The Daily Review JOSH. T. JAMES. Editor & Prop. WILMINGTON. N. C. -----TUESDAY, JUNE 3. 1884.

Spiered at the Postoffice at Wilmington, N. C.

characteristic attacks upon West Point. is in any degree contingent on the ac-He gave examples to show that it had become a kind of close corporation .-Other Congressmen, like Dorsheimer, repelled this accusation; but a corres- an official statement of what Mr. Tilpondent who has investigated the subject says: "There will be thirty-seven cadets graduated at West Point this year. Of this number, seventeen are sons or nephews of cflicers in the ar my, or in some way related to army a diner in a restaurant where the conofficers or pavy officers. The boys nominated by Congressmen, as usual. failed to pass as good examinations as those who are backed by army ornaval influence. The newsboy who somehow gets the nomination in one of the Congressional districts about every year. never gets into the army, though he truth. generally shows himself to be brigh e than the boys who compete with bim for the place." "

The New York Times is a true-blue Republican paper but it nevertheless totes fair-sometimes. It thinks that the fact that this is the eve of a . Presidential election had much to do with the reports of the majority of the committee on the Danville and Copital investigation and adds:

A careful correspondent of the Times made an investigation of the Danville riot immediately after that distressing occurrence. Certainly the facts as brought out during the investigation and by impartial correspondents do not warrant the conclusion that the Danville riot was the result of a conspiracy nor the culmination of a long series of events designedly leading up to what never forget that to you I owe my life." was intended to be a general massacre. Yet this is what the majority of the Senate investigating committee would visits; that is the point which I hope have us believe. They point to the now you will not fail to remember." famous Danville circu.ar, to the at-tempt to "boycott" the coalitionists about your hair," said a churlish hus-cure you. FREE OF CHARGE. the impression that he is willing to accept the nomination. Mr. Tilden has been in some doubt as to the proper address to give this communication— whether to address it to the National Convention or to the State committee. It is understood that he is most likely to address himself to the State Conven- tion, as this body will have to select the official represen- tatives of Mr. Tilden at the National Convention. Mr. Tilden's preference was to remain silent till after the Dem- ooratic National Convention had met, as he thought any other course would look like dictating to the Convention, or at least assuming too much, but in this he has yielded to the urgent advice of his friends, who found themselves	rifice, the teeth form a delightful con- trast to the roseate hue and lovely curve of a pretty mouth.
