Not one French woman is to be found among the wives of Utah.

Miss Loulsa Wilcox, a Chicago lady committed suicide because the pies the baker sent her did not suit.

eighty-two widows of revolutionary soldiers, and forty-eight of these come from the Southern States.

The Augusta Chronicle is informed by an eminent physician of that city that cholera has never penetrated the pine regions of the South.

The semi annual dividends payable in Boston in August aggregate \$2,759, \$3,377,633 in August last year.

An enormous ranche in Mexico has just been purchased for £200,000 by a syndicate of English and Scotch speculators, of whom Lord Tweedmouth is one. It extends over sixteen hundred square miles.

Philadelphia has five hundred divorces in a year, but the luxury comes high and it is estimated that five hundred other couples of limited means separate without legal formality and form other alliances, frequently with innocent part-Ders.

Dr. McDonald, of California, who wanted the Prohibition nomination for President and didn't get it, is perfectly satisfied. He is track to confess, how ever, that it would have been a boom ing advertisement for the bitters.

The Brooklyn ladies have, by a published card, notified the horse-car conductors of that city that henceforth they intend to use small whistles to call theight

The Brooklyn Eagle says: "Gen. Grant gives signs of an intention to support Cleveland." Should not be surprised in the least. There is no knowing where the thing will stop. They all do it this year.

At Asheville yesterday, in the District Convention, Mr. Themes D. Johrston was nominated, on the 64th ballot, for election to Congress from the Mountain district. Gen. Bob Vance withdewon that ballot. Gen. Vance served six terms. Mr. Johnston represented Buncombe and Madison in the State Senate in 1876.

Chess is the oldest game now in use It was originally played in India, where tradition says it was invented 5,000 years ago. The Indian game, however, was much improved, as it traversed

There are now on the pension rolls other nations. It reached China and then came fhrough Persia to Europe. Before the sixteenth century there had been fifteen writers on chess, of whom seven were Asiatics.

The Louisiana Post says: The unanimous re-election of exSenator Barnum as Chairman of the Democratic National Committee is a deserved honor. Mr. Barnum has been indefatigable in his labors and is in addition one of the 396 against \$3,051,737 in February, and best political workers in the country. It would be difficult to find any, one

better capable of filling the position.

Sheridan Shook is rated now among the millionaires. Of the other theatrical managers in New York, A. M. Palmer has a fortune; Samuel Colville is thought to be worth \$200 000; E.G. Gilmore, \$350,000; Antonius Pastor,

\$250,000, and Mr. Schaeffel, \$150,000. Finally, John Stetson overtops them all. being worth a good deal more than a million.

Miss Maud St. Pierre, of Washington City, who appears to be a female Monte Cristo in point of wealth, has bought 14,000 acres of coal and timber lands at Anderson, Tenn., and will at once praceed to build a model town, with all the modern conveniences. She extends a general invitation to men of means and good will to come and help her develop at. this enterprise.

usually yote against the Government the general interest of society will be only about \$7. There is no clue to the 300, shipped by Messrs. Northrop & E. WILSON MANNING. DUBRUTZ CUTLAR, Plaintiff's Atty, on party questions.	V.	attention to them —"the same as now used by the Boston ladies"—and thus save much time and much irritability. Irish farmers may colonize near Salt Lake. The Herald is of opinion that "they would very soon compete with the Mormons in everything that makes are Mormons prosperous, while rapidly exercising a moral force which would tend to overturn the whole political, religious and social structure of Mor- mondom." The total muster of the House of Lords is 518. Of these five are mem- bers of the royal family, who, in "ac- cordance with usual practice, abstain from divisions on a political question. Of the remainder, 288 rank as Tories, and 218 are usually classified as Liber- als. But many nominal Liberals, like Lord Bradbourne and Lord Dunraven. usually yote against the Government	able firm of iron founders, employing five hundred men, informed them that a'l those who would not take a teas- poonful of powdered charcoal on enter- ing the works in the morning must leave their employ. What was the con- sequence? They did not lose a single man when myriads were dying around hem." There is a great deal of talk about protecting American labor, but not near as much effort in that direction as there should be on the question of eight hours for labor. It seems that Mr. Hendricks has been always very sound on this as he has been on most public questions. When in the United States Senate, in the course of a speech he said : "My opinion is that eight hours of labor faithfully applied are quite sufficient, and that the health of the laborer and the general interest of society will be	Mr. Garrison was a member of the Presbyterian Church and Rev.
