"The city is strung with wires like a harp, and elec tric communication is the daily miracle of the world. People no longer wonder and laugh at it as they did at Morse when he first suggest-

The age marches on and prejudice must give way. Nobody has a monopoly of truth. Even the conservative guild of physicians admit that the secrets of medicine are shared by all 'I dressed his wound and God healed him," said old Galen. Once that terrible dis ease, Rheumatism, was supposed to be a shifting, local ailment, now attacking the joints and now the muscles. To day it is demonstrated to be a disease of the BLOOD.

HIS COX & Co., of New York, proprietors of PAR-KER'S TONIC, that "she had been completely from Rheumatism and pain in the back and limbs. She was advised to take the her Rheumatism disappeared. The reason is simple. Diseased Kidneys produce rheumatic symptoms. Cure them and you destroy Rheumatism. This is now admitted by all intelli gert physicians. It is the new light thrown on their time-worn and mistaken theories. PARKER'S TONIC which is a combination of the best remedles for the blood known to science, is universally successful in combating this terribly common complaint.
