the field. The most of these took part in the charge against the British lines At 9 30 o clock the gunboat Sphinx During the entire battle the Arabs' want of organization and regular discipline constantly exposed them to the deadly effect of the continuous fire which the British poured upon them

hour after hour. Not more than one-fifth of Osman's forces were armed with Remington rifles. The rest were supplied with scimitars and spears But neither the ville, Master Remington rifles nor the guns under the Arab's manipulation caused any loss among the British. The wounds were received at close quarters during the fanatical charges or rushes upon the

The few prisoners taken and the sulen retreat of the enemy cause considerable uneasiness here as to the value and results of the victory. General Graham, if he captures Tokar, will march on Osman's headquarters at Tamanieb unless Osman obeys his summons and lays down his arms.

The actual force marching on Tokar most numbers 3,900 men and is turnished with twenty-two guns and six machine

50 Fits in 24 Hours!

"I employed some of the best physicians here," wrote Wm. E. Tanner, of Dayton, Ohio. "They all said my child could not live for 3 weeks. It had 50 fits in 24 hours. We gave it Samaritan Nervine and the medicine effected a permanent cure." Druggists.
