"Independence, Texas, Sept. 27, 1882. Gentlemen: Ayer's Hair Vigor has been used in my household for three seasons:— 1st. To prevent falling out of the hair. 2d. SATURDAY, JULY 5, 1884. STATE NEWS.

Clinton Caucasian: The new county bridge across Six Runs, at Taylor's Bidge, is 210 feet long. —Mr. W. C. Holmes, of Minzo township, harvested last week 233 bushels of wheat from one acre. Very little fertilizer was used. —Mr. Alford Hall, just across the line in Magnolia township, Duplin county, has a field of highland corn of not more than 12 acres, which, it is thought, will make 100 barrels. It once made 101 barrels.

News and Observer: Of 1,012 convicts in North Carolina, 894 are negroes. —North Carolina is a great State for names. There is a post-office named Dude, and one county basis of Noise and Quiet. As to streams, there are Matrimony creek and Bachelor's Delight creek. —North Carolina is a modern Mecca. Last Thursday a miner from Colorado was here looking after our mines and minerals: Friday two miners from Colorado were here on the same errand, and Saturday a Californian made his appearance. —The floods on Terrible creek Monday were indeed fearful. They washed away John L. Johnson's mill, destroying the dam and buildings. The mill was broken to bits and the fragments scattered down the stream for miles. He lost fifty acres of corn and oats. The abutments of several bridges were washed away.

Asheville Citizen: Mr. Jas. F. Jordan has just returned from a trip to Meridian, Miss., embracing in his tour parts of Tennessee, Georgia, Alabama, so famous a shot as Mr. Jordan seldom leaves home without his gun; for there is always the excitement of a contest to be considered. Mr. Jordan was not disappointed; for while at Meridian there was a shooting match in which contestants from New Orleans, Mobile, Vicksburg, Birmingham, and West Point, Miss., participated. Mr. Jordan, through laboring at the time under serious indisposition, sustained his fame. He killed 38 birds out of 41 turned loose; killed all in fact, though 3 fell out of the bounds. He killed in five successive double shots,—most difficult feat, and won the first money.

Information coming in from the country in relation to the rains of last week shows losses of crops really distressing. The rain on Thursday fell with remarkable weight on the Newfound mountains, at the head of Newfound and Turkey creeks. The waters came down as a flood. Squire J. M. Green and Mr. W. P. C. Cell as that the streams rose so rapidly that they at once filled the valleys breast high, drove the harvesters from the fields, knocked over and swept off the sheeked wheat, tore up and ruined corn land, and in a moment turned beautiful farms into a desolation. On Cane Creek the ravage was probably as extensive. Much of the wheat had been cut and was standing in the fields in shocks. All lost a portion of their crops, and the hopes of a great many were suddenly blasted.

Chatham Record: Mr. J. R. Rives, of Gulf township, informs us that a stalk of corn grew on his farm last year that produced 85 well formed corn shocks, and that he had a pomegranate vine that ripened 112 pomegranates. —On last Monday Capt. John W. Taylor shot a bird at his fish pond, near this place, that was different from any that we have ever seen. It measured 34 feet from tip to tip, was about 3 1/2 feet tall, had a long bill with a hooked end, the feathers on its body white and the long feathers on its wings black, and altogether resembled a heron.

—On the 23d of June, Mrs. Polly Harman, of Cape Fear township, died quite suddenly from a stroke of paralysis. She was the widow of the late John W. Harman, a former sheriff of this county, who is so well remembered by all our older citizens. Mrs. Harman with her husband, many years ago, kept a hotel at this place, at Fayetteville and at Wilmington, and was well known to the travelling public. —A few weeks ago we announced that a man in Bear Creek township, named Bryan Hilliard, had nearly killed his infant, only a few months old. The child recovered, but, on Tuesday last, Dr. L. A. Hanks, the coroner of the county, received information the child had died suddenly and it was thought its brute of a father had choked it to death. The coroner and sheriff Brewer at once left here for the purpose of holding an inquest. The inquest was duly held, and the jury thought that the evidence justified them in committing the father to jail for trial at the next term of our superior court, and at a late hour last night he was brought here and committed to jail.
