#### MISCELLANEOUS.

## IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so com-pletely meets the wants of physicians and the general public as

## Ayer's Sarsaparilla.

It leads the list as a truly scientific prepara-tion for all blood diseases. If there is a lurk-SCROFULA AYER'S SARSAPARILLA will dislates it and average it from your system

dislodge it and expel it from your system. For constitutional or scrofulous Catarrh, **CATARRH** AYER'S SARSAPARILLA is the **CATARRH** true remedy. It has cured numberless cases. It will stop the nauseous catarrhal discharges, and remove the sicken-ing odor of the breath, which are indications of scrofulous origin of scrofulous origin.

"Hutto, Tex., Sept. 28, 1882. ULCEROUS "At the age of two years one of SORES my children was terribly afflicted with ulcerous running sores of its face and neck. At the same time its eyes were swellen, much inflamed, and very sore. SORE EYES erful alterative medicine must be employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies; and no treatment of any disorder was ever attended by more prompt or effectual results. B. F. JOHNSON." Yours truly,

# AYER'S Ague Cure

contains an antidote for all malarial disorders which, so far as known, is used in no other remedy. It contains no fance wor any mineral nor deleterious by rear whattrious effect upon the constitution, but wes the system as healthy as it was before attack.

WE WARRANT AYER'S AGUI JURE to cure every case of Fever and A Cie, Intermittent or Chill Fever, Remittent Fever, Dumb Ague, Bilious Fever, and Liver Complaint caused by malaria. Incase of failure, after due trial, dealers are authorized, by our circular dated July 1st, 1882, to refund the money.

The Daily Review. The Darry Review has the largest tona fide circulation, of any newspaper

published, in the city of Wilmington.

SATURDAY, JULY 12, 1884.

#### STATE NEWS

Winston Sentinel: Our young friend Frank Hege is raising a number of young mocking birds in Salem for market. Years ago some of the older citizens derived considerable profit from this kind of industry, frequently receiving as high as \$25 and \$50 for a choice songster.

