REMEMBER THY MOTHER!

Lead thy mother tenderly Down life's steep decline; Once her arm was thy support, Now she leans on thine. See upon her loving face -Those deep lines of care: Thins-it was her toil for thee

Left that record there.

Ne'er forget her tireless watch Kept by day and night, Taking from her step the grace, From her eye the light: Cherish well her taitt ful heart, Which, through weary years, Echoed with its sympathy All thy smiles and tears.

Thank God for thy mother's love; | Stave. Guard the priceless boon; For the bitter parting hour Cometh all too soon. When thy grateful tenderness Loses power to save, Earth will hold no dearer spot

Than thy mother's grave.

Platform of the Democratic Party of North Carolina.

We again congratulate the people of North Carolina on the career of peace! prosperity and good government on which she en'ered after the inauguration of a Democratic State administration, and which has been unbroken for so many years since; upon the just and impartial enforcement of the laws; upon the efficiency of our common school system, and the great progress made in popular education; and upon the general improvement and enterprise manifested in every part of the State.
