### DEMOCRATIC TICKET.

Election Tuesday, Nov. 4.

FOR PRESIDENT: GROVER CLEVELAND, of New York.

FOR VICE PRESIDENT: THOMAS A. HENDRICKS, of Indiana.

FOR GOVERNOR: ALFRED M. SCALES, of Guilford.

FOR LIEUT. GOVERNOR: CHARLES M. STEDMAN, of New Hanover.

FOR SECRETARY OF STATE: WILLIAM L. SAUNDERS, of Wake.

FOR STATE TREASURER: DONALD W. BAIN, of Wake.

FOR AUDITOR: W. P. ROBERTS, of Gates.

FOR ATTORNEY-GENERAL: THEODORE F. DAVIDSON, of Buncombe.

SUPERINTENDENT OF PUBLIC INSTRUCTION: S. M. FINGER, of Catawba.

ASSOCIATE JUSTICE SUPREME COURT: A. S. MERRIMON, of Wake.

FOR ELECTORS-AT-LARGE: W. H. KITCHEN, JOHN N. STAPLES.

Typo York will be a tired candidate before the campaign is closed.

George W. Childs, of the Philadelphia Ledger has come out for Cleveland and Hendricks.

Organize! Democrats! Organize at once and make victory perch upon your banners in November next.

Some one has said that every Presidential candidate whose name began with "C," has been defeated, which is all very true, but it is time to revolutionize the matter, and we propose to C that the present candidate is elected.

The New York Herald has the names of Cleveland and Hendricks hoisted as the flag under which it will fight during the campaign. This is the most important move we have ever known that paper to make in political affairs, and we believe it is the first time that the Herald has ever given such an endorsement to the candidate of any party.

Some of the political croakers are asking, "Who is Grover Cleveland?" We are sorry for their ignorance; the more so as we have not the time nor space to give a history of one of the most prominent men in the country, but we can tell them who he will be and not charge a cent. He will be the next President of these United States.

Bowdoin College has made Mr. Blaine a LL. D. This we submit, was a very proper thing. Since 1876 the "stuffed man" has been known to be a man of letters. Mr. Mulligan will certify to this if questioned. The character of degree LL. D. strikes us as singularly appropriate. They may not inaptly mean the defrauder of letters.

Editor Dana says: "Mr. Hendricks is a very good man in his way, and he has the recommendation of having been in uncommon good company in his time." That explains it. Mr. Hendricks doubtless never associated with Dana, hence the ignorance evinced by the latter of the character and accomplishments of the noble gentleman from Indiana.

In all his public acts he never did a more graceful thing than when he accepted the second place on the ticket with Gov. Cleveland.

He has shown himself a patriot at a juncture when the exercise of this quality was highly important. In his patriotic desire to avenge the wrong done free government and the elective franchise he was willing, a second time, to accept the place under Mr. Tilden, but busy tongues were ready to impute to him the selfish motive of doing so with the hope of finishing out Mr. Tilden's term. In accepting it under Gov.

# THE DAILY REVIEW.

VOL. VIII. WILMINGTON, N. C., TUESDAY, JULY 15, 1884. NO. 167

Cleveland this cannot be alleged. Mr. Hendricks has done a very creditable and important thing in that he has shown that he very justly regards the next highest office in this Republic as an exalted position and worthy the ambition of her greatest sons.

The Vice Presidency is quite as large as any man in this government and a great deal larger than any man who has filled it for many years.

It is time the place was occupied by other than mediocres. The era of Credit Mobiliers, Lone Fishermen and ward politicians, we sincerely trust, is over.

The press of this country ought to repel with ardor the idea that any man is above this place. The man who is too large for it is too small for the Presidency.

Mr. L. Trautman, Jr., druggist, Read's Landing, Minnesota, writes: "My mother has been cured by St. Jacobs Oil, the great pain-reliever, of numbness and pain in her arms."

Salts of lemon will take stains from ivory knives.