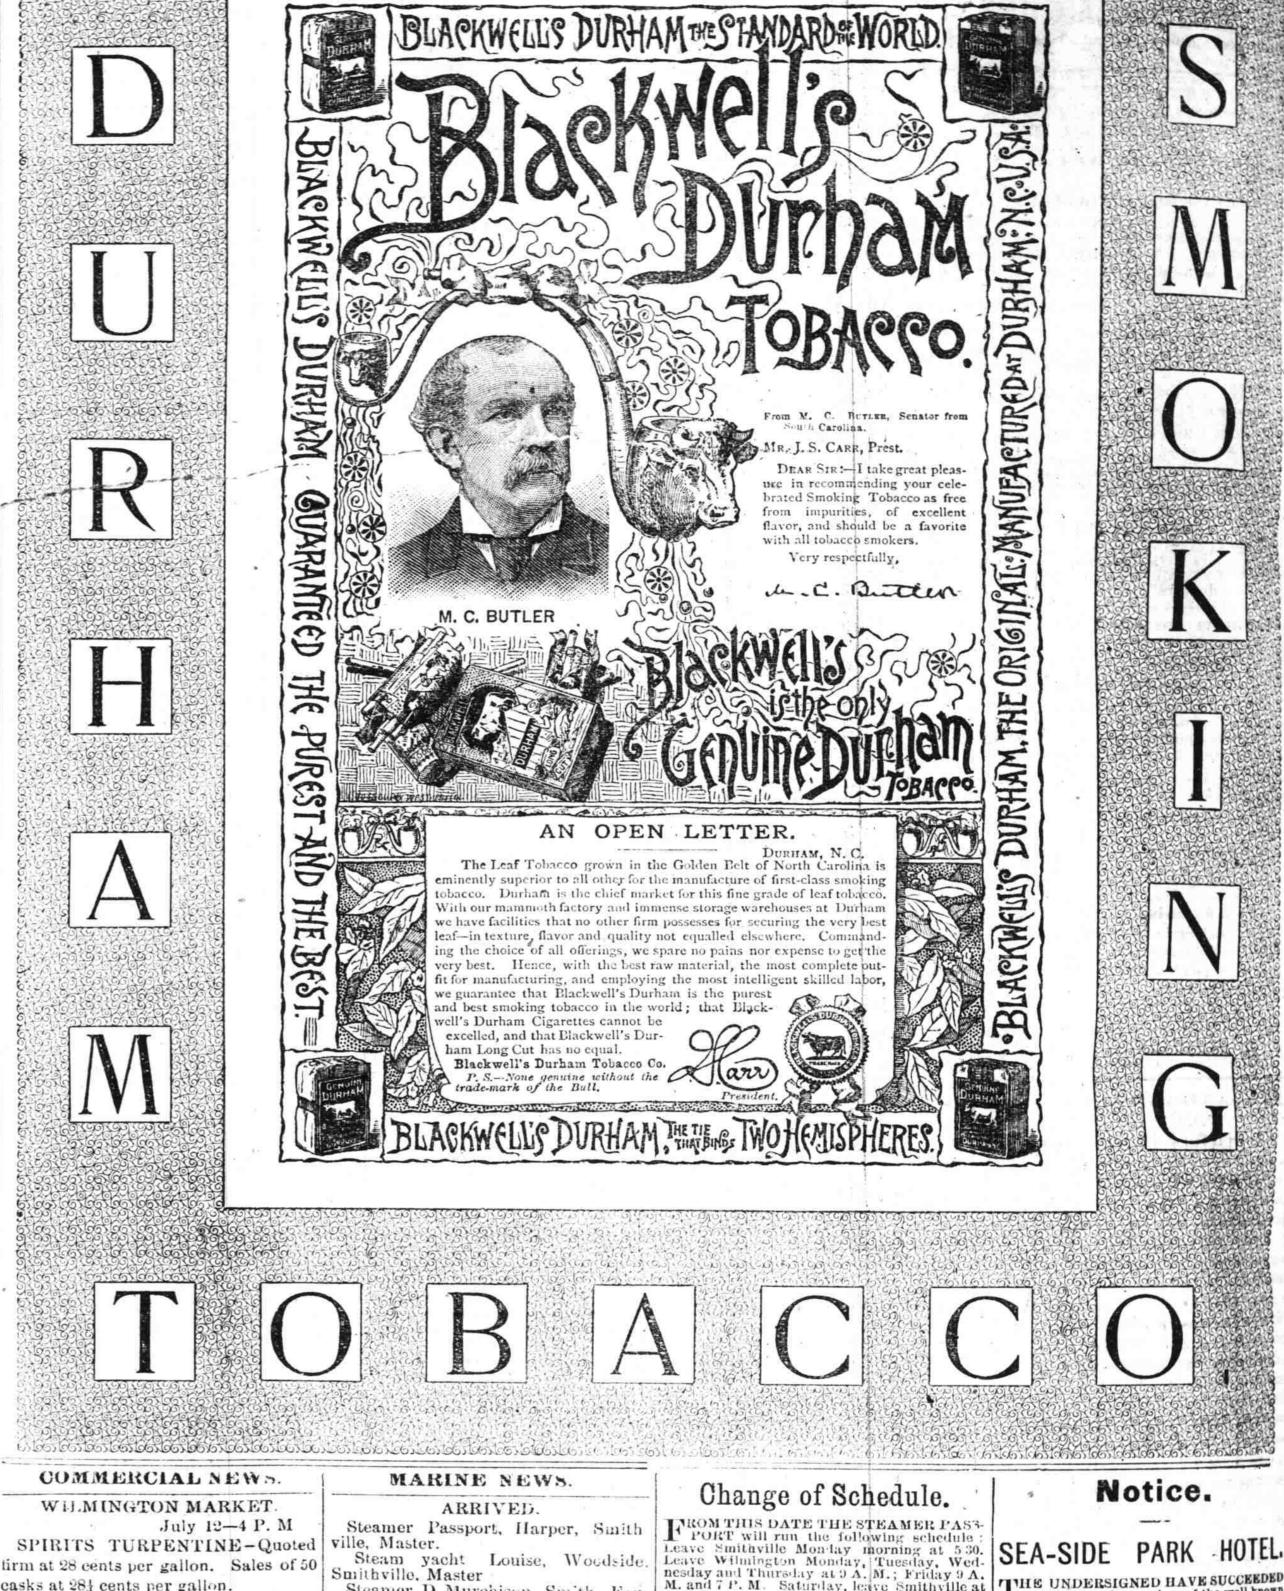

Asheville Advance. A colored man, whose name we did not learn, was scverely wounded at the depot last evening while working with the cars. His toot and leg were mashed to such an extent that the bones protruded through the flesh. A physic an was summoned and the unfortunate man received prop er attention.

Lincolnton Press: About 6 o'clock Wednesday afternoon the large barn and crib-, with all their contents, belonging to Mr. John Radisill, who live about four miles from town, weres totally destroyed by fire. The barn was near the dwelling house, which narrowly escaped The loss is in the neighborhood of \$1500 dellars. The origin of the fire is unknown.

Greensboro Patriot: The stockholders of the Odell Manufacturing Com pany, at Concord, held their semi-annual meeting there on Tuesday, July 8th. The report of the president, J. M. Odell, showed that in six months they had worked 1511 days, consuming 481,-130 pounds of cotton, manufacturing 1,406,828 yards of plaids, 59,328 seamless bags and 65,556 towels. A semiannual divi end of 4 per cent was declared.

Washington Gazette: Mr. Wm. Gaylord, near Ranso avil.e in this county, lost two baras by fire last week. This included 50 barrels of corn and 5,000 pounds of fodder, making the whole 1 ss not less than \$1 000. Cause supposed to be accidental. The property was insured for \$500, -The fertlizing value of rats was not generally known until disclosed by Mr. W. N. Arhbell at Mallison't store Tarsday night. O ce upon a time, said Mr. A. I made a raid on the rats in my barn and killed 45 rats coming out of one hole. He manufed a one-acre lot with these rays and got : wo bates of cotton weighing 552; pounds each. Thi cotton at 10 cents per pound would amount to \$110.50, making each rat worth \$2.30. Mr. A. has thirteen witnesses to this story, but they are all dea:1. Raleigh Chronicle: The Chronicle has had the good fortune to add to in staff Lieutenant Joseph B. Batchelor, U.S.A., and instructor in tactics at advertise a Special Sale, BAEGAINS are sure Bingham's School, who in in his military service has become familiar with almost every par of the United we now enumerate our GENERAL CLOSING States, and made himself an uncommonly excellent observer of men and things as well as a most instructive correspondent. Until his military ducies call him to Bingham School again he will go on a toying commission for the Chronicle, see ng what he can see, writing about all kinds of nteresting topics. He goes this week via Greensboro, along the Yadkin Valley road to Fayetteville, thence down the Cape Fear to Wilmington. From Wilmington he will go to the mouth of the river and write interesting explanations (with his protessional engineering knowledge) of the great Government works there for deepening he channel. Wherever he goes, he
