> A North Carolina Invention ling gun, as everybody knows, is a na- and indiscretions of youth, nervous tive of Eastern North Carolina. In a weakness, early decay, loss of manrecent Washington letter to the Cleve- hood, &c., I will send a recipe that will land Leader, the story of his invention cure you, FREE OF CHARGE. This and its success is told in an interesting great remedy was discovered by a misway. Dr. Gatling said:

lis One surprise to me was that the T. INMAN, Station D, New York City. number of men killed by sickness and disease was more than those killed by ball or actual battle. One day I refol ingredients, it also masters all diseases of the Blood—such, for example, as Rheumatism, Consumption, Scrofula, and all disorders at the depot; three had been killed in battle. The thought then struck me at the depot; three had been killed in ritalizer and stimulant, but not an inforicant.

Prices, 50 cents and \$1 per bottle. Hiscox & do the work of a hundred men and co., Chemists, New York.

api 12 nrmd&w 1m would require but a few men to operdo the work of a hundred men and would require but a few men to operate it, that the horrors of war would Belt and Appliances on trial, for thirty Sufferers from Youthful Imprudence be greatly diminished, and an end days, to men, you would come much sooner of every with nervous debit successfully. Dr. A. G. Olin, Box 242, Chicago.

The thought took such hold struggle. The thought took such hold of me that I commenced to work on it at once. The result was the Gatling this eow. be greatly diminished, and an end days, to men, young or old, afflicted would come much sooner of every with nervous debility, lost vitality, and at once. The result was the Gatling

"My first guns were made in Cincinnati, and they would fire from 150 to Windows, Doors, Blinds &c., and at 250 shots per minute; I had six of Factory prices is at N. Jacobi's Hardthem manufactured in 1862, when the ware Depot. foundry was burned. Next I had thirteen guns made at what is now the type foundry in Cincinnati, and these sent to Washington to persuade the Government to buy them. The Chief of the Ordnance Department at the time was an old fogy. He had no faith in the gun, and believed the flint-lock muskets were, on the whole, the best weapons for warfare. Ben Butler bought them on his own responsibity, giving his voucher for \$12,000 for them Ben Butler took the guns he had bought with him to the battle of Petersburg and fired them himself They created great consternation and slaughter; and the news of them went all over the world. Now they are used by all the leading governments of Europe and also in Asia and Africa. They en abled the Prussians to conquer Aus tria in 1860, though the Austrians had the larger forces, and they shortened the war by Germany and France so

that it practically lasted but a few days. A FRESH SUPPLY OF THAT delicious Grater Pine APPLE by to-day's N Y Steamer. Also, another lot of that A No. 1 MIXED TEA at 60c per pound, (China Cup and Saucer given with every pound) 200 pounds.

"The Gatling gun is now made in Hartford, in this country, and in Europe at Newcastle-on-the-Tyne. I sell only to governments and the United States uses many of my guns. They now take part in all wars, and you have seen the reports of the work they have done in Egypt. The Gatling gun will send a ball from two to three the country knowing this, frequently recommend difficult materials to the Oldest Specialist, by whom ever knowing this, frequently recommend difficult materials to the Oldest Specialist, by whom ever knowing this, frequently recommend difficult materials to the Oldest Specialist, frequently recommend to make the Oldest Specialist, frequently recommend the Oldest Specialist, frequently recommend the Oldest Specialist, frequently recommend to the Oldest Specialist, frequently recommend to the Oldest Specialist, frequently recommend the Oldest Specialist, frequently recommend to the Oldest Spec "The Gatling gun is now made in and Saucer given with every pound) 200 pounds will send a ball from two to three