The moon entered her last quarter at 4:15 p. m. to-day.

The thermometer indicated 90 degrees in this office at noon to-day.

Rub your stove with linseed oil; keep in dry place, and it will not rust.

Mr. A. S. Heide is building a fine residence on the corner of Sixth and Orange streets.

It was very dull on the wharf this afternoon, with but little business and no news stirring.

Wholesale dry goods dealers are beginning to receive their stocks of Fall and Winter goods.

This is the sort of weather in which soda fountains and ice cream saloons are freely patronized.

Steamship Benefactor, Capt. Tribon, from New York, arrived at her wharf in this city at about noon to-day.

Every Farmer ought to get a "Boys Clipper Plow," greatest invention of the age. JACOB is the Agent.

We regret to hear that Mr. J. W. Cronly has suffered a slight relapse of fever, but hope it will be of short duration.

The schooner Charles Thomas, loaded with rosin, while going down the river last night sunk near the first buoy, about seven miles from the city.

We invite the attention of our citizens to the fact that first quality shirts are being made to order at one dollar at the Wilmington Shirt Factory.

Several of our citizens have already announced their intention of going to Washington on the 4th of March next to witness the inauguration of a Democratic President.

**A Large Crowd.**  
The white excursionists to Washington, who left here yesterday afternoon, were more in number than we supposed. We understand that there were about 300 tickets sold, and, as a matter of course, all that secured tickets were sure to go.

**The Fruit Fair Concert.**  
There will be two grand concerts during the Fruit Grower's Fair at Goldsboro, in which some of the best musical talent of the State will participate. Is Wilmington to take any part in them? There is certainly plenty of talent here and we hope to see our city ably represented in those concerts.

**Base Ball.**  
The Seaside Base Ball Club, of this city will attend the Fruit Grower's Fair at Goldsboro, on the 30th inst., where they will play a match game with the Nationals of that city. This latter is the same club that was here on the Fourth inst, and the Seaside will be their guests while in Goldsboro.

**The Military.**  
The Sumter Guards arrived here on this morning's train and proceeded at once down the river on the steamer Passport. Although few in numbers they presented a fine soldiery appearance as they marched through our streets. Quite a number of citizens of Sumter, among whom were several ladies, accompanied the Guards.

**A Correction.**  
In speaking of the death of Miss Mollie Parker yesterday, we stated that she was half-sister to Messrs. N. F. and C. C. Parker, which was a mistake so far as the latter was concerned. She was not related at all to Mr. C. C. Parker, and her only relative living in the city is Mr. N. F. Parker. Mr. J. G. Parker, who resides at Point Caswell, was her half-brother. The deceased was a ward of Mr. Wm. Larkins, of this city.

**Lake Waccamaw.**  
The Sunday School connected with St. Paul's Lutheran Church will make an excursion to Lake Waccamaw tomorrow, when those who desire can enjoy themselves by strolling upon the shores of that beautiful sheet of water. Ample accommodations have been made for the comfort of the excursionists, and we doubt not that a great many will improve the opportunity for a day's sojourn in the country, to breathe the fresh and pure air, and for a time be freed from the dust and heat of the city.

**Down the River.**  
This is the season of excursions, and the ladies of the Front Street M. E. Church, not to be behind in this species of healthful entertainment, will utilize the steamer Passport to-morrow for a trip down the river to the Rocks, Smithville and the Forts. The excursions gotten up by the ladies of Front Street Church have always been deservedly popular, and we doubt not that their popularity will be fully maintained by the pleasures of to-morrow. There will be refreshments on sale at city prices, abundant in quantity and excellent in quality.

