Popularity at home is not always the best test of merit, but we point proudly to the fact that no other medicine has won for itself such universal approbation in its own city, state, and country, and among all people, as

Ayer's Sarsaparilla.

The following letter from one of our best-known Massachusetts Druggists should be of interest to every sufferer:—

RHEUMATISM, "Eight years ago I had an attack of Rheumatism, so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPARILLA, by the use-of two bottles of which I was completely cured. Have sold large quantities of your SARSAPARILLA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public.

SALT RHEUM. GEORGE ANDREWS, overseer in the Lowell overseer in the Lowell Carpet Corporation, was for ever twenty years before his removal to Lowell afflicted with Salt Rheum in its worst form. Its ulcerations actually covered more than half the surface of his body and limbs. He was entirely cured by AYER'S SARSAPARILLA. See certificate in Ayer's Almanac for 1883. PREPARED BY

Why don't you buy my shirts ready-made? What's the use of wearing your eyes out over fine back trying to save a few cents! I don't see the savin' of it. Why, you can buy shirts now-a-days for very little more than the cost of material. Look at this " DIA-MOND" I've just bought. I say, Maria, I am going to buy a dozen more right away.

WASHINGTON, April 18.-The Chair laid before the Senate a communication from W. W. Corcoran, chairman of the Washington Monament Association, transmitting a resolution of the Association relating to the approaching completion of the monument and the ceremonies for the celebration thereof. Mr. Sherman, from the committee on

the Library, reported adversely on the newspaper copyright bill. It was, however, placed on the calendar.

Also, from the same committee, adversely, the joint resolution providing for the erection of a bronze eques-

Bills were introduced, and referred, by Mr. Call, to provide for the repair of Fort Miriam, at St. Augustine, Fla., by Capt. Christiansen. and the inclosure of the grounds attached thereto; also, for the establishment of life saving stations on Atlantic and Gult coasts of Florida.

The Senate laid aside the calendar and took up the Postoffice Appropria tion bill. After an explanation by Mr. Plumb, consideration of the bill was proceeded with by sections. The unfinished business coming over from last Friday-the bill to relieve cerneedle work, and breaking your tain soldiers of the late war from charge of desert on-alter debate was laid aside with lavorable recommendation. It removes the Printing, Ruling & Binding charge of desertion from the record of soldiers who served in the volunteer ervice in all cases where it shall be made to appear to the satisfaction of the Secretary of War that such soldiers served faithfully until the expiration of the term of enlistment, or until the 1st of May, 1865, but by reason of absence from their command at the time the same was mustered out, failed to reapplies to cases in which it appears that a soldier charged with dissertion, suo sequently enlisted in another regiment