**The Fruit Fair.**  
Capt. R. P. Paddison, President of the Fruit Fair Association, has appointed the following gentlemen from Pender and New Hanover counties to collect and send specimens of fruits and vegetables to the Fruit Fair, to be held at Goldsboro on the 30th and 31st insts.:  
From New Hanover: Capt. S. W. Nobles, Dr. G. G. Thomas, Capt. W. A. Cumming, Donald McKee, J. W. Forshee, Norwood Giles, Col. Roger Moore; J. W. Barnes; H. Sheppard, D. G. Worth, Thos. Edens, Capt. T. J. Southerland, H. A. Burr.

From Pender county: Maj. G. W. McClammy, Louis Howard, G. Z. French, Dr. S. S. Satchwell, Dan'l Shaw, Dr. W. T. Ennett, Dr. W. C. Murphy, J. D. Powers, E. A. Hawes, J. R. Paddison, Owen Alderman, R. H. Murphy, L. Vollers, Dr. G. F. Lucas, Capt. J. J. Pridgen, D. J. Corbett.

The condition of Mr. John B. Craig, who has been very low with a paralytic stroke, was somewhat more favorable to-day, though his case may be considered extremely critical. He has been afflicted with paralysis several years, but within the past week or two he has had another very serious attack.

Mr. Thomas E. Skipper, one of the types of the city, has gone to Washington with the excursionists, and if he can secure work will remain there. He is a good printer, and a clever man, and we hope that he may conclude to return and cast his lot in Wilmington.

**Hot and Cold.**  
A good many of our citizens have left Wilmington for the Summer resorts, but we can hardly believe they will find a cooler place than this city. A change of air, climate and diet is undoubtedly advantageous at this season of the year, and for that reason a sojourn in some other locality may prove beneficial, but so far as heat is concerned Wilmington is a real iceberg compared with some of the fashionable resorts.

**Ham Toast.**  
Chop very fine half a pound of cold boiled or roasted ham, mix with it the yolk of a raw egg and enough cream or cream sauce to moisten it a little, and season it highly with salt and cayenne; toast as many small slices of bread as are required to hold the ham, arrange them in a dripping pan, put a little mound of ham on each slice, and quickly brown the surface in a very hot oven, or before an open fire; serve the ham toast either hot or cold.

**Promptness.**  
Half the value of anything to be done consists in doing it promptly. And yet a large class of persons are almost always more or less unpunctual and late. Their work is always in advance of them, and so it is in their engagements. They are late in rising in the morning, and in going to bed at night; late at their meals; late at their counting house or office; late at church; late at their appointments with others. Their letters are sent to the postoffice just as the mail is closed. They arrive at the wharf just as the steamboat is leaving. They come into the station just as the train is going out. They do not entirely forget or omit the engagement or the duty, but they are always behind the time, and so are in haste, or rather in a hurry, as if they had been born a little too late, and forever were trying to catch up with the lost time. They waste time for themselves, and waste it for others, and fail of the comfort and influence and success which they might have found in systematic and habitual punctuality.

**List of Letters.**

**Quarantine Notice.**  
QUARANTINE FOR THE PORT OF WILMINGTON will be enforced from May 1st to November 1st, as follows:  
Pilots will bring all vessels from Ports south of Cape Fear to the Quarantine anchorage; also, all vessels which have had any kind of sickness on board during the passage, or on arrival, and will cause a signal to be set in the main rigging on the port side, as soon as possible after crossing the Bar.  
No vessel must leave the Quarantine anchorage, or allow any person, steamer or tug boat, lighter, or boat of any kind to go along side, unless by written authority from the Quarantine Physician; and every vessel must be anchored as far to the eastward of the channel as is consistent with safety.  
Regulations governing vessels while in Quarantine must be had on application at the office of the Quarantine Physician at Smithville.  
Applications for permits to visit vessels in Quarantine must be made to Dr. Thomas F. Wood or Dr. Geo. G. Thomas, and permits so obtained will be endorsed by the Quarantine Physician, if, in his opinion, it is proper and safe to allow communication with such vessels.  
A penalty of \$20 for each and every offence, will be enforced against any person violating any of the Quarantine Regulations of the Port.
